

ISA OPERATIONAL WORKGROUP
July 10, 2008

MHOs Attending: Mary Rumbaugh (Clackamas MHO), Jill Archer (Washington County MHO), Karen Weiner (ABHA), Chris Olwine (GOBHI), Sonja Miller (Verity), Kathleen Horgan (MVBCN)

AMH Attending: Matthew Pearl, Rita McMillan,

CAF Attending:

Item	Discussion	Action	Due Date
1. Household of One questions- follow up	Reiterated concerns around coordination of approval and continued stay, and d/c planning for HH1 youth. Email with questions was sent last month to Bill Bouska for guidance.	ISA workgroup will facilitate a meeting with CMHP reps, PRTS providers, Acumentra and AMH.	September 2008
2. ISA sub workgroup on youth with neuron-developmental challenges update	Updated group on first meeting, and beginning definition of the population and outcomes of the group.	Jill, Mary and Kathleen to report back next month on workgroup progress.	September 2008
3. CSCI mid course corrections	Matthew discussed the idea from CSAC of getting feedback about what is working and/or not working from local stakeholder groups. This group recommended using 4C groups as a forum for this.	Matthew to follow up with scheduling.	ongoing

Next meeting: September 11, 2008
