### CIVIL CONTEMPT ORDER MODIFIED RE CARL PORTO

The Chicago Regional Office announced that on October 22 the Court granted the Commission's Motion to modify a Contempt Order entered against Carl Porto to include incarceration if Porto fails to pay \$20,000 to the Registry of the Court by November 20, 1990.

On June 24, 1988, a Final Judgment of Permanent Injunction and Other Equitable Relief against Carl Porto was entered which required Porto to pay \$150,000 in disgorgement. After Porto failed to make such payment, the Commission moved for an Order to Show Cause why Porto should not be adjudged in civil contempt. After a hearing, the Court held, based upon Porto's present ability to pay, that Porto would be in contempt of court until he paid \$20,000 in disgorgement. Porto failed to comply. Thereafter, Porto and the Commission filed cross-motions requesting a modification of the Contempt Order. The Commission requested that the Contempt Order include a provision for imprisonment until Porto purged the contempt.

On October 22, 1990, the Court granted the Commission's motion. The Court held that for two years Porto has acted in bad faith diverting his funds to avoid his disgorgement obligation and that his present claim of financial inability was unsubstantiated. The Court ordered Porto to pay the disgorgement in 30 days or be incarcerated until he makes such payment. [SEC v. Carl Porto, et al., N.D. Ill., Civil Action No. 88 C 0239, order issued October 22, 1990] (LR-12682)

## FINAL JUDGMENT ENTERED AGAINST ARNOLD KIMMES

The Chicago Regional Office announced that on October 2, Judge Shadur for the Northern District of Illinois entered a Final Judgment of Permanent Injunction, Disgorgement and Other Equitable Relief against Arnold Kimmes (Kimmes) enjoining him from future violations of the antifraud and books and records provisions, ordering him to disgorge \$1 million, including prejudgment interest, and permanently barring him from association with any public company. Kimmes consented to the entry of the Final Judgment.

The Commission's complaint alleged that Kimmes, together with Michael Wright, Thomas Quinn and thirteen other defendants, engaged in a manipulation scheme which involved: forming blind pool companies; using fraudulent Forms S-18 to take these blind pools public; placing all the units in the initial public offering into nominee accounts which Kimmes and others controlled; and selling the stock out of these controlled nominee accounts into a manipulated market for large profits. According to the complaint, Kimmes and the other defendants manipulated this aftermarket by causing the dissemination of false periodic reports and press releases; controlling the quotes in the market; and controlling the supply of and demand for the securities. The stocks involved in this scheme were GSS Venture Capital Corp. and Max, Inc. [SEC v. Arnold Kimmes, et al., USDC, N.D. Ill., Civil Action File No. 89 C 5942] (LR-12685)

## JURY FINDS GERALD HELLBERG LIABLE FOR INSIDER TRADING

A jury has found Gerald Hellberg, Salt Lake City, liable for insider trading and fraud in connection with a tender offer by American Stores Company for Lucky Stores, Inc.

The civil complaint by the Commission, filed on May 31, 1989 (LR 12113), charged that Hellberg and his son, David Hellberg, had violated Sections 10(b) and 14(e) of the Securities Exchange Act and Rules 10b-5 and 14e-3 thereunder when the senior Hellberg bought \$15,000 worth of Lucky Stores April 35 options on March 16, 17 and 18, 1988. Hellberg realized a \$328,000 profit after American Stores announced on March 22, 1988 that it was making a tender offer for Lucky Stores. Gerald Hellberg's son was a financial analyst for American Stores who had knowledge of the planned tender offer before his father bought the options.

No witness testified that Gerald Hellberg knew about the planned offer. The Commission staff urged the jury to find Gerald Hellberg liable on the basis of circumstantial evidence, including the unusually speculative nature of the trading, its timing and the absence of any economically reasonable basis for buying the options absent inside information. [SEC v. Hellberg, CA No. 89-C-648-A, District of Utah] (LR 12686)
