OPEN MEETING - THURSDAY, OCTOBER 27, 1983 - 10:00 A.M.

The subject matter of the October 27, 10:00 a.m., open meeting will be:

(1) Consideration of (a) whether the broker-dealer registration requirements of Section 15(a) of the Securities Exchange Act of 1934 are applicable to banks that engage in certain securities activities, and (b) whether banks and savings and loan associations that enter into "networking" arrangements with registered broker-dealers should be required to register separately as broker-dealers. FOR FURTHER INFORMATION, PLEASE CONTACT Ardith Eymann at (202) 272-2844.

(2) Consideration of whether the Division of Investment Management should decline to respond to a request for interpretive or no-action advice made on behalf of certain savings and loan associations (S&L) which argue that they are "banks" as that term is used or defined in certain provisions of the securities laws and, instead, prepares an advance notice of proposed Commission action which would seek public comment on whether the Commission should propose: (a) to adopt rules that would exempt (i) certain S&Ls from the definition of investment adviser in the Investment Advisers Act of 1940 and (ii) common and collective trust funds maintained by an S&L from the registration requirements of the Investment Company Act of 1940, the Securities Act of 1933, and the registration, reporting and proxy requirements of the Securities Exchange Act of 1934; (b) to adopt rules defining the term "bank" in the Investment Company Act and the Advisers Act and Section 3(a)(12) and 12(g)(2)(H) of the Exchange Act to include S&Ls which perform specified functions which are substantially equivalent to those performed by banks; (c) to adopt an interpretation of the term "bank" for purposes of the Investment Company Act, Advisers Act, Securities Act, and Exchange Act that would include S&Ls which perform certain functions; and (d) to develop a legislative proposal to amend the Exchange, Investment Company, and Advisers Acts to include, for certain purposes, S&Ls that perform functions substantially similar to those of banks within the definitions of "bank" contained in those Acts. FOR FURTHER INFORMATION, PLEASE CONTACT Jeffrey Steele at (202) 272-2039 or Kathleen A. Jackson at (202) 272-2751.

(3) Consideration of a release proposing amendments to Rule 134a under the Securities Act of 1933. The rule provides a safe harbor from registration under the Securities Act for certain written communications describing the nature of options and options trading. The rule presently applies only to instructional or educational materials. The proposed amendments would extend the rule's coverage to options products and would modify the conditions to the rule's availability. FOR FURTHER INFORMATION, PLEASE CONTACT Alan L. Dye at (202) 272-2573.
