

to evaluate the techniques used and decide if management regulations should be approved as is, modified, or disapproved.

## II. Method of Collection

The information collections for permit renewals and transfers and to implement sablefish permit stacking program are made on NOAA Fisheries forms. Also, the renewal of limited entry permits may be completed and submitted using online renewal form on the NOAA Fisheries, Northwest Region web site. Transfer forms and forms for the permit stacking program are available from the region's web site but must be submitted by mail or in person. Applications for an exempted fishing permit must be submitted in a written format. The exempted fishing permit data reports from individual vessels may be submitted in person, faxed, or submitted by telephone by the vessel owner or operator to NOAA Fisheries or the states of Washington, Oregon, or California.

#### SUPPLEMENTARY INFORMATION:

##### I. Abstract

The groundfish tagging program provides scientists with information necessary for effective conservation, management, and scientific

understanding of the groundfish fishery off Alaska and the Northwest Pacific. The program area includes the Pacific Ocean off Alaska (the Gulf of Alaska, the Bering Sea and Aleutian Islands Area, and the Alexander Archipelago of Southeast Alaska), California, Oregon, and Washington. Fish movement information from recovered tags is used in population dynamics models for stock assessment.

## II. Method of Collection

This is a volunteer program requiring the actual tag from the fish to be returned, along with recovery information. Reporting forms with pre-addressed and postage-free envelopes are distributed to processors and catcher vessels.
