

**Established Price for Tournament® Quality Perennial Ryegrass  
for the 2001 Crop Year**

Representatives of the Perennial Ryegrass Bargaining Association and the Oregon Seed Trade Association, making up the Perennial Ryegrass Bargaining Council, met on May 17, 2001 under the active supervision of the Oregon Department of Agriculture as authorized by HB3811.

Based on consideration of factors regarding Tournament® Quality inventories, volumes contracted, production factors, competitive factors, and world market prices, the Perennial Ryegrass Bargaining Council arrived at a negotiated price which was recommended to the Director of Agriculture for approval.

Therefore, I hereby certify the price of Tournament® Quality perennial ryegrass seed for the 2001 crop year as follows:

\$41/cwt for Tournament® Quality seed produced on fields complying with State of Oregon seed certification requirements; and,

\$40/cwt for Tournament® Quality seed produce on fields not eligible to produce certified seed.
