

## **WILDLAND FIREFIGHTING TRAINING**

To assure sufficient wildland fire training opportunities are available for private sector **CONTRACTORS** who participate in the crew and engine/tender contracts, and that this training meets or exceeds National Wildfire Coordination Group (NWCG) standards, the Pacific Northwest Wildfire Coordination Group (PNWCG) has entered into memorandums of understanding (MOU's) with representatives of two groups of training providers. The groups are firefighting contractor associations and public education providers. Below are the list of associations and institutions that have valid MOU's with PNWCG:
