

ACTIVE & LOCUM TENENS PHYSICIAN LIST

The Oregon Medical Board publishes its Active & Locum Tenens Physician List once a week. This list provides current information about medical and osteopathic physicians who have an Active or Locum Tenens status, allowing practice in Oregon. The cost is \$75 per issue.

The information in this list is compiled in two sections:

1. **Alphabetical - All licensed Oregon physicians (MD/DO) with Active or Locum Tenens status**, regardless of location, which includes physicians with an active military status, and physicians who live in a border town. This section is arranged alphabetically by physician name, and includes license number, specialty, practice address, practice phone, and license expiration date.
2. **Geographical – All licensed Oregon physicians (MD/DO) with Active or Locum Tenens status**. This section is arranged alphabetically by state and by city within state, and includes license number, issue date, name, mailing address, specialty and practice county.

No list is completely up-to-date because of daily additions and updates to the database. Lists are mailed out in CD format and orders are filled within five business days of receipt of payment.
