Storm Data and Unusual Weather Phenomena

May 2004

| Location | Date | Time Local/ Standard | Path Length (Miles) | Path Width (Yards) | Number of Persons Killed | Number of Persons Injured | Estimated Damage Property | Estimated Damage Crops | Character of Storm |
|----------|------|----------------------------|---------------------------|--------------------------|--------------------------------|---------------------------------|---------------------------------|------------------------------|--------------------|
|----------|------|----------------------------|---------------------------|--------------------------|--------------------------------|---------------------------------|---------------------------------|------------------------------|--------------------|

TEXAS, North Panhandle

Hutchinson County

| | | | | | | | | | |
|----------------|----|---------|--|--|---|---|--|--|-------------------|
| Pringle | 10 | 1855CST | | | 0 | 0 | | | Hail(0.75) |
|----------------|----|---------|--|--|---|---|--|--|-------------------|

A severe thunderstorm over the central Texas panhandle during the early evening hours produced hail.

Hartley County

| | | | | | | | | | |
|----------------------|----|--------------------|---|----|---|---|----|--|---------------------|
| 5 SSW Hartley | 11 | 1631CST 1639CST | 1 | 25 | 0 | 0 | 2K | | Tornado (F0) |
|----------------------|----|--------------------|---|----|---|---|----|--|---------------------|

A tornado touched down over open country approximately one mile south-southwest of where the derailed trains cars occurred. The tornado path length and width were measured as a damage survey was made on the tornado. No injuries were reported from the tornado. The tornado did cause minor damage to barns and equipment at a nearby farm.

Hartley County

| | | | | | | | | | |
|--------------------|----|---------|--|--|---|---|------|--|---------------------------------|
| 4 S Hartley | 11 | 1639CST | | | 0 | 0 | 180K | | Thunderstorm Wind (EG96) |
|--------------------|----|---------|--|--|---|---|------|--|---------------------------------|

A rear flank downdraft or very strong downburst winds derailed fifteen train cars and approximately six power poles were snapped. The derailed trains cars blocked traffic on U.S. Highway 385. An official damage survey was made on this event.

Oldham County

| | | | | | | | | | |
|-----------------|----|---------|--|--|---|---|--|--|-------------------|
| 7 N Vega | 11 | 1717CST | | | 0 | 0 | | | Hail(0.75) |
|-----------------|----|---------|--|--|---|---|--|--|-------------------|

Hartley County

| | | | | | | | | | |
|---------------------|----|--------------------|-----|----|---|---|--|--|---------------------|
| 10 E Hartley | 11 | 1719CST 1721CST | 0.1 | 25 | 0 | 0 | | | Tornado (F0) |
|---------------------|----|--------------------|-----|----|---|---|--|--|---------------------|

The tornado path length and width were estimated. The tornado remained over open country and caused no damage or injuries.

Moore County

| | | | | | | | | | |
