

manufacturer is a firm covered by this review, a prior review, or the LTFV investigation, the cash deposit rate shall be the all others rate established in the LTFV investigation, which is 9.86 percent *ad valorem*, the "all others" rate. See *Notice of Final Determination of Sales at Less Than Fair Value: Stainless Steel Plate in Coils from Belgium*, 64 FR 15476 (March 31, 1999). These deposit rates, when imposed, shall remain in effect until publication of the final results of the next administrative review.

Notification to Importers

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

Notification Regarding APOs

This notice also serves as a reminder to parties subject to administrative protective orders (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(5). Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a sanctionable violation.

This administrative review and notice are in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: November 30, 2005.

Stephen J. Claeyes,

Acting Assistant Secretary for Import Administration.

DEPARTMENT OF COMMERCE

National Oceanic and Atmospheric Administration

[I.D. 112305C]

Fisheries of the Exclusive Economic Zone Off Alaska; Public Workshop

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Notice; public workshop.

SUMMARY: NMFS will present a workshop on proposed catch-monitoring standards for the non-American Fisheries Act (AFA) trawl catcher/processor sector. These standards are necessary to support proposed groundfish and prohibited species allocations to these sectors that are under consideration by the North Pacific Fishery Management Council.

DATES: The workshop will be held on December 16, 2005, from 10 a.m. to 1 p.m. local time.

ADDRESSES: The workshop will be held at the Nordby Center, in Fishermen's terminal, 1711 W Nickerson St., Seattle, WA.

FOR FURTHER INFORMATION CONTACT: Alan Kinsolving, 928-774-4362.

SUPPLEMENTARY INFORMATION: The North Pacific Fisheries Management Council is developing proposed Amendment 80 to the Groundfish of the Bering Sea and Aleutian Islands Management Area Fishery Management Plan (FMP). Amendment 80 would allocate prohibited species and target species other than Pacific cod and pollock to trawl catcher/processor vessels that are not qualified to fish for pollock under the AFA. One aspect of the analysis of alternatives being developed for Amendment 80 includes options for catch monitoring, weighing, and accounting standards for the non-AFA trawl catcher/processor sector. On June 27, 2005, NMFS conducted a workshop on the proposed standards and obtained comments from industry on various options. NMFS is conducting the December 16, 2005, workshop so that interested industry members may provide further guidance to NMFS on the development and implementation of these standards.

This workshop is physically accessible to people with disabilities. Requests for sign language

interpretation or other auxiliary aids should be directed to Alan Kinsolving (see **FOR FURTHER INFORMATION**).

Dated: December 1, 2005.

Alan D. Risenhoover,

Acting Director, Office of Sustainable Fisheries, National Marine Fisheries Service.
