

SPECIAL INSPECTION AGENCY APPLICATION FOR CITY APPROVAL FORM B

NAME OF COMPANY: _____

Our company is seeking approval, by the City Of Albuquerque, as a Special Inspection Agency. I am the Principal Professional Engineer and the company's appointed representative. As such, I affirm that our company understands, and agrees to, the following:

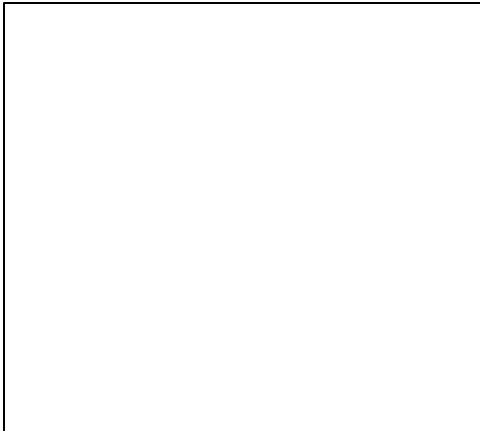

1. Our company will only seek special inspection work that we are qualified and equipped to perform. We will not subcontract work to other agencies or individuals without prior approval from the Chief Building Official.
2. Our company has all the equipment necessary to perform all the required tests associated with all the inspections that we are seeking City approval to perform. This equipment will be maintained in good working condition and will be periodically calibrated.
3. Our company will only employ persons who are educated and experienced in conducting, supervising, and evaluating all the inspections and tests associated with the inspections that we are seeking City approval to perform.
4. Our company will perform all inspections in strict accordance with Chapter 17 of the 2003 International Building Code and the standards referenced therein. Our inspectors and technicians will maintain their objectivity at all times.
5. Our company will only contract to, and accept payment from the project owner or an agent of the owner such as the architect-of-record or the engineer-of-record. We will not enter into agreements with, nor accept payments from, any contractor, subcontractor, or material supplier.
6. Our company will not seek special inspection work on any project that it, or any of its employees, has a financial interest in.

7. I understand that the Chief Building Official has the authority to revoke the approval of our company if it is found to be in violation of Sections 1703 or 1704 of the 2003 International Building Code, for falsifying information on Application Form A or in our Company Manual, or for failure to abide by any of the provisions of this declaration.
