## Storm Data and Unusual Weather Phenomena

June 2000

Location	Date	Time Local/ Standard	Path Length (Miles)	Path Width (Yards)	Number of Persons Killed	Injured	Estimated Damage Property	Crops	Character of Storm
<b><u>ALABAMA, North Central</u></b>									
<b>Cullman County</b>									
<b>Cullman</b>	<b>13</b>	<b>1345CST</b>			<b>0</b>	<b>0</b>	<b>2K</b>	<b>0</b>	<b>Thunderstorm Wind (G55)</b>
Trees were blown down near Cullman.									
<b>Randolph County</b>									
<b>Wedowee</b>	<b>14</b>	<b>1600CST</b>			<b>0</b>	<b>0</b>	<b>3K</b>	<b>0</b>	<b>Thunderstorm Wind (G55)</b>
Trees were knocked down just northeast of Wedowee.									
<b>Etowah County</b>									
<b>Countywide</b>	<b>15</b>	<b>1720CST 1740CST</b>			<b>0</b>	<b>0</b>	<b>5K</b>	<b>0</b>	<b>Thunderstorm Wind (G55)</b>
Trees were blown down across Etowah County, but mainly in the vicinity of Gadsden. Several locations in the city of Gadsden had one or two trees reported down in each location. Trees were also reported knocked down in Reece City and Attalla. Several of the downed trees temporarily blocked roadways. Local police estimated the wind around 60 miles an hour.									
<b>Jefferson County</b>									
<b>Homewood</b>	<b>16</b>	<b>1200CST</b>			<b>0</b>	<b>1</b>	<b>1K</b>	<b>0</b>	<b>Lightning</b>
A woman with a telephone headset on her head was affected by lightning. The lightning apparently ran through the telephone lines and into the building. She was taken to the hospital and released with only very minor injuries.									
<b>Cullman County</b>									
<b>Cullman</b>	<b>16</b>	<b>1300CST</b>			<b>0</b>	<b>0</b>	<b>1K</b>	<b>0</b>	<b>Lightning</b>
Lightning struck a tree and a home in the Terry Pines Golf Course. The home sustained a few broken windows, ripped screens, and knocked a few items off the wall. No injuries were reported.									
<b>Colbert County</b>									
<b>Muscle Shoals</b>	<b>16</b>	<b>1558CST</b>			<b>0</b>	<b>0</b>	<b>4K</b>	<b>0</b>	<b>Lightning</b>
Lightning struck a tree and a house on Mill Stream Road near Muscle Shoals. The home received minor roof damage, and several electrical items in the home were damaged. There was no fire, and no injuries were reported.									
<b>Lawrence County</b>									
<b>4 S Moulton</b>	<b>17</b>	<b>1805CST 1810CST</b>			<b>0</b>	<b>0</b>	<b>5K</b>	<b>0</b>	<b>Thunderstorm Wind (G60)</b>
Numerous trees and power lines were blown down just west of CR 33, near the intersection of CR 50 and CR 100, 4 miles south of Moulton. Several homes had shingle damage. A few trees and power lines were also knocked over in the city of Moulton.									
<b>Colbert County</b>									
<b>6 NE Leighton</b>	<b>17</b>	<b>1820CST</b>			<b>0</b>	<b>0</b>	<b>1K</b>	<b>0</b>	<b>Thunderstorm Wind (G50)</b>
Several trees were downed by the wind. One large tree was blown down and blocked Wallace Mill Road temporarily.									
<b>Talladega County</b>									
<b>4 NW Winterboro</b>	<b>19</b>	<b>1330CST</b>			<b>0</b>	<b>0</b>	<b>1K</b>	<b>0</b>	<b>Thunderstorm Wind (G50)</b>
Several trees were knocked over near Plantersville.									
<b>Montgomery County</b>									
<b>Montgomery</b>	<b>19</b>	<b>1415CST</b>			<b>0</b>	<b>0</b>	<b>0</b>	<b>0</b>	<b>Thunderstorm Wind (G50)</b>
A 58 mile an hour wind was recorded at WSFA-TV in Montgomery.									
<b>ALZ008</b>									
<b>Marshall</b>	<b>24</b>	<b>1700CST</b>			<b>1</b>	<b>0</b>	<b>0</b>	<b>0</b>	<b>Excessive Heat</b>
A 10-month-old child apparently left by mistake in a vehicle for 30 to 45 minutes in 95-degree heat died. The infant along with her mother, father, two siblings, and a grandmother had returned to their home in the Asbury community from shopping. After unloading the children and packages, the child was apparently left in the vehicle as each of the adults thought the other had gotten the baby. The child was pronounced dead after being taken to the hospital.

------------	----	---------	--	--	---	---	-----	--	--------------------------

One shed was heavily damaged and a mobile home's roof was damaged by flying debris. A few trees down. Reported by WTVY-TV meteorologist.

### ALABAMA, Southwest

#### Baldwin County

Orange Beach	01	1110CST 1120CST			0	0			<b>Waterspout</b>
--------------	----	--------------------	--	--	---	---	--	--	-------------------

A couple of waterspouts were seen offshore, south of Orange Beach. The waterspouts dissipated over the water.

#### Mobile County

(Bfm)Mobile Brookley	16	0710CST 0720CST			0	0			<b>Waterspout</b>
----------------------	----	--------------------	--	--	---	---	--	--	-------------------

A waterspout was seen over Mobile Bay near Brookley Field. The waterspout dissipated over the bay

#### Choctaw County

Rock Spgs	17	1235CST 1245CST			0	0	5K		<b>Thunderstorm Wind (G55)</b>
-----------	----	--------------------	--	--	---	---	----	--	--------------------------------

Alabama State Troopers reported that a thunderstorm blew trees down across County Road 20 near Rock Springs. Also, trees were reported down across State Highway 17 north of Butler.

#### Marengo County

Myrtlewood	22	1115CST 1120CST			0	0			<b>Hail (1.00)</b>
------------	----	--------------------	--	--	---	---	--	--	--------------------

Myrtlewood Police Department reported that a thunderstorm produced 1 inch diameter hail in the community at 1115 am CST.

#### Baldwin County

Tensaw	24	1420CST 1425CST			0	0	5K		<b>Thunderstorm Wind (G55)</b>
--------	----	--------------------	--	--	---	---	----	--	--------------------------------

Law enforcement reported that high thunderstorm winds downed trees and power lines in and around the community of Tensaw. Trees were also reported down around Little River at around the same time.

#### Mobile County

Mon Louis	25	0850CST 0900CST			0	0			<b>Waterspout</b>
-----------	----	--------------------	--	--	---	---	--	--	-------------------

A waterspout was observed over Mobile Bay near the mouth of the Fowl River. The waterspout dissipated over water.

#### Mobile County

Dauphin Is	25	0930CST 0940CST			0	0			<b>Waterspout</b>
------------	----	--------------------	--	--	---	---	--	--	-------------------

A waterspout developed just offshore of Dauphin Island, and dissipated over the water.

#### ALZ062-064

#### Upper Baldwin - Lower Baldwin

	25	1000CST 1200CST			1	0			<b>Excessive Heat</b>
--	----	--------------------	--	--	---	---	--	--	-----------------------

A 20-month old Fairhope child died of heat exposure. The mother of the child woke up and couldn't find the child. She looked for him for several minutes, finally finding him inside of the family car, parked in their front yard. The child had evidently found his way inside the automobile and when the door shut he couldn't get out. The temperatures in the area were in the middle to upper 80s with the temperature inside of the car much higher. The mother performed CPR until the paramedics arrived but they were unable to revive the child. M1VE
