ABEND, Alan Geoffrey

Distribution and diet of long-finned pilot whales in the North Atlantic using carbon and nitrogen stable isotope tracers. M.S., University of Massachusetts, 1993. 147p. THESIS A-11

ABERNATHY, Kyler John

Foraging ecology of Hawaiian monk seals at French Frigate Shoals, Hawaii. M.S., University of Minnesota, 65p. THESIS A-12

ADAMS, Ann Marie

Taxonomy, systematics, and ecology of helminth parasites of the ringed seal, *Phoca hispida* Schreber, in Alaskan waters. Ph.D., University of Washington, 1988. 204p. THESIS A-21

ADAMS, Tammy Christine

Foraging differences and early maternal investment in adult female Alaskan Steller sea lions (*Eumetopias jubatus*). Ph.D., Texas A&M University, 2000. 51p. THESIS A-16

AGNESS, Alison M.

Effects and impacts of vessel activity on the Kittlitz's murrelet (*Brachyramphus brevirostris*) in Glacier Bay, Alaska. M.S., University of Washington, 2006. 133p. THESIS A-25

AJMI, Amal Romona

Underwater bioacoustic analysis of bearded seal behavior off Barrow, Alaska. M.S., University of Alaska, Fairbanks, 1996. 115p. THESIS A-18

AKÇAKAYA, Haluk Resit

Population cycles of mammals: theory and evidence. Ph.D., State University of New York at Stony Brook, 1989. 176p. THESIS A-8

ALBRIGHT, Don

A critical evaluation of age determination of ringed seals (*Phoca hispida* Schreber 1775). M.S., McGill University, 1990. 120p. THESIS A-13

ALVAREZ FLORES, Carlos Miguel

Fotoidentificación del rorcual jorobado, *Megaptera novaeangliae* (Borowski, 1781), en las aguas adyacentes a Isla Isabel, Nay. (Cetacea: Balaenopteridae). Tesis Profesional, Universidad Nacional Autónoma de México, 1987. In Spanish. 107p. THESIS A-6

ALVAREZ-FLORES, Carlos Miguel

Uncertainty in the management of activities affecting marine mammal populations. The tuna-dolphin conflict, a case study. Ph.D., University of Washington, 2002. 134p. THESIS A -22

AMAHA, Ayaka

Geographic variation of the common dolphin, *Delphinus delphis* (Odontoceti: Delphinidae). Ph.D., Tokyo University of Fisheries, 1994. 211p. THESIS A-24

AMAN, Allison Craig

Gonadotropic factors affecting the onset of reproductive maturity in the female fur seal, *Callorhinus ursinus*. Ph.D., University of British Columbia, 1972. 179p. THESIS A-1

AMSTRUP, Steven Carl

Movements, distribution, and population dynamics of polar bears in the Beaufort Sea. Ph.D., University of Alaska, Fairbanks, 1995. 299p. THESIS A-20

ANDRIOLO, Artur

Ritmo circadiano nos comportamentos de mergulho e de transição para o gelo e para água em focas caranguejeiras (*Lobodon carcinophagus*) [Circadian rhythms in ice-to-water diving behavior of crabeater seal (*Lobodon carcinophagus*)]. Ph.D., Universidade de Sao Paulo, Ribeirao Preto, Brazil. 2000. In Portuguese. 84p. + appendix. THESIS A-17

ANGIEL, Nicole Martine

The vocal repertoire of the beluga whale in Bristol Bay, Alaska. M.S., University of Washington, 1997. 78p. THESIS A-15

ANGLISS, Robyn P.

The effects of density dependence on the length structure of the Bering-Chukchi-Beaufort Seas stock of bowhead whales, *Balaena mysticetus*. M.S., University of Washington, 1994. 96p. THESIS A-9

ANGLISS, Robyn P.

Evaluation of management options for bison and brucellosis in Yellowstone National Park, Wyoming. Ph.D., The University of Minnesota, 2003. 150p. THESIS A-23

ANTONELIS, George A.

A comparison of the diurnal and nocturnal behavior of the northern fur seal on San Miguel Island. M.S., San Diego State University, 1976. 119p. THESIS A-2

ANTONELIS, George A.

Comparison of phocid and otariid feeding habits and life history traits in temperate and boreal regions of the North Pacific Ocean. Ph.D., Nagasaki University, 1996. 139p. THESIS A-14

ARNBOM, Tom

Maternal investment in male and female offspring in the southern elephant seal. Ph.D., Stockholm University, 1994. v.p. THESIS A-10

ARNDT, Douglas P.

DDT and PCB levels in three Washington state harbor seal (*Phoca vitulina richardii*) populations. M.S., University of Washington, 1973. 65p. THESIS A-4

ARNOLD, Robert Allen

An introductory study on a resident herd of harbor seals (*Phoca vitulina*) on Gertrude Island, Washington. M.S., University of Puget Sound, 1968. 89p. THESIS A-3

ARNOULD, John Peter Yves

The energetics of lactation in polar bears (*Ursus maritimus* Phipps). M.S., University of Saskatchewan, 1990. 80p. THESIS A-19

ASHWELL-ERICKSON, Susan Marie

The energy cost of free existence for Bering Sea harbor and spotted seals. Ph.D., University of Alaska, 1981. 209p. THESIS A-5

AURIOLES-GAMBOA, David

Behavioral ecology of California sea lions in the Gulf of California. Ph.D., University of California, Santa Cruz, 1989. 175p. THESIS A-7

BAIN, David Edmund

An evaluation of evolutionary processes: studies of natural selection, dispersal, and cultural evolution in killer whales (*Orcinus orca*). Ph.D., University of California, Santa Cruz, 1989. 257p. THESIS B-20

BAIRD, Robin William

Foraging behaviour and ecology of transient killer whales (*Orcinus orca*). Ph.D., Simon Fraser University, 1994. 157p. THESIS B-30

BAKER, Charles Scott

The population structure and social organization of humpback whales (*Megaptera novaeangliae*) in the central and eastern North Pacific. Ph.D., University of Hawaii, 1985. 306p. THESIS B-16

BAKER, Jason Daniel

Trends in female northern fur seal, *Callorhinus ursinus*, feeding cycles indicated by nursing lines in juvenile male teeth. M.S., University of Washington, 1991. 51p. THESIS B-22

BAKER, Susan L. McAlear

Population biology, residency status, and management of bottlenose dolphins, *Tursiops truncatus*, in the Eastern Bay and Choptank River areas of Chesapeake Bay. Ph.D., University of Maryland, College Park, 2000. 183p. THESIS B-45

BALLANCE, Lisa Taylor

Ecology and behavior of the bottlenose dolphin, *Tursiops truncatus*, in the Gulf of California, Mexico. M.S., San Jose State University, 1987. 103p. THESIS B-18

BAN, Stephan S.

Modelling and characterization of Steller sea lion haulouts and rookeries using oceanographic and shoreline type data. M.S., University of British Columbia, 2005. 94p. THESIS B-52

BANDO, Monica Kaho Herkules

Comparing the nutritional quality of Steller sea lion (*Eumetopias jubatus*) diets. M. S., University of Alaska Fairbanks, 2002. 58p. THESIS B-54

BARBEAUX, Steven J.

Organizational control analysis method for observer programs with a case study on the Cook Inlet Marine Mammal Observer Program. M.M.A., University of Washington, 2001. 190p. THESIS B-53

BARBER, David G.

Narwhal distribution relative to thermal sea surface temperature boundaries. Master of Natural Resources Management. University of Manitoba, Winnipeg, Manitoba, Canada, 1989. 70p. THESIS B-41

BARLOW, Jay Phillip

Methods and applications in estimating mortality and other vital rates. Ph.D., University of California, San Diego, 1982. 177p. THESIS B-9

BARNS, Allison Eileen Mercer

Relationships among temperature, depth, and abundance of commercially important fishes captured by trawl vessels in the Kodiak area of the Gulf of Alaska, USA. M.S., University of Alaska, Fairbanks, 2004. 80p. THESIS B-51

BARRETT-LENNARD, Lance

Echolocation in wild killer whales (*Orcinus orca*). M.S., University of British Columbia, 1992. 74p. THESIS B-29

BARRETT-LENNARD, Lance Godfrey

Population structure and mating patterns of killer whales (*Orcinus orca*) as revealed by DNA analysis. Ph.D., University of British Columbia, 2000. 97p. THESIS B-42

BARROS, Nélio Baptista

Feeding ecology and foraging strategies of bottlenose dolphins on the central east coast of Florida. Ph.D., University of Miami, 1993. 328p. THESIS B-27

BARROS, Nélio Baptista

Food habits of bottlenose dolphins (*Tursiops truncatus*) in the southeastern United States, with special reference to Florida waters. M.S., University of Miami, 1987. 139p. THESIS B-15

BARTSH, Sherie Sidonia

Territorial behavior and breeding frequency in relation to age, size, and serum testosterone and cortisol concentrations in male Weddell seals. M.S., University of Minnesota, 1990. 81p. THESIS B-28

BATES, Laura.

A critical evaluation of the management measures for protected areas, for coastal cetaceans in the UK. M.S., University Wales, Bangor, 2003. 156p. THESIS B-49.

BAUER, Gordon B.

The behavior of humpback whales in Hawaii and modifications of behavior induced by human interventions. Ph.D., University of Hawaii, 1986. 314p. THESIS B-31

BAUMGARTNER, Mark F.

The distribution of select species of cetaceans in the northern Gulf of Mexico in relation to observed environmental variables. M.S., University of Southern Mississippi, 1995. 90p. THESIS B-35

BECKMEN, Kimberlee B.

Blood organochlorines, immune function and health of free-ranging northern fur seal pups (*Callorhinus ursinus*). Ph.D., University of Alaska Fairbanks, 1999. 151p. THESIS B-37

BECKMEN, Kimberlee B.

Gross and microscopic anatomy of the female reproductive tracts of the Dwarf and Pygmy sperm whales (genus *Kogia*). M.S., University of Miami, 1986. 58p. THESIS B-12

BENGTSON, John L.

Ecology of manatees (*Trichechus manatus*) in the St. Johns River, Florida. Ph.D., University of Minnesota, 1981. 126p. THESIS B-10

BERGEY, Michael Robert

Lung structure and mechanics of the West Indian manatee (*Trichechus manatus*). M.S., University of Miami, 1986. 57p. THESIS B-14

BERTA, Annalisa

Quaternary evolution and biogeography of the larger South American Canidae (Mammalia: Carnivora). Ph.D., University of California, Berkeley, 1979. 262p. THESIS B-19

BIGG, Michael Andrew

Control of annual reproduction in the female harbor seal, *Phoca vitulina*. Ph.D., University of British Columbia. 1972. 111p. THESIS B-17

BISACK, Kathryn D

Bioeconomics of seasonality, seasonal stock depletion and marine mammal protection. Ph.D., University of Rhode Island, 2000. 210p. THESIS B-44

BISHOP, Alicia M.

Guidelines for designating critical habitat under the Endangered Species Act for marine mammals in the US EEZ: Evolution of designation criteria based on recent litigation. M. Mar Affairs, University of Washington, 2006. 137p. THESIS B-13

BISHOP, Richard H.

Reproduction, age determination, and behavior of the harbor seal, *Phoca vitulina* L. in the Gulf of Alaska. M.S., University of Alaska, 1967. 121p. THESIS B-2

BLACK, Nancy A.

Behavior and ecology of Pacific white-sided dolphins (*Lagenorhynchus obliquidens*) in Monterey Bay, California. M.S., San Francisco State University, 1994. 133p. THESIS B-36

BLOOME, Kenneth A.

The gross anatomy and fine structure of the auditory apparatus of the delphinid ear. Ph.D., University of California, Los Angeles, 1968. 133p. THESIS B-1

BOCK, Peter Gidon

A study of international regulation: the case of whaling. Ph.D., New York University, 1966. 309p. THESIS B-5

BOHORQUEZ, Amy Suzanne.

Pupping phenology and haul out patterns of harbor seals (*Phoca vitulina richardsi*) in San Francisco, California. M.A., San Francisco State University, 2002. 73p. THESIS B-48.

BOLTNEV, Aleksandr Ivanovich

Biologiya razmnozhenia i pitanie severnogo morskogo kotika (Reproduction and feeding biology of the northern fur seal). Ph.D., Voronezh Government Agrarian University of K.D. Glinka. 2000. In Russian. 357p. THESIS B-39

BORCHERS, D. L.

Line transect abundance estimation with uncertain detection on the trackline. Ph.D., University of Cape Town, 1996. 233p. THESIS B-34

BOUCHER, G. Christopher

Parasites of the checkered puffer, *Sphoeroides testudineus*, in Biscayne Bay, Florida, with an analysis of host-parasite relationships. M.S., University of Miami, 1974. 69p. THESIS B-8

BOVENG, Peter Laurens

Variability in a crabeater seal population and the marine ecosystem near the Antarctic Peninsula. Ph.D., Montana State University, 1993. 110p. THESIS B-26

BOWLBY, G. Edward

Feeding behavior of pinnipeds in the Klamath River, northern California. M.S., Humboldt State University, 1981. 74p. THESIS B-4

BRADFORD, Amanda L.

Population assessment of western North Pacific gray whales (*Eschrichtius robustus*). M.S., University of Washington, 2003. 115p. THESIS B-47

BRAHAM, Howard W.

Comparative environmental physiology of mammalian longevity: metabolic and thermoregulatory effects of ionizing radiation. Ph.D., Ohio State University, 1975. 140p. THESIS B-7

BRANDON, Elisif Amienne Andrews

Maternal investment in Steller sea lions in Alaska. Ph.D., Texas A&M University, 2000. [144]p. THESIS B-43

BRANDON, Heather V.

Theoretical and actual biological effects of share-based fishery management programs: three case studies from the North Pacific. M.M.A., University of Washington, 2004. 99p. THESIS B-50

BREIWICK, Jeffrey Mark

Population dynamics and analyses of the fisheries for fin whales (*Balaenoptera physalus*) in the northwest Atlantic Ocean. Ph.D., University of Washington, 1993. 310p. THESIS B-23

BRIGGS, Kenneth Taylor

Aspects of the dentition of the northern elephant seal. M.A., San Jose State College, 1972. 55p. THESIS B-11

BRODY, Allen Joseph

Population dynamics of California sea otters and a model for the risk of oil spills. Ph.D., University of Minnesota, 1988. 176p. THESIS B-21

BROWN, Robin Franklin

Abundance, movements and feeding habits of the harbor seal, *Phoca vitulina*, at Netarts Bay, Oregon. M.S., Oregon State University, 1980. 69p. THESIS B-3

BROWNE, Patience

Estimating the condition of juvenile California sea lions (*Zalophus californianus*) off central and southern California using blood chemistries. M.S., California State University, Stanislaus and Moss Landing Marine Laboratories, 1995. 91p. THESIS B-32

BUBLITZ, Christopher G.

Systematics of the cephalopod family Gonatidae from the southeastern Bering Sea. M.S., University of Alaska, 1980. 171p. THESIS B-6

BUDELSKY, Rachel Ann

Underwater behavior and vocalizations of the bearded seal (*Erignathus barbatus*), off Point Barrow, Alaska. M.S., University of Minnesota. 1992 99p. THESIS B-40

BURD, Matthew Anderson

Aerobic bacteria of northern fur seal (*Callorhinus ursinus*) pups on the Pribilof (USA) Islands and Medny (USSR) Island. M.S., San Jose State University, 1992. 43p. THESIS B-24

BURG, Theresa Marie

Genetic analysis of eastern Pacific harbour seals (*Phoca vitulina richardsi*) from British Columbia and parts of Alaska using mitochondrial DNA and microsatellites. M.S., University of British Columbia, 1996. 77p. THESIS B-33

BURKANOV, Vladimir Nikolaevich

Spotted seal (*Phoca largha*) in the waters of Kamchatka and its impact on Pacific salmon. Ph.D., Institute of Evolution, Morphology, and Ecology of Animals, USSR Academy of Sciences, Moscow, 1990. In Russian. 164p. THESIS B-25

BURTON, Robert Kevin

Ecology of the northern fur seal (*Callorhinus ursinus*) from the middle and late Holocene of California. Ph.D., University of California, Santa Cruz, 2000. 87p. THESIS B-46

BUTLER, Virginia L.

Distinguishing natural from cultural salmonid deposits in Pacific Northwest North America. Ph.D., University of Washington, 1990. 219p. THESIS B-38

CALDWELL, Melba Carstarphen

Epimeletic behavior in cetacea. M.A., University of California, Los Angeles, 1963. 148p. THESIS C-3

CALKINS, Donald G.

Some aspects of the behavior and ecology of the sea otter *Enhydra lutris*, in Montague Strait, Prince William Sound, Alaska. M.S., University of Alaska, 1972. 55p THESIS C-4

CALLAHAN, M.C.

PICES: A portrait of an international organization. M. Mar. Affairs, University of Washington, 1994. 84p. THESIS C-47

CAMERON, Michael Foley

Dynamics of a Weddell seal (*Leptonychots weddellii*) population in McMurdo Sound, Antarctica. Ph.D., University of Minnesota. 2001. 80p. THESIS C-37

CARLSON, Carole Anne

Variation in the behavior of humpback whales: a study of individuals. Ph.D., Dalhousie University, 1992. 135p. THESIS C-23

CARRANZA, Ana Luisa Figueroa

Early lactation and attendance behavior of the Guadalupe fur seal females, (*Arctocephalus townsendi*). M.S., University of California, Santa Cruz, 1994. 99p. THESIS C-30

CARVAN, Michael John

The descriptive anatomy of sound production and propagation tissues in *Kogia spp.* using magnetic resonance and computed tomography imaging. M.S., University of Miami, 1988. 72p. THESIS C-14

CASS, Virginia L.

Pure tonal whistle comparisons of wild Pacific bottlenose dolphins, *Tursiops truncatus*. M.S., San Diego State University, 1987. 106p. THESIS C-24

CASTELLINI, Michael Angelo

Biochemical adaptations for diving in marine mammals. Ph.D., University of California, San Diego, 1981. 123p. THESIS C-25

CATTET, Marc

Aspects of physical condition in black bears and polar bears. M.S., University of Alberta, 1988. 75p.
THESIS
C-40

CAVANAGH, Deborah Mary

Northwest coast whaling; a new perspective. M.A., University of British Columbia, 1983. 177p. THESIS C-18

CERCHIO, Salvatore

Geographic variation and cultural evolution in songs of humpback whales (*Megaptera novaeangliae*) in the eastern North Pacific. M.S., San Jose State University, 1993. 72p. THESIS C-27

CERCHIO, Salvatore.

Paternity, polygyny and alternative mating tactics in humpback whales (*Megaptera novaeangliae*). Ph.D., University of Michigan, 2003. 151p. THESIS C-43

CHAMBERS, James R., Jr.

Population studies of California sea lions near Diablo Canyon, California. M.S., California Polytechnic State University, 1979. 54p. THESIS C-5

CHATWIN, Dale

The Vigilant journal: a British whaling ship voyage in Indonesian waters and the Pacific, 1831-1833. B.L. Australian National University, 1989. 46p. + appendix. THESIS C-32

CHATWIN, Dale

'A trade so uncontrollably uncertain': a study of the English southern whale fishery from 1815 to 1860. M.A., Australian National University, 1996. 156p. THESIS C-33

CHEN, Yian.

Ecological aspects of cetaceans in Ilan waters of Taiwan: abundance, distribution, habitat partitioning, and acoustics. M.S., University of Charleston, South Carolina, 2001. 147p. THESIS C-36

CHENEVAL, Olivier.

Biomechanics of turning manoeuvres in Steller sea lions (*Eumetopias jubatus*). M.S., University of British Columbia, 2005. 59p. THESIS C-44

CHIASSON, Robert Breton

The morphology of the Alaskan fur seal. Ph.D., Stanford University, 1955. 100p. THESIS C-8

CHIVERS, Susan Julia

Life history parameters as indicators of density dependence for populations of delphinids. Ph.D., University of California, Los Angeles, 1992. 187p. THESIS C-22

CHU, Kevin Charles

Songs and courtship behavior of male humpback whales (*Megaptera novaeangliae*) in the North Atlantic. Ph.D., Boston University, 1988. 203p. THESIS C-17

CLAPHAM, Phillip J.

Social and reproductive biology of North Atlantic humpback whales (*Megaptera novaeangliae*). Ph.D., University of Aberdeen, Scotland, 1993. 150p. THESIS C-31

CLARK, Christopher Willes

Acoustic communication and behavior of the southern right whale. Ph.D., State University of New York, 1981. 137p. THESIS C-6

CLARK, Douglas

Terrestrial habitat selection by polar bears (*Ursus maritimus* Phipps) in the western Hudson Bay lowlands. M.S., University of Alberta, 1996. 119p. THESIS C-39

CLEATOR, Holly Joan

Underwater vocalizations of the bearded seal (*Erignathus barbatus*). M.S., University of Alberta, 1987. 92p. THESIS C-38

CLINTON, Walter Lawrence

Sexual selection and the life history of male northern elephant seals. Ph.D., University of California, Santa Cruz, 1990. 120p. THESIS C-19

COLEMAN, Richard Jay

Aerial behavior of the Hawaiian humpback whale. M.A., in Psychology. University of Hawaii, 1994. 91p. THESIS C-28

COLLET, Anne

Biologie du dauphin commun *Delphinus delphis* L. en Atlantique Nord-Est (Biology of the saddleback dolphin *Delphinus delphis* L. in the Northeast Atlantic. Ph.D., University of Poitiers, 1981. In French. 156p. THESIS C-9

COLVOCORESSES, Jennifer Ann

Characterization of the humoral immune system of the Steller sea lion, *Eumetopias jubatus*, and development of reagents and assays for quantitative measure of humoral immunity. Ph.D., University of Southern Mississippi, 2004. 163p. THESIS C-45

CONDIT, Richard Stewart

Feeding biology of the northern elephant seal. Ph.D., University of California, Santa Cruz, 1984. 133p. THESIS C-10

CONNER, Richard Carpenter

Alliances among male bottlenose dolphins and a comparative analysis of mutualism. Ph.D., University of Michigan, 1990. 139p. THESIS C-21

CONSER, Raymon J.

Stock assessment methods designed to support fishery management decisions in data-limited environments: development and application. Ph.D., University of Washington, 1994. 291p. THESIS C-26

COOPER, Kevin Frazer

Natural history and behaviour of the Australian sea lion *Neophoca cinerea* (Peron) on Kangaroo Island, South Australia. B.S., Flinders University, Adelaide, South Australia, 1972. 86p. +appendices. THESIS C-35

CORNICK, Leslie Anne

Optimal foraging theory as a model to examine the relationship between relative prey accessibility and foraging energetics in Steller sea lions (*Eumetopias jubatus*) in the Gulf of Alaska and Bering Sea. Ph.D., Texas A&M University, 2001. 104p. THESIS C-41

COSTA, Daniel Paul

The ecological energetics, water and electrolyte balance of the California sea otter, *Enhydra lutris*. Ph.D., University of California, Santa Cruz, 1978. 75p. THESIS C-12

COTTRELL, Paul Edward

Diet, activity budgets, and movement patterns of harbour seals (*Phoca vitulina*) in Cowichan Bay and adjacent areas. M.S., University of Victoria, 1995. 118p. THESIS C-29

COURBIS, Sarah Shelby

Behavior of Hawai=ian spinner dolphins (*Stenella longirostris*) in response to vessels/swimmers. M.A., San Francisco State University, 2004. 183p + tables. THESIS C-46

COURTRIGHT, Alan M.

Range management and the genus *Rangifer*: a review of selected literature. M.S., University of Alaska, 1959. 172p. THESIS C-2

CRAIG, Allison M.

Reproduction in the female fur seal *Callorhinus ursinus* (Linn.). M.S., University of British Columbia, 1966. 116p. THESIS C-1

CRANFORD, Ted Wayne

The anatomy of acoustic structures in the spinner dolphin forehead as shown by x-ray computed tomography and computer graphics. M.S., University of California, Santa Cruz, 1986. 19p. THESIS C-11

CRAWFORD, Thomas W.

Vertebrate prey of *Phocoenoides dalli*, (Dall's porpoise), associated with the Japanese high seas salmon fishery in the North Pacific Ocean. M.S., University of Washington, 1981. 72p. THESIS C-7

CREDLER, Victoria R.

Magnetite and magnetoreception in stranded dwarf and pygmy whales, *Kogia simus* and *Kogia breviceps*. M.S., University of Miami, 1988. 86p. THESIS C-15

CRESPINO, Enrique Alberto

Dinamica poblacional del lobo marino de un pelo *Otaria flavescens* (Shaw, 1800), en el norte del litoral Patagonico [Population dynamics of the South American sea lion *Otaria flavescens* (Shaw, 1800), on the north coast of Patagonia. Ph.D., University of Buenos Aires, 1988. In Spanish. 265p.+figures. THESIS C-16

CRISTOFFER, Cris

Nonrandom extinction and the evolution and conservation of continental mammal faunas. Ph.D., University of Florida, 1990. 253p. THESIS C-20

CROCKFORD, Cairn Elizabeth

Nuu-Chah-Nulth labour relations in the pelagic sealing industry, 1868-1911. M.A. History. University of Victoria, Victoria, British Columbia, Canada, 1996. 148p. THESIS C-42

CRUTCHFIELD, Stephen Rand

Management of foreign fishing rights: theory and policy. Ph.D., Yale University, 1980. 232p. THESIS C-13

CURREN, Kristina Charlotte

Designs for swimming: morphometrics and swimming dynamics of several cetacean species. M.S., Memorial University of Newfoundland. 1992. 206p. THESIS C-34

DAHLHEIM, Marilyn Elayne

Bio-acoustics of the gray whale (*Eschrichtius robustus*). Ph.D., University of British Columbia, 1987. 266p.+ appendices. THESIS D-10

DAHLHEIM, Marilyn Elayne

A classification of vocalizations of captive killer whales (*Orcinus orca*). M.S., San Diego State University, 1980. 79p. THESIS D-2

DAITCH, Vicki McKinney

From sympathy to synergy: humane activism in the modern environmental movement. Ph.D., University of Illinois, Urbana-Champaign. 2000. 287p. THESIS D-30

DALLA ROSA, Luciano

Interactions with the longline fishery and information on the feeding habits of the killer whale, *Orcinus orca*, Linnaeus 1758 (Cetacea, Delphinidae), in south and southeast Brazil. Senior Thesis, University of Rio Grande, 1995. In English. 40p. THESIS D-19

DANIEL, Raychelle G.

The timing of moulting in wild and captive Steller sea lions (*Eumetopias jubatus*). M.S., University of British Columbia, 2003. 64p. THESIS D-33

DANIL, Kerri.

Growth and reproduction of female short-beaked common dolphins, *Delphinus delphis*, in the eastern tropical Pacific. M.S., University of San Diego, 2004. 192p. THESIS D-34

DARLING, James David

Aspects of the behavior and ecology of Vancouver Island gray whales, *Eschrichtius [sic] glaucus* Cope. M.S., University of Victoria, (Canada), 1972. 200p. THESIS D-4

DARLING, James David

Migrations, abundance and behavior of Hawaiian humpback whales, *Megaptera novaeangliae* (Borowski). Ph.D., University of California, Santa Cruz, 1983. 147p. THESIS D-11

DA SILVA, Cibele Queiroz

Capture-recapture estimation of bowhead whale population size using photo-identification data. Ph.D., University of Washington, 1999. 190p. THESIS D-24

DAVIES, Jeremy Rhys

The impact of an offshore drilling platform on the fall migration path of bowhead whales: a GIS-based assessment. M.S., Western Washington University, 1997. 51p. THESIS D-20

DAVIS, Randall William

Lactate and glucose metabolism in the resting and diving harbor seal (*Phoca vitulina*). Ph.D., University of California, San Diego, 1980. 153p. THESIS D-13

DE ANGELIS, Monica Lin

The mating system of Pacific harbor seals (*Phoca vitulina richardsi*) and its influence on estimates of effective population size. M.S., San Diego State University, 2000. 100p. THESIS D-29

DE BLOIS, Stephen

The social behavior of an emerging breeding population of *Eumetopias jubatus* on the coast of Humboldt County. M.A., Humboldt State University, 1986. 64p. THESIS D-7

DeLONG, Robert Lee

Population biology of northern fur seals of San Miguel Island, California. Ph.D., University of California, Berkeley, 1982. 185p. THESIS D-5

DeMASTER, Douglas Paul

Estimation and analysis of factors that control a population of Weddell seals (*Leptonychotes weddelli*) in McMurdo Sound, Antarctica. Ph.D., University of Minnesota, 1978. 79p. THESIS D-18

DENNIS, Brian Christopher

The dynamics of low density populations. Ph.D., Pennsylvania State University, 1982. 182p. THESIS D-12

DEREYNIER, Yvonne L.

International high seas salmon management in the North Pacific Ocean: From freedom to prohibition. M. Mar. Affairs, University of Washington, 1995. 107p. THESIS D-36

DEROCHER, Andrew Edward.

The distribution and abundance of polar bears (*Ursus maritimus* Phipps) during the ice-free period in western Hudson Bay. M.S. University of Alberta. 1987. 160p. THESIS D-31.

DEROCHER, Andrew Edward.

Population dynamics and ecology of polar bears in western Hudson Bay. Ph.D., University of Alberta, 1991. 189p. THESIS D-32

DESPORTES, Geneviève

La nutrition des odontocetes en Atlantique nord - est (Côtes Francaises - iles Feroë_ (Nutrition of odontocetes in the northeast Atlantic (French coast & Faroe Islands)). Ph.D., Université de Poitiers, 1985. In French. 190p. + appendices. THESIS D-27

DEUTSCH, Charles Joseph

Behavioral and energetic aspects of reproductive effort of male northern elephant seals (*Mirounga angustirostris*). Ph.D., University of California, Santa Cruz, 1990. 257p. THESIS D-15

DI BENEDITTO, Ana Paula Madeira

Captura acidental de pequenos cetáceos em rede de espera: uma ameaça às populações do norte do Rio de Janeiro? (Incidental capture of small cetaceans in gillnets: Is it a threat to the populations of northern Rio de Janeiro?). M.S., Universidade Estadual do Norte Fluminense - UENF (State University of Northern Fluminense), Campos dos Goytacazes - RJ (Rio de Janeiro), 1997. In Portuguese. 91p. THESIS D-25

DIVOKY, George Joseph

The pelagic birds and mammals of the Chukchi Sea in fall. M.S., Michigan State University, 1972. 97p. THESIS D-3

DOETSCHMAN, Willis H.

Mites parasitic in the lungs and air passages of seals with special emphasis on their occurrence in the California sea lion. M.A., University of Southern California, 1941. 87p. THESIS D-1

DOIDGE, D.W.

Age and stage based analysis of the population dynamics of beluga whales, *Delphinapterus leucas*, with particular reference to the northern Quebec population. Ph.D., McGill University, 1990. 190p. THESIS D-17

DOLPHIN, William Ford

Foraging ecology and energetics of the humpback whale in southeast Alaska. Ph.D., Boston University, 1987. 265p. THESIS D-9

DONNELLY, Carolyn Patricia

Possible effects of pollock and herring on the growth and reproductive success of Steller sea lions: insights from feeding experiments using an alternative animal model, *Rattus norvegicus*. M.S., University of British Columbia, 2001. 77p. THESIS D-28

DONOHUE, Mary Jill

Energetics and development of northern fur seal, *Callorhinus ursinus*, pups. Ph.D., University of California, Santa Cruz, 1998. 176p. THESIS D-23

DORFMAN, Eric Joshua

Distribution, behavior, and food habits of harbor porpoises (*Phocoena phocoena*) in Monterey Bay. M.S., San Jose State University, 1990. 57p. THESIS D-16

DORN, Martin William

Hierarchical models of fishing behavior by factory trawlers in a midwater-trawl fishery for Pacific hake (*Merluccius productus*). Ph.D., University of Washington, 1998. 166p. THESIS D-35

DRAGOO, Donald Edgar

Food habits and productivity of kittiwakes and murrelets at St. George Island, Alaska. M.S., University of Alaska, Fairbanks, 1991. 104p. THESIS D-21

DRUMMER, Thomas D.

Size-bias in line transect sampling. Ph.D., University of Wyoming, 1985. 143p. THESIS D-6

DUNHAM, Jason Scott

Gray whale prey and whale distributions in Clayoquot Sound, British Columbia, Canada (1996-97). M.S., University of Victoria, Victoria, British Columbia, Canada, 1999. 166p. THESIS D-26

DUNLAP, Wendy Suzanne

The influence of El Niños on pinniped strandings along the California coast 1982-1992. M.S., University of San Diego, 1995. 241p. THESIS D-22

DUNN, Ronald E.

Bioenergetics of the Hawaiian monk seal (*Monachus schauinslandi*): Volume 1-Energetics and adaptation. Volume 2-The average daily metabolic rate and associated energy substrate utilization as determined by the doubly labeled water technique. Ph.D., University of Hawaii, 1990. Volume 1- 171p., Volume 2-443p. THESIS D-14 v.1, v.2

DUNTON, Kenneth Harlow

Trophic dynamics in marine nearshore systems of the Alaskan high Arctic. Ph.D., University of Alaska, 1985. 247p. THESIS D-8

EASTER-PILCHER, Andrea L.

Analysis of the listing of species as endangered or threatened under the Endangered Species Act. Ph.D., in Biological Sciences, Montana State University, 1993. 196p. THESIS E-8

EDDS, Peggy Louise

Variation in vocalization of fin whales, *Balaenoptera physalus*, in the St. Lawrence River. M.S., University of Maryland, 1980. 126p. THESIS E-4

EDIE, Allan George

Distribution and movements of Steller sea lion cow (*Eumetopias jubata* [sic]) on a pupping colony. M.S., University of British Columbia, 1977. 82p. THESIS E-3

EGUCHI, Tomoharu

Morphology of the Pacific harbor seal (*Phoca vitulina richardsi*) using Elkhorn Slough, California, and their movements and diving behavior in the Monterey Bay area. M.S., California State University, Fresno, 1998. 105p. THESIS E-11

EISFELD, Sonja Mareike.

The social affiliation and group composition of bottlenose dolphins (*Tursiops truncatus*) in the outer southern Moray Firth, NE Scotland. M.S., University of Wales, Bangor, 2003. 85p. THESIS E-13

ELIASON, Julie J.

Mother-pup behavior in the harbor seal, *Phoca vitulina richardsi* [sic]. M.A., Humboldt State University, 1986. 115p. THESIS E-6

ENGLISH, Arthur William

Functional anatomy of the forelimb in pinnipeds. Ph.D., University of Illinois, the Medical Center, 1974. 311p. THESIS E-5

ERBE, Christine

The masking of beluga whale (*Delphinapterus leucas*) vocalizations by icebreaker noise. Ph.D., University of British Columbia, 1995. 88p. THESIS E-9

ERSTAD, Pamela

Management strategies to reduce seabird bycatch in northern Puget Sound, Washington state. M. Marine Affairs, University of Washington, 1995. 88p. THESIS E-10

ESTES, James A.

Population numbers, feeding behavior and the ecological importance of sea otters in the western Aleutian Islands, Alaska. Ph.D., University of Arizona, 1974. 125p. THESIS E-1

ETNIER, Michael A

The effects of human hunting on northern fur seal (*Callorhinus ursinus*) migration and breeding distribution in the late Holocene. Ph.D., University of Washington. 2002. 388p. THESIS E-12

EVANS, William Eugene

Distribution, differentiation of populations, and other aspects of the natural history of *Delphinus delphis* Linnaeus in the northeastern Pacific. Ph.D., University of California, Los Angeles, 1975. 144p. THESIS E-7

EVERITT, Robert D.

Populations of harbor seals and other marine mammals: Northern Puget Sound. M.S., University of Washington, 1980. 283p. THESIS E-2

FADELY, Brian Scott

Investigations of harbor seal (*Phoca vitulina*) health status and body condition in the Gulf of Alaska. Ph.D., University of Alaska, Fairbanks, 1997. 183p. THESIS F-20

FAHY, Christina Cluett

Management of locally abundant marine mammals. Case study: the California sea lion (*Zalophus californianus*). M. Marine Affairs, University of Washington, 1995. 141p. THESIS F-13

FAUSETT, Larry Lee

Assimilation efficiency of captive sea otters *Enhydra lutris* (Carnivora: Mustelidae). M.A. California State University, Long Beach, 1976. 39p. THESIS F-18

FAUSETT, Larry Lee

Activity and movement patterns of the island fox, *Urocyon littoralis*, Baird 1857 (Carnivora: Canidae). Ph.D., University of California, Los Angeles, 1982. 132p. THESIS F-19

FAY, Francis Hollis

The Pacific walrus (*Odobenus rosmarus divergens*): spatial ecology, life history and population. Ph.D., University of British Columbia, 1955. 171p. THESIS F-1

FAY, Gavin

A Bayesian stochastic metapopulation model for Steller sea lions in Alaska. M.S., University of Washington, 2004. 253p. THESIS F-24.

FEINHOLZ, Daniela Maldini

Pacific coast bottlenose dolphins (*Tursiops truncatus gilli*) in Monterey Bay, California. M.S., San Jose State University, 1996. 78p. THESIS F-25

FELDKAMP, Steven David

Swimming and diving in the California sea lion, *Zalophus californianus*. Ph.D., University of California, 1985. 176p. THESIS F-5

FELLEMAN, Frederick Lawrence

Feeding ecology of the killer whale (*Orcinus orca*). M.S., University of Washington, 1986. 163p. THESIS F-7

FERGUSON, Megan Caton

Cetacean population density in the eastern Pacific Ocean: analyzing patterns with predictive spatial models. Ph.D., University of California, San Diego, 2005. 203p. THESIS F-27

FERGUSON, Steven Harold

The meeting of two dynamics: polar bears and sea ice. Ph.D., University of Saskatchewan. 1997. 183p. THESIS F-23

FERRERO, Richard C.

An analysis of conflicts between the State of Alaska and the Federal Government regarding the management of marine mammals. M. Marine Affairs, University of Washington, 1985. 92p. THESIS F-6

FERRERO, Richard Carlo

Life history and multivariate analyses of habitat selection patterns among small cetaceans in the central North Pacific Ocean. Ph.D., University of Washington, 1998. 254p. THESIS F-17

FIELD, Ian C.

Diving behaviour of the southern elephant seal, *Mirounga leonine*, from Macquarie Island, in relation to water temperature. Honors Thesis, University of Tasmania, 1996. 113p. THESIS F-28

FIELD, Ian C.

The role of juvenile foraging ecology and growth in the evolution of life history strategies for southern elephant seals. Ph.D., University of Tasmania, 2005. 162p. THESIS F-29

FIGUEROA CARRANZA, Ana Luisa --- SEE --- CARRANZA, Ana Luisa Figueroa

FINKLEA, Beverly Jean

Organochlorines in the blubber of bottlenose dolphins that died in the 1990 Matagorda Bay epizootic. Ph.D., Texas A&M University, 2000. 91p. THESIS F-21

FISHER, H.D.

Studies on reproduction in the harp seal *Phoca groenlandica* Erxleben in the Northwest Atlantic. Ph.D., McGill University, 1954. 133p. THESIS F-3

FITZGERALD, George D.

Comparative morphology of the forelimb skeleton in some Odontoceti (Mammalia, Cetacea). M.A., California State College, Long Beach, 1970. 137p. THESIS F-4

FLEISCHER, Luis Armando

The distribution, abundance and population characteristics of the Guadalupe fur seal, *Arctocephalus townsendi* (Merriam, 1897. M.S., University of Washington, 1978. 93p. THESIS F-2

FLORES OCHOA, Lourdes de Maria

An educational model to integrate local coastal communities in marine conservation projects. M. Marine Affairs. University of Washington, 1995. 74p. +appendices. THESIS F-12

FORD, John Kenneth Baker

Call traditions and dialects of killer whales (*Orcinus orca*) in British Columbia. Ph.D., University of British Columbia, 1984. 435p. THESIS F-14

FORNEY, Karin A.

Patterns of variability and environmental models of relative abundance for California cetaceans. Ph.D., University of California, San Diego, 1997. 130p. THESIS F-16

FOWLER, Charles Winsor

An ecosystem model of Fern Lake. Ph.D., University of Washington, 1973. 116p. THESIS F-9

FRANCIS, John Mark

Interfemale aggression and spacing in the northern fur seal *Callorhinus ursinus* and the California sea lion *Zalophus californianus*. Ph.D., University of California, Santa Cruz, 1987. 155p. THESIS F-8

FRANKEL, Adam Scott

Sound playback experiments with humpback whales *Megaptera novaeangliae* in Hawaiian waters. M.S., University of Hawaii, 1987. 80p. THESIS F-11

FRASIER, Timothy Ray

Integrating genetic and photo-identification data to assess reproductive success in the North Atlantic right whale (*Eubalaena glacialis*). Ph.D., McMaster University, 2005. 197p. THESIS F-26

FREEBERG, Mark H.

The capacity of the North Pacific fishing industry to influence national fisheries policy: a case study of the Marine Mammal Protection Act: negotiations of 1988. M. Marine Affairs, University of Washington, 1989. 158p. THESIS F-10

FRIDAY, Nancy

Evaluating photographic capture-recapture estimates of abundance of North Atlantic humpback whales. Ph.D., University of Rhode Island, 1997. 173p. THESIS F-15

FUKUYAMA, Allan Kiyoshi.

The ecology of bivalve communities in Prince William Sound, Alaska: influence of the *Exxon Valdez* oil spill and predation by sea otters. Ph.D., University of Washington, 2000. 360p. THESIS F-22

GABRIELE, Christine M.

The behavior and residence characteristics of reproductive classes of humpback whales (*Megaptera novaeangliae*) in the Hawaiian Islands. M.A., University of Hawaii, 1992. 99p. THESIS G-15

GALLO REYNOSO, Juan Pablo

Factors affecting the population status of Guadalupe fur seal, *Arctocephalus townsendi* (Merriam, 1897), at Isla de Guadalupe, Baja California, Mexico. Ph.D., University of California, Santa Cruz, 1994. 197p. THESIS G-25

GALVER, Luana Marie.

The molecular ecology of spinner dolphins, *Stenella longirostris*, genetic diversity and population structure. Ph.D., University of California, San Diego, 2002. 192p. THESIS G-35

GARCIA, Jorge F.

Assessing the performance of omni-directional receivers for passive acoustic detection of vocalizing Odontocetes: initial analysis. Master's thesis. Naval Postgraduate School, Monterey, California, 2002. 46p. THESIS G-34

GARCIA-RODRIQUEZ, Angelica I

Genetic studies of the West Indian manatee (*Trichechus manatus*). Ph.D., University of Florida, 2000. 115p. THESIS G-31

GARSHELIS, David Lance

Ecology of sea otters in Prince William Sound, Alaska. Ph.D., University of Minnesota, 1983. 321p. THESIS G-11

GAY, James Thomas

American fur seal diplomacy. Ph.D., University of Georgia, 1971. 213p. THESIS G-6

GELATT, Thomas Scott

Activity patterns and time budgets of sea otters at Amchitka Island, Alaska. M.S., University of Minnesota, 1996. 87p. THESIS G-23

GELATT, Thomas Scott

The reproductive success, relatedness, and the mating system of Weddell seals in McMurdo Sound, Antarctica. Ph.D., University of Minnesota, 2001. 135p. THESIS G-29

GENDRON LANIEL, Diane

Relation between the abundance of euphausiids and the blue whale (*Balaenoptera musculus*) in the Gulf of California. M.S., Instituto Politecnico Nacional, Centro Interdisciplinario de Ciencias Marinas (CICIMAR), 1990. In Spanish. 64p. THESIS G-21

GENTRY, Roger Lee

Social behavior of the Steller sea lion. Ph.D., University of California, Santa Cruz, 1970. 113p. THESIS G-2

GERACI, Joseph R.

The effects of thiaminase-fish ingestion on the physiology and ecology of the harp seal, *Pagophilus groenlandicus*. Ph.D., McGill University, 1970. 144p. THESIS G-3

GERBER, Leah R.

Endangered Species Act decision making in the face of scientific uncertainty: a case study of the Steller sea lion. M. Marine Affairs, University of Washington, 1993. 107p. THESIS G-18

GERBER, Leah R.

Risk analysis and use of stochastic population models for determining Endangered Species Act status of North Pacific marine mammals. Ph.D., University of Washington. 1998. 140p. THESIS G-30

GILBERT, James Robert

The biology and distribution of seals in Antarctic pack ice. Ph.D., University of Idaho, 1974. 126p. THESIS G-5

GISH, Sheri Lynn

A quantitative description of two-way acoustic communication between captive Atlantic bottlenosed dolphins (*Tursiops truncatus* Montagu). Ph.D., University of California, Santa Cruz, 1979. 133p. THESIS G-7

GISINER, Robert C.

Male territorial and reproductive behavior in the Steller sea lion, *Eumetopias jubatus*. Ph.D., University of California, Santa Cruz, 1985. 145p. THESIS G-9

GIVENS, Geof H.

A Bayesian framework and importance sampling methods for synthesizing multiple sources of evidence and uncertainty linked by a complex mechanistic model. Ph.D., University of Washington, 1993. 157p. THESIS G-17

GODARD, Celine Alexia Josseline

Novel cytochrome P450 1 genes in marine vertebrates: characterization and expression of multiple CYP1B genes in the fish *Stenotomus chrysops* and of CYP1A1 and CYP1B1 in the cetacean *Stenella coeruleoalba*. Ph.D., Texas Tech University, 2000. 151p. THESIS G-32

GOEBEL, Michael E.

Northern fur seal lactation, attendance and reproductive success in two years of contrasting oceanography. Ph.D., University of California, Santa Cruz, 2002. 213p. THESIS G-33

GOEBEL-DIAZ, Camille Anne

The relationship between age and spermatogenesis in the male short-finned pilot whale, *Globicephala macrorhynchus*. M.S., University of Washington, 1986. 97p. THESIS G-13

GOETZ, Betty J.

Harbor porpoise (*Phocoena*, L.) movements in Humboldt Bay, California and adjacent ocean waters. M.A., Humboldt State University, 1983. 118p. THESIS G-8

GOFORTH, Harold Walton, Jr.

Glycogenolytic responses and force production characteristics of a bottlenose dolphin (*Tursiops truncatus*), while exercising against a force transducer. Ph.D., University of California, Los Angeles, 1986. 144p. THESIS G-26

GOLDBLATT, Craig J.

Accumulation of heavy metals in northern fur seals (*Callorhinus ursinus*). M.S., Pennsylvania State University, 1977. 45p. THESIS G-1

GOLDSWORTHY, Simon David

Maternal care in three species of southern fur seal (*Arctocephalus* spp.). Ph.D., Monash University, 1992. 182p. THESIS G-22

GONG, Yeong

Distribution and movement of Pacific saury, *Colabis saira* (Brevoort), in relation to oceanographic conditions in waters off Korea. Ph.D., University of Tokyo, 1984. In English. 160p. THESIS G-12

GOODALE, Donna Rodes

The temporal and geographic distribution of humpback, finback and right whale calves. M.S., University of Rhode Island, 1981. 92p. THESIS G-14

GOODYEAR, Jeffrey D.

Night behavior and ecology of humpback whales (*Megaptera novaeangliae*) in the western North Atlantic. M.S., San Jose State University, 1989. 70p. THESIS G-16

GOODYEAR, Jeffrey Dexter

Significance of feeding habitats of North Atlantic right whales based on studies of diel behaviour, diving, food ingestion rates, and prey. Ph.D., University of Guelph, 1996. 269p. THESIS G-24

GRAY, Charlotte D.

A spatial analysis of bottlenose dolphins, *Tursiops truncatus*, and shrimp trawling activity in the Gulf of Mexico. M. Environmental Management, Duke University, 1999. 25p. + figures. THESIS G-36

GRAYCAR, Paul Joseph

Whistle dialects of the Atlantic bottlenosed dolphin, *Tursiops truncatus*. Ph.D., University of Florida, 1976. 90p. THESIS G-10

GREEN, Katherine Anne

Simulation of the pelagic ecosystem of the Ross Sea, Antarctica: a time varying compartmental model. Ph.D., Texas A&M University, 1975. 187p. THESIS G-20

GREGORY, Michael Lance

On water oil spill response systems following the Exxon Valdez. M. Marine Affairs, University of Washington, 1993. 162p. THESIS G-19

GREGR, Edward James

An analysis of historic (1908-1967) whaling records from British Columbia, Canada. M.S., University of British Columbia, 2000. 104p. THESIS G-28

GRIBEN, Michel Raoul

A study of the intermixture of subadult male fur seals *Callorhinus ursinus* (Linnaeus 1758) between the Pribilof Islands of St. George and St. Paul, Alaska. M.S., University of Washington, 1979. 191p. THESIS G-4

GUAN, Shane

Acoustic behavior of bottlenose dolphins (*Tursiops truncatus*) in a salt marsh estuary in South Carolina. MS., University of Charleston, South Carolina, 1998. 158p. THESIS G-27

HAGER, Carl Allen

Modeling the performance of the Pt Sur hydrophone array in localizing blue whales. Master=s thesis. Naval Postgraduate School, Monterey, California, 1997. 38p. THESIS H-49

HALEY, Michael Peter

Fighting and dominance in male northern elephant seals. Ph.D., University of California, Santa Cruz, 1990. 89p. THESIS H-24

HALL, John David

Aspects of the natural history of cetaceans of Prince William Sound, Alaska. Ph.D., University of California, Santa Cruz, 1981. 148p. THESIS H-5

HAMILTON, Jonna L.

Functional morphology of tailstock blubber of the harbor porpoise (*Phocoena phocoena*). M.S. University of North Carolina at Wilmington. 1999. 62p. THESIS H-42

HAMPEL, Frank Rudolph

Contributions to the theory of robust estimation. Ph.D., University of California, Berkeley, 1968. 103p. THESIS H-6

HAMMILL, Michael O.

Ecology of the ringed seal (*Phoca hispida* Shreber) in the fast-ice of Barrow Strait, Northwest Territories. Ph.D., McGill University, 1987. 108p. THESIS H-26

HANAN, Doyle Alan

Dynamics of abundance and distribution for Pacific harbor seal, *Phoca vitulina richardsi*, on the coast of California. Ph.D., University of California, Los Angeles, 1996. 158p. THESIS H-34

HANSEN, John C.

Marine algal nutrient regeneration: the enrichment of the water surrounding Año Nuevo Island, California by pinnipeds. M.A., Fresno State College, 1972. 52p.+ THESIS H-3

HANSEN, Judith E.

Nutrient enrichment and marine algae: the effects of pinniped excreta on the marine benthic algae of Año Nuevo Point, California. M.A., Fresno State College, 1972. 72p. THESIS H-4

HANSEN, Larry Joseph

Population biology of the coastal bottlenose dolphin (*Tursiops truncatus*) of Southern California. M.A., California State University, Sacramento, 1983. 104p. THESIS H-11

HANSEN, Stephen E.

White whale (*Delphinapterus leucas*) distribution and abundance in relation to water temperature, salinity, and turbidity in the Churchill River Estuary. M.S., Laurentian University, 1987. 150p. THESIS H-29

HANSON, Linda C.

The foraging ecology of harbor seals, *Phoca vitulina*, and California sea lions, *Zalophus californianus*, at the mouth of the Russian River, California. M.A., Sonoma State University, 1993. 70p. THESIS H-32

HANSON, M. Bradley

Habitat use and den ecology of black bears on Mitkof Island, southeast Alaska. M.S., University of Washington, 1988. 144p. THESIS H-35

HÄRKÖNEN, Tero

Feeding ecology and population dynamics of the harbour seal (*Phoca vitulina*) in Kattegat-Skagerrak. Ph.D., University of Göteborg, 1987. v.p. THESIS H-13

HARMON, Heather Louise

Seasonal reproductive endocrinology and anatomy of the Steller sea lion (*Eumetopias jubatus*). M.S., University of Alaska, Fairbanks, 2001. 133p. THESIS H-52

HARRIS, Colin Keith

The effects of international treaty changes on Japan's high seas salmon fisheries, with emphasis on their catches of North American sockeye salmon, 1972-1984. Ph.D., University of Washington, 1989. 231p. THESIS H-19

HARTMAN, Daniel Stanwood

Behavior and ecology of the Florida manatee, *Trichechus manatus latirostris* (Harlan), at Crystal River, Citrus county. Ph.D., Cornell University, 1971. 285p. THESIS H-2

HARVEY, James T.

Population dynamics, annual food consumption, movements, and dive behaviors of harbor seals, *Phoca vitulina richardsi*, in Oregon. Ph.D., Oregon State University, 1987. 177p. THESIS H-15

HARWOOD, Lois Anne

Distribution of ringed seals in the southeast Beaufort Sea during late summer. M.S., University of Alberta, 1989. 131p. THESIS H-47

HAWES, Darlene

An evaluation of California sea lion scat samples as indicators of prey importance. M.A., San Francisco State University, 1983. 35p.+ THESIS H-7

HAWKINSON, Craig Allen

Feeding ecology of gray whales in Agate Bay, California, summers 1990 and 1991. M.S., San Jose State University, 1992. 45p. THESIS H-27

HAWVERMALE, Mary Pratt

Identification of individual fin whales, its use and technique. M.S., Southern Connecticut State University, 1988. 49p. THESIS H-17

HAY, Keith Alexander

The life history of the narwhal (*Monodon monoceros* L.) in the eastern Canadian Arctic. Ph.D., McGill University, Montreal, Quebec, Canada, 1984. 255p. THESIS H-45

HAY, Keith Alexander

Population biology of the narwhal (*Monodon monoceros* L.) in the eastern Canadian Arctic. Ph.D., McGill University, Montreal, Quebec, Canada, 1980. 243p. THESIS H-44

HAYES, Sean Arthur

Mating strategies and reproductive success of the male Pacific harbor seal (*Phoca vitulina richardsi*). Ph.D., University of California, Santa Cruz, 2002. 144p. THESIS H-48

HEATH, Carolyn B.

The behavioral ecology of the California sea lion, *Zalophus californianus*. Ph.D., University of California, Santa Cruz, 1989. 255p. THESIS H-20

HEIDE-JØRGENSEN, Mads Peter

Contribution to the ecology of marine mammals (Introduction and overview of 25 scientific publications submitted to the University of Copenhagen for the achievement of the doctoral degree (Dr. Scient.) from the Faculty of Natural Sciences). Ph.D., University of Copenhagen, 1995, Greenland Institute of Natural Resources, 1996. 36p. THESIS H-37

HENDERSON, Herman Francis

Orientation of pelagic fishes: (I) optical problems, (II) sonic tracking. Ph.D., University of Wisconsin. 1963. 135p. THESIS H-43

HENNEN, Daniel Reneau

The Steller sea lion (*Eumetopias jubatus*) decline and the Gulf of Alaska/Bering Sea commercial fishery. Ph.D., Montana State University, Bozeman, 2004. 207p. THESIS H-50

HENNESSY, Scott L.

The intestinal parasites and diet analysis of the southern seal otter. M.A., California State University, Hayward, 1972. 44p. THESIS H-12

HERDER, Michael J.

Seasonal movements and hauling site fidelity of harbor seals, *Phoca vitulina richardsi* [sic], tagged at the Klamath River, California. M.A., Humboldt State University, 1986. 52p. THESIS H-10

HIGGINS, Lesley Vivian

Maternal behavior and attendance patterns of the Steller sea lion in California. M.S., University of California, Santa Cruz, 1984. 37p. THESIS H-8

HIGGINS, Lesley Vivian

Reproductive behavior and maternal investment of Australian sea lions. Ph.D., University of California, Santa Cruz, 1990. 126p. THESIS H-22

HILL, Philip Scott

The Cook Inlet stock of beluga whales: a case for co-management. M. Marine Affairs, University of Washington, 1996. 107p. THESIS H-33

HILL, Suzanne Elaine Braun

Reproductive ecology of Weddell seals (*Leptonychotes weddelli*) in McMurdo Sound, Antarctica. Ph.D., University of Minnesota, 1987. 106p. THESIS H-14

HILLS, Susan

The effect of spatial and temporal variability on population assessment of Pacific walrus. Ph.D., University of Maine, 1992. 120p. THESIS H-46

HINCKLEY, Sarah

Biophysical mechanisms underlying the recruitment process in walleye pollock (*Theragra chalcogramma*). Ph.D., University of Washington, 1999. 259p. THESIS H-39

HINCKLEY, Sarah

Spawning dynamics and fecundity of walleye pollock (*Theragra chalcogramma*) in the eastern Bering Sea. M.S., University of Washington, 1986. 104p. THESIS H-9

HIRONS, Any Christia

Trophic dynamics of pinniped populations in Alaska using stable carbon and nitrogen isotope ratios. Ph.D., University of Alaska, Fairbanks, 2001. 143p. THESIS H-53

HIRUKI, Lisa Machiko

The significance of wounding to the survival of the Hawaiian monk seal *Monachus schauinslandi*. M.S., University of Alberta, 1991. 94p. THESIS H-30

HOBBS, Roderick C.

Dynamics of an age-population with dispersing larvae and density dependent recruitment, the Dungeness crab (*Cancer magister*). Ph.D., University of California, Davis, 1992. 82p. THESIS H-28

HOEMAN, James Christopher

The distribution and ecology of three species of crangonid shrimp in Grays Harbor, Washington, and their susceptibility to entrainment by dredges. M.S., University of Washington, 1982. 135p. THESIS H-21

HOFMAN, Robert Joseph

Distribution patterns and population structure of Antarctic seals. Ph.D., University of Minnesota, 1975. 155p. THESIS H-1

HOHN, Aleta Ann

Variation in life-history traits: the influence of introduced variation. Ph.D., University of California, Los Angeles, 1989. 123p. THESIS H-23

HOLLOWED, Anne Babcock.

Recruitment of marine fishes in the northeast Pacific Ocean in relation to interannual variations in the environment. Ph.D., University of Washington, 1990. 281p. THESIS H-51

HOOD, Wendy Renee

The effects of El Niño on maternal attendance patterns and pup behavior in the Steller sea lion during population decline. B.A. Senior Thesis, University of California, Santa Cruz, 1993. 29p. THESIS H-25

HOOKE, Sascha K.

Resource and habitat use of northern bottlenose whales in the Gully: ecology, diving and ranging behaviour. Ph.D., Dalhousie University, Halifax, NS, Canada, 1999. 211p. THESIS H-41

HOOVER, Agnes Anne

Behavior and ecology of harbor seals (*Phoca vitulina richardsi*) inhabiting glacial ice in Aialik Bay, Alaska. M.S., University of Alaska, 1983. 133p. THESIS H-16

HORNING, Markus

Die Ontogenese des Tauchverhaltens beim Galapagos Seebaren *Arctocephalus glapagoensis* (Heller 1904) [Ontogeny of diving behavior in Galapagos fur seals *Arctocephalus glapagoensis* (Heller 1904)]. Ph.D., University of Bielefeld, Germany, 1992. In German. 101p. THESIS H-36

HUBER, Harriet R.

The abundance of harbor seals (*Phoca vitulina richardsi*) in Washington, 1991-1993. M.S., University of Washington, 1995. 56p. THESIS H-31

HUCKE GAETE, Rodrigo

Dinámica poblacional del lobo fino antártico (*Arctocephalus gazella* (Peters, 1875)) en el Sitio de Especial Interés Científico No. 32, isla Livingston, Shetland del Sur, Antártica: 1957-1999 (Population dynamics of Antarctic fur seal (*Arctocephalus gazella* (Peters, 1875)) at Site of Special Scientific Interest No. 32, Livingston Island, South Shetlands, Antarctica: 1957-1999). M.S., Universidad Austral de Chile, Valdivia, Chile, 1999. In Spanish. 66p. THESIS H-40

HUELSBECK, David R.

Mammals and fish in the subsistence economy of Ozette. Ph.D., Washington State University, 1983. 167p. THESIS H-18

HUGHES, Kelly

The status of the harbour porpoise (*Phocoena phocoena*) in UK waters. M.S., University of Greenwich, London. 1998. 156p. THESIS H-38

IANELLI, James N.

Studies on the population structure of skipjack tuna, *Katsuwonus pelamis*, in the central and eastern Pacific Ocean. Ph.D., University of Washington, 1993. 211p. THESIS I-2

INSLEY, Stephen James

Studies of mother-offspring vocal recognition in the northern fur seal. Ph.D., University of California, Davis, 1996. 78p. THESIS I-4

INSLEY, Stephen James

Vocal recognition between mothers and pups in the northern elephant seal (*Mirounga angustirostris*) and northern fur seal (*Callorhinus ursinus*). M.S., University of Victoria, 1989. 157p. THESIS I-1

ITO, Daniel Henry

Assessing shorttraker and rougheye rockfishes in the Gulf of Alaska: addressing a problem of habitat specificity and sampling capability. Ph.D., University of Washington, 1999. 205p. THESIS I-5

IVERSON, Sara Jane

Composition, intake and gastric digestion of milk lipids in pinnipeds. Ph.D., University of Maryland, 1988. 198p. THESIS I-3

JACKSON, Terry Doyle

Cost-effectiveness of management activities related to the interaction between the California sea lion and the southern California shark gill net fishery. M.S., Naval Postgraduate School, U.S. Department of the Navy, 1983. 88p. THESIS J-4

JAMESON, Ronald J.

An evaluation of attempts to reestablish the sea otter in Oregon. M.S., Oregon State University, 1975. 66p. THESIS J-1

JANSEN, John Kevin

Ecological constraints on chinstrap penguin (*Pygoscelis antarctica*) foraging behavior: the role of diel and seasonal light changes. M.S., University of Oregon, 1996. 90p. THESIS J-5

JEFFERSON, Thomas Allen

Sexual dimorphism and development of external features in Dall=s porpoise (*Phocoenoides dalli*). M.S., San Jose State University, 1989. 20p. THESIS J-3

JEFFERTS, Katherine

Zoogeography and systematics of cephalopods of the northeastern Pacific Ocean. Ph.D., Oregon State University, 1982. 291p. THESIS J-2
J-7

JEMISON, Lauri A.

Recent history and demography of harbor seals on Tugidak Island, Alaska. M.S., University of Alaska, Fairbanks, 1987. 82p. THESIS J-6

JONES, Christopher

Investigations of prey and habitat use by the river otter, *Lutra canadensis*, near San Juan Island, Washington. M.S. Western Washington University, 2000. 40p. THESIS J-8

JONES, Sangita A.

Balancing national security concerns and marine mammal protection under the MMPA: the SURTASS LFA case study. M. Marine Affairs, University of Washington, 1998. 121p. THESIS J-7

JURADO-MOLINA, Jesus

A multispecies approach to stock assessment in the Bering Sea. Ph.D., University of Washington, 2001. 228p. THESIS J-9

KAJIMURA, Hiroshi

Opportunistic feeding of the northern fur seal *Callorhinus ursinus*, in the eastern North Pacific Ocean and eastern Bering Sea. Ph.D., University of Tokyo, 1982. In English. 150p. THESIS K-4

KANATOUS, Shane B.

High aerobic capacities in the skeletal muscles of seals, sea lions and fur seals: adaptations to diving hypoxia? Ph.D., Texas A&M University, 1997. 92p. THESIS K-18

KASCHNER, Kristin

Acoustic analysis techniques to study the behavior of cetaceans in the vicinity of pelagic trawl nets. B.D., Albert Ludwigs University, Freiburg i. br. 1997. In English. 86p. THESIS K-21

KAZA, Stephanie

A systems approach to resource management in marine mammal-fisheries conflicts. Ph.D., University of California, Santa Cruz, 1979. 329p. THESIS K-1

KEITH, Edward Oliver

Glucose metabolism in fasting northern elephant seal pups. Ph.D., University of California, Santa Cruz, 1984. 101p. THESIS K-6

KELLY, Brendan Patrick

Population and ecological genetics of pelage polymorphism in Pacific harbor seals. M.S., University of Alaska, Fairbanks, 1979. 58p. THESIS K-8

KENNEY, Mary Kathryn

Harbor seal population trends and habitat use in Maine. M.S., in Wildlife Ecology. University of Maine, 1994. 54p. THESIS K-15

KEPLE, Alison Ruth

Seasonal abundance and distribution of marine mammals in the southern Strait of Georgia, British Columbia, M.S., University of British Columbia, 2002. 84p. THESIS K-24

KHAN, Christin Brangwynne

Vocal development in harbor seal pups, *Phoca vitulina*. M.A., San Francisco State University, 2004. 60p. THESIS K-25

KIECKHEFER, Thomas Ridgway

Feeding ecology of humpback whales in continental shelf waters near Cordell Bank, California. M.S., San Jose State University, 1992. 86p. THESIS K-10

KINAS, Paul G.

Bayesian statistics for fishery stock assessment and management. Ph.D., Statistics, University of British Columbia, 1993. 143p. THESIS K-12

KINEON, Forsyth Patterson

Acoustic thermometry of ocean climate: a case study in the effect of political pressures on science. M. Marine Affairs, University of Washington, 1996. 100p. THESIS K-16

KING, Cynthia Anne

Organochlorines in bottlenose dolphins (*Tursiops truncatus*) and pygmy sperm whales (*Kogia breviceps*) from southeastern Florida. M.S., University of Miami, 1987. 92p. THESIS K-5

KIRBY, Vicky Lee

The regulation of fuel homeostasis in young northern elephant seals. Ph.D., University of California, Santa Cruz, 1992. 157p. THESIS K-11

KNOWLTON, Amy Richardson

The regulation of shipping to protect North Atlantic right whales: need and feasibility. M. Marine Affairs. University of Rhode Island. 1997. 188p. THESIS K-23

KNUDTSON, Peter M.

Mother-pup behavior within a pupping colony of harbor seals (*Phoca vitulina richardi* [sic]) in Humboldt Bay, California. M.A., California State University, Humboldt, 1974. 42p. THESIS K-2

KOOYMAN, Gerald Lee

Polar adaptation of the Weddell seal, *Leptonychotes weddelli*, Lesson. Ph.D., University of Arizona, 1966. 124p. THESIS K-3

KOVACS, Kathleen Maureen

Maternal investment and early behavioural development in harp (*Phoca groenlandica*) and grey seals (*Halichoerus grypus*). Ph.D., University of Guelph, 1986. 193p. THESIS K-9

KREITON, Kerry Jo

Bowhead whale (*Balaena mysticetus*) biosterometrics. M.S., University of Maine, 1990. 73p. THESIS K-17

KRIETE, Birgit

Bioenergetics of the killer whale, *Orcinus orca*. Ph.D., University of British Columbia, 1995. 138p. THESIS K-20

KROLL, Adeline M.

Haul out patterns and behavior of harbor seals, *Phoca vitulina*, during the breeding season at Protection Island, Washington. M.S., University of Washington, 1993. 142p. THESIS K-7

KRUTZIKOWSKI, Gregory K.

Dive and surfacing behavior of bowhead whales (*Balaena mysticetus*) monitored by satellite-telemetry. M.S., Oregon State University, 1996. 152p. THESIS K-19

KUCEY, Laura.

Human disturbance and the hauling out behaviour of Steller sea lions (*Eumetopias jubatus*). M.S., University of British Columbia, 2005. 67p. THESIS K-26

KUMAGAI, Saeko

Seasonal differences in physiology of captive Steller sea lions (*Eumetopias jubatus*) in response to short-term low energy intake. M.S., University of British Columbia, 2004. 95p. THESIS K-27

KURLE, Carolyn Mary

Stable isotope assessment of temporal and geographic differences in feeding ecology of northern fur seals. M.S. Texas A&M University, 1998. 62p. THESIS K-22

KVITEK, Rikk G.

Sea otters and paralytic shellfish poisoning toxins in soft-bottom communities: influence and interactions. Ph.D., University of Washington, 1990. 280p. THESIS K-13

KRUSE, Susan L.

Aspects of the biology, ecology, and behavior of Risso's dolphins (*Grampus griseus*) off the California coast. M.S., University of California, Santa Cruz. 1989. 120p. THESIS K-14

LAAKE, Jeffrey Lee

Catch-effort models and their applications to elk in Colorado. Ph.D., Colorado State University, 1992. 104p. THESIS L-11

LADRON DE GUEVARA-PORRAS, Paloma

The humpback whale, *Megaptera novaeangliae* (Borowski 1781) in Bahia de Bandera, Nayarit-Jalisco, Mexico, (Cetacea: Balaenopteridae). Senior thesis. Universidad Nacional Autonoma de Mexico, 1995. In Spanish. 155p. THESIS L-13

LAIDRE, Kristin L.

Space use patterns of narwhals (*Monodon monoceros*) in the high Arctic. Ph.D., University of Washington, 2003. 166p. THESIS L-24

LAMB, Mardon Clark

Observations on the embryonic development of the mandibular dentition in the Alaskan fur seal. M.S., University of Washington, 1962. 57p. THESIS L-10

LAMONT, Margaret M.

Genetic substructure of Pacific harbor seals (*Phoca vitulina richardsi*) off Washington, Oregon, and California. M.S., California State University, Stanislaus and Moss Landing Marine Laboratories, 1995. 44p. THESIS L-16

LANGBAUER, William Richard, Jr.

Prerequisites for language in a porpoise? Ph.D., Boston University Graduate School, 1982. 89p. THESIS L-6

LARKIN, Iskande Lieve Vandevelde

Reproductive endocrinology of the Florida manatee (*Trichechus manatus latirostris*): estrous cycles, seasonal patterns and behavior. Ph.D., University of Florida, 2000. 339p. THESIS L-20

LEA, Mary-Anne

The foraging activity and provisioning strategies of Antarctic fur seals in relation to changes in oceanographic conditions at the Kerguelen Archipelago. Ph.D., University of Tasmania, 2002. 177p. THESIS L-27

LEATHERWOOD, James Stephen

Distributional ecology and conservation status of river dolphins (*Inia geoffrensis* and *Sotalia fluviatilis*) in portions of the Peruvian Amazon. Ph.D., Texas A&M University, 1996. 233p. THESIS L-17

LEDDER, Diane Alison

Food habits of the West Indian manatee, *Trichechus manatus latirostris*, in south Florida. M.S., University of Miami, 1986. 114p. THESIS L-8

LEDINGHAM, R. B.

The biology of the leopard seal *Hydrurga leptonyx* (de Blainville) with special reference to Macquarie Island. Diploma of Polar Studies, Scott Polar Research Institute, 1979. 107p. THESIS L-12

LEMERANDE, Tobias J.

Transmitting beam patterns of the Atlantic bottlenose dolphin (*Tursiops truncatus*): investigations in the existence and use of high frequency components found in echolocation signals. Master's thesis. Naval Postgraduate School, Monterey, California, 2002. 130p. THESIS L-23

LEROUX, Nicole

What are biological species? The impact of the current debate in taxonomy on the species problem. M.A., in Philosophy. McGill University. 1993. 133p. THESIS L-14

LENSINK, Calvin Jay

The history and status of sea otters in Alaska. Ph.D., Purdue University, 1962. 216p. THESIS L-7

LESAGE, Véronique

Trophic relationships, seasonal diving activity and movements of harbour seals, *Phoca vitulina concolor*, in the St Lawrence River Estuary, Canada. Ph.D., University of Waterloo, 1999. 231p. THESIS L-26

LEVARDBSEN, Norman Oley

A review of Alaska fur seal history and sealing methods. M.S., Cornell University, 1946. 87p. THESIS L-5

LEWIS, Jonathan P.

An evaluation of a census-related disturbance of Steller sea lions. M.S., University of Alaska, 1987. 93p. THESIS L-9

LEWIS, Mirtha Noemi.

Dinamica poblacional del elefante marino del sur (*Mirounga leonina*) - en Peninsula Valdes, Chubut. Doctor en Ciencias Veterinarias, Universidad Nacional de La Plata, 1998. 107p. THESE L-25

LISHMAN, Gavin

The comparative breeding biology, feeding ecology and bioenergetics of Adelie and chinstrap penguins. Ph.D., University of Oxford, 1983. 322p. THESIS L-15

LINEN, E.H.

The future of an ecosystem regulatoin under the CCAMLR regime: The potential impacts of environmental variability on krill management in the southern ocean. M. Mar. Affairs, University of Washington, 1998. 115p. THESIS L-26

LINDER, Eric T.

Spatio-temporal variation of the distribution of bird species. Ph.D., Brigham Young University, 1999. 128p. THESIS L-18

LITZKY, Laura K.

Monitoring recovery status and age structure of Cook Inlet, Alaska belugas by skin color determination. M.S., University of Washington. 2001. 76p. THESIS L-22

LOEB, Valerie Jean

A study of the distribution and feeding habits of the Dall porpoise in Monterey Bay, California. M.A., San Jose State College, 1972. 62p. THESIS L-3

LOPEZ-SANCHEZ, Jose Luis

Aspectos de la morfometria de los delfines moteados costeros (*Stenella attenuata graffmani* Lonnberg, 1934) y de alta mar (*Stenella attenuata* Gray, 1846) del Oceano Pacifico oriental tropical (Aspects on the morphometry of coastal and offshore spotted dolphins in the eastern tropical Pacific Ocean) B.S. Universidad Nacional Autonoma de Mexico. 1998. In Spanish. 125p. THESIS L-19

LOUGHLIN, Thomas R.

Activity patterns, habitat partitioning, and grooming of the sea otter, *Enhydra lutris*, in California. Ph.D., University of California, Los Angeles, 1977. 110p. THESIS L-1

LOUGHLIN, Thomas R.

The distribution and ecology of the harbor seal in Humboldt Bay, California. M.A., Humboldt State University, 1974. 71p. THESIS L-4

LUNN, Nicholas John

The ecological significance of supplemental food to polar bears on land during the ice-free period in western Hudson Bay. M.S., University of Alberta, 1985. 95p. THESIS L-21

LYONS, Eugene T.

Biology of the hookworm, *Uncinaria lucasi* Stiles, 1901, in the northern fur seal, *Callorhinus ursinus* Linn. on the Pribilof Islands, Alaska. Ph.D., Colorado State University, 1963. 98p. THESIS L-2

MackENZIE, William Hoit

A study of international attempts to conserve the fishery resources of the seas: problems and proposals. M.A., University of Maine, Orono, 1971. 56p. THESIS M-6

MacLEAN, Stephen Ahgeak

Occurrence, behavior and genetic diversity of bowhead whales in the western Sea of Okhotsk, Russia. M.S., Texas A&M University, 2002. 114p. THESIS M-45

MacLEOD, Colin D.

Niche partitioning, distribution and competition in North Atlantic beaked whales. Ph.D., University of Aberdeen, Aberdeen, UK, 2005. 265p. THESIS M-50

MACY, Suzanne Kay

Mother-pup interactions in the northern fur seal. Ph.D., University of Washington, 1982. 155p. THESIS M-5

MADER, Tracey Rae

Temporal variation in leopard seal presence and predation near an Antarctic penguin rookery. M.S., Montana State University - Bozeman, 1998. 46p. THESIS M-34

MAJLUF, Maria Patricia J., Chiok

Reproductive ecology of female South American fur seals at Punta San Juan. Ph.D., University of Cambridge, 1987. 127p. THESIS M-22

MALAVEAR, Maria Yolanda Garcia

Modeling the energetics of Steller sea lions (*Eumetopias jubatus*) along the Oregon coast. M.S., Oregon State University, 2002. 114p. THESIS M-46

MALONE, David A.

Endangered Species Act injunctive jurisprudence in the Ninth Circuit: a call for clarity in the wake of salmonid listings. M. Marine Affairs. University of Washington. 2000. 75p. THESIS M-38

MARESH, Jennifer L.

Analysis of North Atlantic right whale swimming behavior during bottom foraging events to assess entanglement risk. M. Environmental Management, Duke University, 2005. 39p. THESIS M-47

MARMONTEL, Miriam

The reproductive anatomy of the female manatee *Trichechus manatus latirostris* (Linnaeus 1758) based on gross and histological observations. M.S., University of Miami, Coral Gables, 1988. 91p. THESIS M-18

MARZIN, Catherine G.

Alternative management options for the recovery of the California sea otter population: an interdisciplinary approach. M. Marine Affairs, University of Washington, 1996. 142p. THESIS M-33

MATE, Bruce Reed

Population kinetics and related ecology of the northern sea lion, *Eumetopias jubatus* and the California sea lion, *Zalophus californianus*, along the Oregon coast. Ph.D., University of Oregon, 1973. 94p THESIS M-4

MATHEWS, Elizabeth Ann

Multiple use of skin biopsies collected from free-ranging gray whales (*Eschrichtius robustus*): sex chromatin analysis, collection and processing for cell culture, microbiological analysis of associated microorganisms, behavioral response of whales to biopsying, and future prospects for using biopsies in genetic and biochemical studies. M.S., University of California, Santa Cruz, 1986. 118p. THESIS M-14

MATTLIN, Robert H.

Population biology, thermoregulation and site preference of the New Zealand fur seal, *Arctocephalus forsteri* (Lesson, 1828), on the Open Bay Islands, New Zealand. Ph.D., University of Canterbury, 1978. 179p. THESIS M-2

MAU, Tamara Lynn

Investigations of the role of lipids in marine mammal diets, health and ecology. Ph.D., University of Alaska, Fairbanks, 2004. 146p. THESIS M-52

MAZZUCA, Lori Lee

Potential effects of low frequency sound (LFS) from commercial vessels on large whales. M. Marine Affairs. University of Washington. 2001. 70p. THESIS M-39.

McCRONE, Lawrence Edward

Diel vertical migration and feeding behavior of some mesopelagic fishes in the eastern subarctic Pacific Ocean. Ph.D., University of Washington, 1981. 215p. THESIS M-19

McDERMOTT, Susanne Finckh

Improving abundance estimation of a patchily distributed fish, Atka mackerel (*Pleurogrammus monopterygius*). Ph.D., University of Washington, 2003. 149p. THESIS M-48

McDERMOTT, Susanne Finckh

Reproductive biology of rougheye and shortraker rockfish, *Sebastes aleutianus* and *Sebastes borealis*. M.S., University of Washington, 1994. 76p. THESIS M-26

McDEVITT, Sandra A.

Growth analysis of sablefish (*Anoplopoma fimbria*) from mark-recapture data from the Northeast Pacific. M.S., University of Washington, 1990. 87p. THESIS M-49

McGILVREY, Frank Byron

The activities of the idle males on the breeding grounds of the Alaska fur seal on St. George Island, Alaska. M.S., Oregon State College, 1957. 64p. THESIS M-1

McLAUGHLIN, Patsy Ann

The hermit crabs of the genus *Pagurus* (Crustacea: Decapoda: Paguridae) from northwestern North America, with a partial revision of the genus. Ph.D., George Washington University, 1972. 554p. THESIS M-15

MCPHEE, Jan M.

Heart rate as a monitor for metabolic rate in captive juvenile Steller sea lions (*Eumetopias jubatus*). M.S. University of British Columbia, 2001. 86p. THESIS M-42

MEAD, Giles Willis, Jr.

The food habits of the North Pacific fur seal in Japanese waters, with a study of the fishes found on the feeding grounds. Ph.D., Stanford University, 1973. 138p. THESIS M-3

MEHTA, Ameer V.

How important are baleen whales as prey for killer whales (*Orcinus orca*) in high latitudes? M.A., Boston University, 2004. 48p. THESIS M-51

MELIN, Sharon Ruth

Winter and spring attendance patterns of California sea lion (*Zalophus californianus*) females and pups at San Miguel Island, California, 1991-1994. M.S., University of Washington, 1995. 67p. THESIS M-31

MELIN, Sharon Ruth

The foraging ecology and reproduction of the California sea lion (*Zalophus californianus californianus*). Ph.D., University of Minnesota, 2002. 150p. THESIS M-43

MELLISH, Jo-Ann Elizabeth

Physiology of milk fat secretion and neonatal fat deposition during lactation in phocid seals. Ph.D., Dalhousie University, 1999. 250p. THESIS M-37

MERRICK, Richard

The relationship of the foraging ecology of Steller sea lions (*Eumetopias jubatus*) to their population decline in Alaska. Ph.D., University of Washington, 1995. 172p. THESIS M-32

MERRICK, Richard L.

Behavioral and demographic characteristics of northern sea lion rookeries. M.S., Oregon State University, 1987. 125p. THESIS M-17

MERRICK, Richard Leslie

Observations on the status of the northern sea lion population in Alaska. M.S., Oregon State University, 1984. 38p.+ appendices. THESIS M-12

MEYERS, David F.

Model comparison for two populations of killer whales, *Orcinus orca*. M.S., Humboldt State University, 1990. 83p. THESIS M-24

MICHAUD, Robert

Summer distribution, movements and grouping pattern of beluga whale (*Delphinaptera leucas*) in the St. Lawrence estuary. M.S., Université Laval, 1990. Text in English with French resume and introduction. 71p. THESIS M-25

MILETTE, Linda Leontine

Behaviour of lactating Steller sea lions (*Eumetopias jubatus*) during the breeding season: a comparison between a declining and a stable population in Alaska. M.S., University of British Columbia, 1999. 57p. THESIS M-36

MILLER, Edward H.

Social and thermoregulatory behavior of the New Zealand fur seal, *Arctocephalus forsteri* (Lesson, 1828). M.S., University of Canterbury, Christchurch, New Zealand, 1971. 301p. THESIS M-7

MILLER, Elizabeth Jane

Distribution and behavior of Dall's porpoise (*Phocoenoides dalli*) in Puget Sound, Washington. M.S., University of Washington, 1989. 95p. +appendix. THESIS M-28

MILLER, Robert Victor

A systematic study of the greenside darter, *Etheostoma blennioides* Rafinesque. Ph.D., Cornell University, 1964. 210p.+maps. THESIS M-11

MILLER, Sarah Allen

Movement and activity patterns of harbor seals at the Point Reyes Peninsula, California. M.S., University of California, Berkeley, 1988. 70p. THESIS M-20

MIZROCH, Sally A.

Reproductive rates in Southern Hemisphere baleen whales. M.S., University of Washington, 1983. 103p. THESIS M-10

MODIG, Anders

Social behaviour and reproductive success in southern elephant seal (*Mirounga leonina*). Ph.D., Stockholm University, 1995. In English. v.p. THESIS M-30

MONNETT, Charles Warren

Patterns of movement, postnatal development and mortality of sea otters in Alaska. Ph.D., University of Minnesota, 1988. 134p. THESIS M-21

MONTREUIL, Paul L. J.

Acanthocephala of seals at the Magdalen Islands. M.S., McGill University, 1955. 117p. THESIS M-8

MOORE, Lori Barck

Ascorbic acid biosynthesis in certain species of marine mammals. Ph.D., University of California, 1980. 116p. THESIS M-13

MOORE, Sue Ellen

Cetacean habitats in the Alaskan Arctic. Ph.D., University of California, San Diego, 1997. 318p. THESIS M-35

MOORE, Therese C.

Estimation of the source signal characteristics and variability of the blue whale calls using a towed array. Master's thesis. Naval Postgraduate School, Monterey California. 1991. 45p. THESIS M-44

MORA PINTO, Diana María

Morphometric variation of the trematodes *Chiorchis fabaceus* and *C. groschafti* parasitic in the West Indian manatee (*Trichechus manatus*). M.M.S. University of Puerto Rico, Mayaguez Campus, 2000. In English. 90p. THESIS M-41

MORIMOTO, Gina E.

The possible effects and management implications of climate variability/change on pinniped-salmonid interactions at low population levels of salmonids. M. Marine Affairs. University of Washington. 2001. 132p. THESIS M-40

MOSES, Elizabeth

Distribution of North Atlantic right whales (*Eubalaena glacialis*) in relation to oceanographic features of the Scotian Shelf. M.S., University of Massachusetts, Amherst, 1995. 53p. THESIS M-29

MOSS, Jennifer

Environmental and biological factors that influence harbor seal (*Phoca vitulina richardsi*) haulout behavior in Washington and their consequences for the design of population surveys. M.S., University of Washington, 1992. 127p. THESIS M-27

MULLIN, Keith Douglas

Comparative seasonal abundance and ecology of bottlenose dolphins (*Tursiops truncatus*) in three habitats of the north-central Gulf of Mexico. Ph.D., Mississippi State University, 1989. 135p. THESIS M-23

MURIE, Debra Jean

Estimating food consumption of free-living harp seals, *Phoca groenlandica* (Erleben 1777). M.S., University of Guelph, 1984. 97p. THESIS M-16

MYRICK, Albert Charles, Jr.

Variation, taphonomy, and adaptation of the Rhabdosteidae (Eurhinodelphidae) (Odontoceti, MAMMALIA) from the Calvert formation of Maryland and Virginia. Ph.D., University of California, Los Angeles, 1979. 411p. THESIS M-9

NAGANUMA, Kenneth Hitoshi

Models in animal physiological ecology--analyses of thermoregulation and wings, energetics and body size. Ph.D., Stanford University, 1990. 243p. THESIS N-6

NAUMAN, Louis W.

The primary structure of the myoglobins of six species of the order Pinnipedia: A comparative study. Ph.D., University of Alaska, 1971. 136p. THESIS N-2

NERINI, Mary K.

Age determination techniques applied to Mysticete whales. M.S., University of Washington, 1983. 51p. THESIS N-4

NETTLETON, Kendra Lee

Cetaceans and sonar: evolution and evaluation of U. S. Navy Policy. M. Marine Affairs, University of Washington, 2006. 85p. THESIS N-15

NEVE, Pia Barner

Narhvalen *Monodon monoceros* L. i Vest Grønland (The narwhal (*Monodon monoceros* L.) in west Greenland. M.S., Københavns Universitet. 1995. In English. v.p. THESIS N-13

NEWBY, Terrell C.

Distribution, population dynamics and ecology of the harbor seal, *Phoca vitulina richardii*, of the southern Puget Sound, Washington. M.S., University of Puget Sound, 1971. 75p. THESIS N-1

NEWBY, Terrell Charles

Life history of Dall porpoise (*Phocoenoides dalli*, True 1885) incidentally taken by the Japanese high seas salmon mothership fishery in the northwestern North Pacific and western Bering Sea, 1978 to 1980. Ph.D., University of Washington, 1982. 155p. THESIS N-3

NICHOL, Linda M.

Seasonal movements and foraging behaviour of resident killer whales (*Orcinus orca*) in relation to the inshore distribution of salmon (*Oncorhynchus* spp.) in British Columbia. M.S., University of British Columbia, 1990. 59p. THESIS N-7

NICHOLS, Thomas Leo.

California shore whaling 1854 to 1900. M.A., California State University, Northridge, 1983. 211p. THESIS N-8.

NICHOLSON, Kenneth Alan

The movement patterns of California sea lions at the Monterey Coast Guard Breakwater. M.S., San Francisco State University, 1986. 42p. THESIS N-5

NOREN, Dawn Page

Balancing the conflicting physiological demands of thermoregulation and diving in the Atlantic bottlenose dolphin, *Tursiops truncatus*. M.S., University of California, Santa Cruz, 1997. 49p. THESIS N-10

NOREN, Dawn Page

Body energy reserve utilization during the postweaning fast of northern elephant seals (*Mirounga angustirostris*): implications for survival. Ph.D., University of California, Santa Cruz, 2002. 151p. THESIS N-11

NOREN, Shawn Ranee

Oxygen stores and acid buffering capacities of cetacean skeletal muscle: a hierarchy in adaptations for maximum dive durations. M.S., University of California, Santa Cruz, 1997. 65p. THESIS N-9

NOREN KRAMER, Shawn Ranee

The ontogeny of diving in bottlenose dolphins (*Tursiops truncatus*). Ph.D., University of California, Santa Cruz, 2002. 132p. THESIS N-12

NORRIS, Thomas F.

Effects of boat noise on the singing behavior of humpback whales (*Megaptera novaeangliae*). M.S., San Jose State University, 1995. 69p. THESIS N-14

ODELL, Daniel Keith

Studies on the biology of the California sea lion and the northern elephant seal on San Nicholas Island, California. Ph.D., University of California, Los Angeles, 1972. 168p. THESIS O-1

ØEN, Egil Ole

Killing methods for minke and bowhead whales. D.M.V., Norwegian College of Veterinary Medicine, Oslo, Norway, 1995. In English. v.p. THESIS O-10

OFTEDAL, Olav Tonnes

Milk, protein and energy intakes of suckling mammalian young: a comparative study. Ph.D., Cornell University, 1981. 456p. THESIS O-6

O'HARA, Robert James

Systematics and the study of natural history, with an estimate of the phylogeny of the living penguins (Aves: Spheniscidae). Ph.D., Harvard University, 1989. 171p. THESIS O-9

OHATA, Carl A.

Behavioral control of body temperature in the California sea lion. M.S., University of Hawaii, 1972. 80p. THESIS O-2

OHATA, Carl A.

Temperature regulation and metabolism in northern fur seal, *Callorhinus ursinus*. Ph.D., University of Alaska, 1976. 88p. THESIS O-3

OKAMOTO, Toshikazu

Multiparous changes in the female reproductive organs of the fur seal. M.S., Hokkaido University, 62p. 1969 THESIS O-4

OLIVER, Guy W., III

Functional utilization of high frequency clicks produced by grey seals, *Haliocoerus grypus*. M.S., University of Rhode Island, 1977. 84p. THESIS O-5

OLSON, Jean M.

Temporal and spatial distribution patterns of sightings south of southern community and transient orcas in the inland waters of British Columbia. M.S., Western Washington University, 1998. 91p. THESIS O-15

ORR, Anthony James

Foraging characteristics and activity patterns of the California sea lion (*Zalophus californianus*) in the Bay of LaPaz, Baja California Sur, Mexico. M.S., California State University, Fresno, 1998. 116p. THESIS O-12

ORTIZ, Ivonne

Impacts of fishing and habitat alteration on the population dynamics of the vaquita, (*Phocoena sinus*). M.S., University of Washington. 2002. 62p. THESIS O-14.

ORTON, Lisa Schichtel

Fin whale mechanics: blubber as a structural material. Ph.D., Duke University, 1988. 181p. THESIS O-8

OSBORNE, Richard W.

A historical ecology of Salish Sea resident killer whales (*Orcinus orca*): with implications for management. Ph.D., University of Victoria, 1999. 262p. THESIS O-13

ÖSTMAN, Sven Olof

An ethogram for dolphin social behavior, and observations on changes in aggressive and homosexual behavior among two subadult male bottlenose dolphins (*Tursiops truncatus*) in a captive colony. M.S., San Francisco State University, 1985. 130p. THESIS O-7

OXMAN, Dion Seth

Seasonal abundance, movements, and food habits of harbor seals (*Phoca vitulina richardsi*) in Elkhorn Slough, California. M.S., California State University, Stanislaus and Moss Landing Marine Laboratories, 1995. 126p. THESIS O-11

PABST, D. Ann

The functional organization of the locomotor tissues of odontocete cetaceans. Ph.D., Duke University, 1989. 227p. THESIS P-19

PAETKAU, David Henry

Genetic studies of North American bear populations using microsatellites. Ph.D., University of Alberta, 1997. 105p. THESIS P-16

PALKA, Debra L.

Estimating density of animals when assumptions of line-transect surveys are violated. Ph.D., University of California, San Diego, 1993. 169p. THESIS P-15

PALSSON, Halldor Petur

Dynamics and extinction: an application to the fin whale stock off Iceland. Ph.D., Carleton University, 1991. 266p. THESIS P-8

PARSONS, John L.

Metabolic studies on ringed seals (*Phoca hispida*). M.S., University of Guelph, 1977. 82p. THESIS P-3

PEARSON, John P.

The abundance and distribution of harbor seals and Stellar [sic] sea lions in Oregon. M.S., Oregon State University, 1968. 23p. Part I, only. THESIS P-4

PERNIA, Sherman Diven

Protein turnover and nitrogen metabolism during long term fasting in northern elephant seal pups. Ph.D., University of California, Santa Cruz, 1984. 100p. THESIS P-14

PERRY, Simona Lee

An integrated risk-based approach to large whale status reviews: implementation of U.S. Public Law 95-632. M. Marine Affairs, University of Washington, 1999. 148p. THESIS P-12.

PETERSON, Margaret Rose

Breeding biology of Arctic and red-throated loons. M.S., University of California, Davis, 1976. 55p. THESIS P-10

PETERSON, Richard S.

Behavior of the northern fur seal. Ph.D., Johns Hopkins University, 1965. 214p. THESIS P-2

PETRAS, Elizabeth Jane

Evaluating the use of marine mammal deterrents as a management response to limit killer whale (*Orcinus orca*) predation on the endangered western stock of Steller sea lions (*Eumetopias jubatus*). M. Marine Affairs. University of Washington, 2003. 79p. THESIS P-18.

PHILLIPS, Alana Violette

Vocal communication and mother-pup interactions in the South American fur seal, *Arctocephalus australis*. M.S., University of Alberta, 1998. 215p. THESIS P-17

PIERSON, Mark Owen

A study of the population dynamics and breeding behavior of the Guadalupe fur seal, *Arctocephalus townsendi*. Ph.D., University of California, Santa Cruz, 1978. In Spanish. 110p. THESIS P-1

POLACHECK, Thomas W.

The relative abundance of dolphins in the eastern Pacific based on encounter rates with tuna purse seiners. Ph.D., University of Oregon, 1983. 444p. THESIS P-6

PONCE DE LEON MUXI, Alberto

Aspectos de la reproducción, crecimiento intrauterino y desarrollo postnatal del lobo de pelos sudamericano, *Arctocephalus australis* (Zimmermann, 1783) en islas de la república oriental del Uruguay [Aspects of reproduction, intrauterine growth and postnatal development of the South American fur seal *Arctocephalus australis* (Zimmerman, 1783) in the islands of eastern Uruguay]. M.S., University of the Republic, Montevideo, Uruguay, 1983. In Spanish. 93p. THESIS P-5

POOLE, David

Bayesian inference for noninvertible deterministic simulation models, with application to bowhead whale assessment. Ph.D., University of Washington, 1999. 166p. THESIS P-13.

POOLE, M. Michael

Migration corridors of the California gray whale, *Eschrichtius robustus*, and assessment of annual calf production and mortality. M.A., Sonoma State University, 1984. 63p. THESIS P-9

PORTER, Boyd

Winter ecology of Steller sea lions (*Eumetopias jubatus*) in Alaska. M.S., University of British Columbia, 1997. 84p. THESIS P-11

PRICE, Carol Ann

Individual identification of North Atlantic right whales, *Eubalaena glacialis*, on the basis of a natural tag. M.S., University of Rhode Island, 1987. 144p. THESIS P-7

QUAN, Jennifer Leigh

Summer resident gray whales of Washington state: policy, biological and management implications of Makah whaling. M. Marine Affairs. University of Washington, 2000. 65p. THESIS Q-3

QUINLIVAN, Jo Anne Veronica

Non-specific and specific bacterial defense mechanisms in northern fur seals (*Callorhinus ursinus*) and in California sea lions (*Zalophus californianus*). Ph.D., University of California, Berkeley, 1981. 166p. THESIS Q-2

QUINN, Terrance John, II

Sampling for the abundance of schooling populations with line-transect, mark-recapture and catch-effort methods. Ph.D., University of Washington, 1980. 359p. THESIS Q-1

RAGEN, Timothy J.

The estimation of theoretical population levels for natural populations. Ph.D., University of California, San Diego, 1990. 176p. THESIS R-12

RAGONE, Lisa A.

Pinniped / fisheries interactions: ocean conflicts and institutional regulation. M. Marine Affairs, University of Washington, 1999. 63p. THESIS R-23

RAMAIAH, Gudivaka Dasaradha

Chromatographic studies on quality and fatty acid composition of milk fats from different species. Ph.D., Washington State University, 1965. 84p. THESIS R-1

RAMSAY, Malcolm Alexander

The reproductive biology of the polar bear: a large, solitary, carnivorous mammal. Ph.D., University of Alberta, 1986. 200p. THESIS R-29

RASMUSSEN, Ann-Sofie

Basal vertebrate divergences from a molecular perspective. Ph.D., Lund University, 1999. 70p. + appendices. THESIS R-25

RATNASWAMY, Mary

A photogrammetric study of growth in the fin whale *Balaenoptera physalus* (Linnaeus 1758). M.S., University of Rhode Island, 1982. 80p. THESIS R-4

RAUM-SURYAN, Kimberly L.

Distribution, abundance, habitat use, and respiration patterns of harbor porpoise (*Phocoena phocoena*) off the northern San Juan Islands, Washington. M.S., San Jose State University, 1995. 79p. THESIS R-20

REA, Lorrie Darlene

Prolonged fasting in pinnipeds. Ph.D., University of Alaska, Fairbanks, 1995. 135p. THESIS R-21

READ, Andrew J.

Movements and distribution patterns of harbour porpoises, *Phocoena* (L.) in the western Bay of Fundy. M.S., University of Guelph, 1983. 83p. THESIS R-8

READ, Andrew Justin

Incidental catches and life history of harbour porpoises *Phocoena phocoena* from the Bay of Fundy. Ph.D., University of Guelph, 1989. 121p. THESIS R-16

REAM, Rolf R.

Molecular ecology of North Pacific otariids: genetic assessment of northern fur seal and Steller sea lion distributions. Ph.D., University of Washington. 2002. 135p. THESIS R-31.

REEVES, Randall R

An analysis of factors driving the narwhal hunt and a critique of tried approaches to hunt management for species conservation. Ph.D., McGill University, 1992. 326p. THESIS R-14

REHBERG, Michael John

Pattern matters: changes in the organization of swimming and diving behavior by Steller sea lion juveniles in Alaska. M.S., University of Alaska, Anchorage, 2005. 92p. THESIS R-35

REILLY, Stephen B.

The distribution of pilot whales *Globicephala macrorhynchus* Gray, 1846, in the eastern tropical Pacific. M.S., California Polytechnic State University, 1977. 80p. THESIS R-7

REILLY, Stephen Blake

Population assessment and population dynamics of the California gray whale (*Eschrichtius robustus*). Ph.D., University of Washington, 1981. 265p. THESIS R-3

REUTER, Rebecca Francesca

Describing dusky rockfish (*Sebastes ciliatus*) habitat in the Gulf of Alaska using historical data. M.S., California State University, Hayward. 1999. 83p. THESIS R-32

REYNOLDS, John Elliot

Aspects of the structural and functional anatomy of the gastrointestinal tract of the West Indian manatee, *Trichechus manatus*. Ph.D., University of Miami, 1980. 110p. THESIS R-10

RIBIC, Christine Ann

Growth of a northern elephant seal (*Mirounga angustirostris*) colony. Ph.D., University of Minnesota, 1984. 117p. THESIS R-9

RICE, Dale W.

Life history and ecology of *Myotis austroriparius*. M.S., University of Florida, 1955. 74p. THESIS R-19

RICHARDSON, Shelly Faye

Growth and reproduction in the harbor porpoise, *Phocoena phocoena* (L.), from eastern Newfoundland. M.S., University of Newfoundland, 1992. 102p. THESIS R-18

RIEDMAN, Marianne Louise

Studies on the biology and behavior of northern elephant seals with a review on the evolution of fostering behaviors in mammals and birds. Part I. Alloparental care and adoption in mammals and birds. Part II. Mother-pup separation and adoption in northern elephant seals. Part III. Changes in milk composition during lactation in the northern elephant seal. Ph.D., University of California, Santa Cruz, 1981. v.p. THESIS R-5

ROBECK, Todd R.

Defining basic reproductive physiology, including reproductive anatomy, reproductive endocrinology and estrus induction of captive delphinids. Ph.D., Texas A&M University, 1996. 221p. THESIS R-34.

ROBERTS, Bay DeRam

The behavioral ecology of breeding black-legged kittiwakes (*Rissa tridactyla*) on Middleton Island, Alaska. M.A., University of California, Santa Barbara, 1988. 131p. THESIS R-27

ROBERTS, Julian P.

Interannual variation in growth of teeth of male Antarctic fur seals *Arctocephalus gazella*. B.S., Plymouth Polytechnic, Plymouth, England, 1990. 53p. THESIS R-17

ROBSON Bruce William

The relationship between foraging areas and breeding sites of lactating northern fur seals, *Callorhinus ursinus* in the eastern Bering Sea. M.S., University of Washington, 2001 67p. THESIS R-26.

ROFFE, Thomas J.

Population, food habits, and behavior of pinnipeds in the Rogue River and their relationship to salmonid runs. Ph.D., Oregon State University, 1980. 155p. THESIS R-2

ROJAS BRACHO, Lorenzo

Presencia y distribución del rorcual común, *Balaenoptera physalus* (Linnaeus, 1758), (Cetacea: Balaenopteridae) en el Golfo de California, Mexico [The presence and distribution of the fin whale, *Balaenoptera physalus* (Linnaeus, 1758) (Cetacea: Balaenopteridae) in the Gulf of California, Mexico]. Lic Biol, Universidad Nacional Autónoma de México, 1984. In Spanish. 157p. THESIS R-11

ROLETTO, Janette

The hematology and blood serum chemistry of clinically healthy and sick pinnipeds. M.A., San Francisco State University, 1988. 91p. THESIS R- 13

ROONEY, Alejandro P.

Assessment of recent bottlenecks: a case study of the Bering-Chukchi-Beaufort Seas stock of bowhead whales. Ph.D., Texas A&M University, 1998. 68p. THESIS R-24

ROSE, Naomi Anne

The social dynamics of male killer whales, *Orcinus orca*, in Johnstone Strait, British Columbia. Ph.D., University of California, Santa Cruz, 1992. 180p. THESIS R-15

ROSEL, Patricia Elizabeth.

Genetic population structure and systematic relationships of some small cetaceans inferred from mitochondrial DNA sequence variation. Ph.D., University of California, San Diego, 1992. 191p. THESIS R-28

ROTTERMAN, Lisa Mignon

Patterns of genetic variability in sea otters after severe population subdivision and reduction. Ph.D., University of Minnesota, 1992. 228p. THESIS R-22

ROWLAND, Robert William

The benthic fauna of the northern Bering Sea. Ph.D., University of California, Davis, 1973. 234p. THESIS R-6

RUBINSTEIN, Belinda L.

An apparent shift in distribution of ice seals: *Phoca greonlandica*, *Cystophora cristata*, and *Phoca hispida*, toward the east coast of the United States. M.A., Boston University, 1994. 45p. THESIS R-33

RUSIN, Jeremy D.

Management of the western Alaska Steller sea lion, *Eumetopias jubatus*, under the Endangered Species Act: evolution of interagency consultation and impacts on Alaska groundfish fisheries. M. Marine Affairs. University of Washington. 2002. 117p. THESIS R-30

SADLER, Michael D.

Harbor seal hauling grounds on the mainland south coast of Santa Barbara County: a case study at "Seals", California. Senior Thesis, University of California, Santa Barbara, 1976. 33p. THESIS S-31

SAKAMOTO, Takaaki

Comparison of Japanese and U.S. national marine fisheries research institutes. M. Marine Affairs, University of Washington, 1999. 112p. THESIS S-50

SALAZAR BERNAL, Elia de Carmen.

Occurencia de orcas (*Orcinus orca*) y de sus ataques a ballenas jorobadas (*Megaptera novaengliae*) en la Bahía Banderas, Mexico. (Occurrence of killer whales (*Orcinus orca*) and their attacks on humpback whales (*Meagtera novaengliae*) in Banderas Bay, Mexico. M.S., Universidad Nacional Autonoma de Mexico, 2005. 87p. THESIS S-63

SAMPSON, David Bruce

Testing for density dependence in southern fin whale populations. Ph.D., University of London, 1989. 308p. THESIS S-26

SAMUEL, Michael David

A population dynamics model of California sea otters: identification of critical life history stages and management implications. M.S., University of California, Davis, 1973. 88p. THESIS S-11

SÁNCHEZ, María Soledad

Differentiation and variability of mitochondrial DNA in three sea otter, *Enhydra lutris*, populations. M.S., University of California, Santa Cruz, 1992. 101p. THESIS S-42

SANDEGREN, Eskil

Breeding and maternal behavior of the Steller sea lion (*Eumetopias jubata* [sic]) in Alaska. M.S., University of Alaska, 1970. 138p. THESIS S-8

SANDERSON, Kate

Grindadrap: a textual history of whaling traditions in the Faroes to 1900. Master of Philosophy, University of Sydney, 1992. 125p. THESIS S-39

SAULITIS, Eva Lucia

The behavior and vocalizations of the "AT" group of killer whales (*Orcinus orca*) in Prince William Sound, Alaska. M.S., University of Alaska, Fairbanks, 1993. 193p. THESIS S-35

SAVARESE, Danielle M.

Seasonal trends in harbor seal abundance at the terminus of the Bering Glacier in southcentral Alaska. M. S., University of Alaska Anchorage, 2004. 58p. THESIS S-64

SCHNEYER, Alan Louis

Development and validation of radioimmunoassays for pituitary gonadotrophic hormones and their application to reproductive endocrinology of the bottlenosed dolphin. Ph.D., University of Miami, 1983. 101p. THESIS S-19

SCHREER, Jason Franklin

Diving behavior of air-breathing vertebrates: allometry, classification, and interspecific comparisons. Ph.D., University of Waterloo, Waterloo, Ontario, Canada, 1997. 116p. THESIS S-44

SCHWACKE, Lorelei H

A framework for the assessment of health risks for bottlenose dolphins (*Tursiops truncatus*) associated with exposure to polychlorinated biphenyls (PCBs). Ph.D., Medical University of South Carolina, 1999. 139p. +appendix. THESIS S-56

SCORDINO, Jonathan

Steller sea lions (*Eumetopias jubatus*) of Oregon and northern California: seasonal haulout abundance patterns, movements of marked juveniles, and effects of hot-iron branding on apparent survival of pups at Rogue Reef. M.S., Oregon State University, 2006. 93p. THESIS S-56

SEAGARS, Dana John

Jaw structure and functional mechanics of six delphinids (Cetacea: Odontoceti). M.S., San Diego State University, 1982. 179p. THESIS S-14

SEASE, John Lieurance

Historical status and population dynamics of the pacific walrus. M.S., University of Alaska, 1986. 213p. THESIS S-18

SEGURA, Edilberto Leoncio

An economic study of the fish meal industry. Ph.D., Columbia University, 1972. 306p. THESIS S-17

SEKIGUCHI, Keiko

Occurrence and behavior of harbor porpoises (*Phocoena phocoena*) at Pajaro Dunes, Monterey Bay, California. M.S., San Jose State University, 1987. 36p. THESIS S-34

SEPEZ, Jennifer

Political and social ecology of contemporary Makah subsistence hunting, fishing and shellfish collecting practices. Ph.D., University of Washington, 2001. 249p. THESIS S-58.

SHANE, Susan Hamilton

The behavioral ecology of the bottlenose dolphin. Ph.D., University of California, Santa Cruz, 1987. 147p. THESIS S-21

SHANE, Susan Hamilton

The population biology of the Atlantic bottlenose dolphin, *Tursiops truncatus*, in the Aransas Pass area of Texas. M.S., Texas A & M University, 1977. 239p. THESIS S-4

SHAUGHNESSY, Peter D.

Biochemical identification of populations of the harbor seal, *Phoca vitulina*. Ph.D., University of Alaska, 1973. 179p. THESIS S-1

SHAW, Denice Marie

Application of GIS and remote sensing for the characterization of habitat for threatened and endangered species. Ph.D., University of North Texas, 1989. 214p. THESIS S-29

SHAW, Franklin Ross

Life history traits of four species of rockfish (Genus *Sebastes*). M.S., University of Washington, 1999. 178p. THESIS S-49

SHELDEN, Kim E. W.

The bowhead whale: a case study for development of criteria for classification on the list of endangered and threatened wildlife. M. Marine Affairs, University of Washington, 1998. 137p. THESIS S-46

SHELLY, Alice A.

Statistical power for detecting trends in monitoring programs using correlation. M.S., in Quantitative Ecology and Resource Management. University of Washington, 1994. 80p. THESIS S-40

SHIMA, Michiyo

A study of the interaction between walleye pollock and Steller sea lions in the Gulf of Alaska. Ph.D., University of Washington, 1996. 196p. THESIS S-47

SHORT, Andrew Damien

Beach dynamics and nearshore morphology for the Alaskan Arctic coast. Ph.D., Louisiana State University, 1973. 141p. THESIS S-62

SILBER, Gregory Keith

Distributional relations of cetaceans in the northern Gulf of California, with special reference to the vaquita, *Phocoena sinus*. Ph.D., University of California, Santa Cruz, 1990. 145p. THESIS S-28

SILVERMAN, Helen B.

Social organization and behaviour of the narwhal, *Monodon monoceros* L. in Lancaster Sound, Pond Inlet, and Tremblay Sound, Northwest Territories. M.S., McGill University, Montreal, Quebec, Canada, 1979. 144p. THESIS S-53

SIMMS, Wendy Alison

Natural and anthropogenic factors affecting the circulatory vitamin A dynamics of free-ranging harbour seal (*Phoca vitulina*) pups. M.S., University of Victoria, Victoria, British Columbia, Canada, 1995. 96p. THESIS S-54

SIMPKINS, Michael A.

Three-dimensional diving behavior of ringed seals. Ph.D., University of Alaska, Fairbanks. 2000. 124p. THESIS S-57

SIMS, Christy L.

The southern resident killer whale community of the Pacific Northwest: a policy analysis for conservation. M. Marine Affairs. University of Washington. 2001. 83p. THESIS S-52

SINCLAIR, Elizabeth Hacker

Feeding habits of northern fur seals (*Callorhinus ursinus*) in the eastern Bering Sea. M.S., Oregon State University. 1988. 94p. THESIS S-22

SMITH, Ian W.G.

Sea mammal hunting and prehistoric subsistence in New Zealand. Ph.D., University of Otago, 1985. 575p. THESIS S-45

SMITH, Louise N.

The influence of rookery terrain on population structure, territorial behavior, and breeding success of Steller sea lions in the Gulf of Alaska. M.S., University of Alaska, 1988. 100p. THESIS S-16

SMITH, Sean C.

Sperm whales and mesopelagic cephalopods in the waters of the Galapagos Islands, Ecuador. M.S., Dalhousie University, 1992. 66p. THESIS S-37

SMITH, Tim Denis

Variable population projection matrix models theory and application to the evaluation of harvesting strategy. Ph.D., University of Washington, 1973. THESIS S-2

SNYDER, Gary M.

An evaluation of alternative methods for counting Steller sea lion pups. M.S., University of Alaska, Anchorage, 1998. 70p. THESIS S-48

SOBOLEFF, Nathan James

Potential interactions between state-managed fisheries and Steller sea lions (*Eumetopias jubatus*). M.S., University of Alaska Fairbanks, 2006. 124p.

SPRINGER, Alan M.

The paradox of pelagic food webs on the Bering-Chukchi continental shelf. Ph.D., University of Alaska, Fairbanks. 1988. 232p. THESIS S-24

STACEY, Pam Joyce

Natural history and conservation of Irrawaddy dolphins, *Orcaella brevirostris*, with special reference to the Mekong River, Lao P.D.R.. M.S., University of Victoria, 1996. 127p. THESIS S-43

STACK, John D.

Diurnal activity patterns of nonbreeding *Zalophus californianus* and *Eumetopias jubatus* at Klamath Cove, California. M.A., Humboldt State University, 1981. 70p. THESIS S-32

STEEL, Cathy

Vocalization patterns and corresponding behavior of the West Indian manatee (*Trichechus manatus*). Ph.D., Florida Institute of Technology, 1982. 189p. THESIS S-12

STEEVES, Tammy Elaine

Genetic population structure of gray whales (*Eschrichtius robustus*) that summer in Clayoquot Sound, British Columbia. M.S., American University, Washington, D.C., 1998. 48p. THESIS S-59

STEIN, Janet D.

Reproduction parameters and behavior of mother and pup harbor seals, *Phoca vitulina richardsi*, in Grays Harbor, Washington. M.A., San Francisco State University, 1989. 110p. THESIS S-25

STEVICK, P. T.

Population ecology of North Atlantic Humpback Whales. Ph.D., University of St. Andrews, 2001. 220p. THESIS S-61

STEWART, Brent Scott

The ecology and population biology of the northern elephant seal *Mirounga angustirostris* Gill 1866, on the Southern California Channel Islands. Ph.D., University of California, Los Angeles, 1989. 194p. THESIS S-23

STEWART, Brent Scott

Seasonal abundance, distribution, and ecology of harbor seal, *Phoca vitulina richardsi* [sic], on San Miguel Island, California. M.S., San Diego State University, 1981. 66p. THESIS S-13

STIENESSEN, Sarah C.

Diel, seasonal, and species-specific trends in vocalizations of dolphins in the Gulf of Mexico. M.S., Texas A&M University, 1998. 72p. THESIS S-60

STOKER, Samuel Whiteford

Benthic invertebrate macrofauna of the eastern continental shelf of the Bering and Chukchi Seas. Ph.D., University of Alaska, 1978. Part I, text, 155p.; Part II, appendices, 104p. THESIS S-5

STOKER, Samuel Whiteford

Winter studies of under-ice benthos on the continental shelf of the northeastern Bering Sea. M.S., University of Alaska, 1973. 60p. THESIS S-10

STORACE, Fleur A.

Evaluating marine protection mechanisms for beluga management in the Inuvialuit Settlement Region (ISR). M.S., University of Manitoba, 1998. 126p. THESIS S-51.

STRALEY, Janice Morrison

Seasonal characteristics of humpback whales (*Megaptera novaeangliae*) in southeastern Alaska. M.S., University of Alaska, Fairbanks, 1994. 121p. THESIS-38

STROMBOM, Dan Bryan

Marine mammal-fishery interactions in the Northeast Pacific. M.S., University of Washington, 1981. 189p. THESIS S-9

STROUD, Richard Kim

Causes of death and pathological findings in marine mammals stranded along the Oregon coast. M.S., Oregon State University, 1978. 65p. THESIS S-3

STUART, Laurie J.

Age determination and sexual dimorphism of *Phocoena phocoena* (L.) of the Northeastern Pacific. M.A., San Jose State University, 1980. 67p. THESIS S-7

SUER, Lynn Diane Cummings

The host-parasite relationship between *Erysipelothrix rhusiopathiae*, humans and marine mammals. Doctor of Public Health, University of California, Berkeley, 1989. 257p. THESIS S-27

SULLIVAN, Robert M.

Behavior and ecology of harbor seals, *Phoca vitulina*, along the open coast of northern California. M.S., Humboldt State University, 1979. 110p. THESIS S-6

SUMICH, James L.

Latitudinal distribution, calf growth and metabolism, and reproductive energetics of gray whale, *Eschrichtius robustus*. Ph.D., Oregon State University, 1986. 216p. THESIS S-15

SURYAN, Robert M.

Pupping phenology, disturbance, movements, and dive patterns of the harbor seal (*Phoca vitulina richardsi*) off the northern San Juan Islands of Washington. M.S., San Jose State University, 1995. 75p. THESIS S-41

SWARTZ, Steven Lindsay

Demography, migrations, and behavior of gray whales *Eschrichtius robustus* (Lilljeborg, 1861) in San Ignacio Lagoon, Baja California Sur, Mexico and in their winter range. Ph.D., University of California, Santa Cruz, 1986. 85p. THESIS S-20

SWEENEY, Sandra

Reclaiming traditions: community management of beluga hunting in Pangnirtung, Baffin Island, N.W.T. Master of Environmental Studies. Dalhousie University, 1992. 47p. THESIS S-36

SYKES, Stephen Dennis

Multiple mark-recapture estimators of salmon spawning run sizes. M.S., University of California, Davis, 1984. 65p. THESIS S-33

SZABO, Vicki Ellen.

Monstrous fishes and 'bones of no small bigness': the history and archaeology of whale exploitation in late Iron Age, Pictish, and Viking Orkney, Scotland. Ph.D., Cornell University, 2000. 573p. THESIS S-55.

SZCZEPANIAK, Isidore Dennis

Abundance, distribution, and natural history of harbor porpoise, (*Phocoena phocoena*), in the Gulf of the Farallones, California. M.A., San Francisco State University, 1990. 105p. THESIS S-30

TAGGART, Spencer James

Grouping behavior of Pacific walrus (*Odobenus rosmarus divergens* Illiger), an evolutionary perspective. Ph.D., University of California, Santa Cruz, 1987. 152p. THESIS T-12

TARPLEY, Raymond Jesse

Gross and microscopic anatomy of the tongue and gastrointestinal tract of the bowhead whale *Balaena mysticetus*. Ph.D, Texas A & M University, 1985. 141p. THESIS T-13

TARUSKI, Algis George

Whistles of the pilot whale (*Globicephala* spp.): variations in whistling related to behavioral/environmental context, broadcast of underwater sound, and geographic variation. Ph.D., University of Rhode Island, 1976. 45p. THESIS T-3

TAUGBOL, G.

Ringselungenes termoregulering, energibalanse og utyikling i de forst leyeuker, en undersokelse pa *Pusa hispida* i Kongsfj., Svalbard [Ringed seal thermoregulation, energy balance and development in early life, a study of *Pusa hispida* in Kongsfj., Svalbard]. THESIS, Universitetet i Oslo, Norway, Zoofysiologisk

Institutt, 1982. In Norwegian, Available in English as Canadian Translation of Fisheries and Aquatic Sciences no. 5090. 102p. THESIS T-5

TAYLOR, Barbara Louise

Perspectives on dynamics of small populations: diverse ways of apprehending pattern and details from variable and incomplete data. Ph.D., University of California, San Diego, 1991. 132p. THESIS T-17

TEMTE, Jonathan L.

Photoperiod and the timing of pupping in the Pacific harbor (*Phoca vitulina richardsi*) with notes on reproduction in northern fur seals and Dall porpoises. M.S., Oregon State University, 1986. 147p. THESIS T-14

TENBRINK, Todd T.

Changes in heavy metal concentrations in stranded decomposing Atlantic bottlenose dolphins, *Tursiops truncatus*, found along the Texas coast. M.S., Texas A&M University, Corpus Christi, Texas, 1997. 69p. THESIS T-27

TERSHEY, Bernie Russell

Body size, diet, habitat use, and social behavior of Balaenopteran whales in the Gulf of California, Mexico. M.S., San Jose State University, 1993. 20p. THESIS T-18

TESTA, James Ward

Long term patterns in life history characteristics and population dynamics of Weddell seals (*Leptonychotes weddelli*) in McMurdo Sound, Antarctica. Ph.D., University of Minnesota, 1986. 165p. THESIS T-10

THOMAS, Jeanette Anne

Quantitative analysis of the vocal repertoire of Weddell seals (*Leptonychotes weddelli*) in McMurdo Sound, Antarctica. Ph.D., University of Minnesota, 1979. 99p. THESIS T-2

THOMAS, Peter Owen

Social behavior, habitat use, and interspecific interactions of southern right whale, *Eubalaena australis*, mother-calf pairs. Ph.D., University of California, Davis, 1987. 133p. THESIS T-11

THOMPSON, Paul Michael

The effect of seasonal changes in behaviour on the distribution and abundance of common seals, *Phoca vitulina*, in Orkney. Ph.D., University of Aberdeen, 1987. 167p. THESIS T-15

THOMPSON, Robert James

Analysis of stomach contents of whales taken during the years 1937 and 1938 from the North Pacific. M.S., University of Washington, 1940. 82p. THESIS T-1

THOMPSON, Sandra E.

Two bowhead whale projects: historic catch uncertainty and length, girth, mass modeling. M.S., Colorado State University, 1996. 46p. THESIS T-23

THORSON, Philip Hougen

Development of diving in the northern elephant seal. Ph.D., University of California, Santa Cruz, 1993. 210p. THESIS T-20

TINOCO, Isabel S.

The tuna-dolphin conflict. An evaluation of the Marine Mammal Protection Act embargoes. M. Marine Affairs, University of Washington, 1993. 142p. THESIS T-24

TODD, Sean Kevin

Acoustical properties of fishing gear; possible relationships to baleen whale entrapment. M.S., Memorial University of Newfoundland, 1991. 213p. THESIS T-21

TOLAND, Ronald W., Jr.

High frequency components in bottlenose dolphin echolocation signals. Master=s thesis. Naval Postgraduate School, Monterey, California. 1998. 58p. THESIS T-29

TOLLU, Benoit

The Amsterdam Island fur seal *Arctocephalus tropicalis* (Gray 1872). Ph.D., Paris University, 1974. In English. 80p.+ figures. THESIS T-4

TOROK, Michael L.

Movements, daily activity patterns, dive behavior, and food habits of harbor seals (*Phoca vitulina richardsi*) in San Francisco Bay, California. M.S., University of California, Stanislaus, 1994. 88p. THESIS T-22

TRACHY, Suzanne

The Endangered Species Act: political implications of delisting a recovered species. M.S., University of Arizona, 1991. 155p. THESIS T-19

TRITES, Andrew W.

The northern fur seal: biological relationships, ecological patterns and population management. Ph.D., University of British Columbia, 1990. 330p. THESIS T-16

TRITES, Andrew W.

Population dynamics of the Pribilof Islands North Pacific fur seal (*Callorhinus ursinus*). M.S., University of British Columbia, 1984. 123p. THESIS T-9

TROMBETTI, Carlo

Studio del comportamento materno e allomaterno in una coppia madre-piccolo di *Tursiops truncatus* (Cetacea, Odontoceta) durante il primo anno di vita in condizioni di cattavita' [Study of maternal and allomaternal behavior of *Tursiops truncatus* during the first year of life in captive conditions]. M.S., Universita degli Studi di Bologna, Italy, 1996-97. In Italian. 71p. THESIS T-25

TRUJILLO, Robert Greg.

Macrogeographic variation of nuclear microsatellite loci in an endangered species, *Eumetopias jubatus*. M.S., Texas A&M University, 2001. 57p. THESIS T-28.

TURET, Philip

Population size estimation for the western Arctic stock of bowhead whale; a Bayes empirical Bayes approach. M.S., University of Washington, 1987. 114p. THESIS T-8

TURNOCK, Benjamin John

The effect of responsive movement on line transect estimates of population abundance with application to Dall's porpoise. M.S., University of Washington, 1987. 115p. THESIS T-7

TWAY, Alan Roberts

Genetic variation in the California sea otter, *Enhydra lutris nereis*. M.A., San Francisco State University,

1982. 39p. THESIS T-26.

TYACK, Peter Lloyd

Humpback whales respond to sounds of their neighbors. Ph.D., The Rockefeller University, 1982. 198p. THESIS T-6

URBÁN RAMÍREZ, Jorge De Jesús.

Estructura poblacional, abundancia y destinos migratorios de las ballenas jorobadas que invernán en el Pacífico Mexicano [Population structure, abundance and migratory destinations of the humpback whales wintering in the Mexican Pacific]. Ph.D., Universidad Nacional Autónoma de México. 2001. In Spanish. 84p. THESIS U-1

VÁSQUEZ RUESTA, Pedro G.

Determinación de los hábitos alimentarios de *Arctocephalus australis* y *Otaria byronia* en Punta San Juan de Marcona, Ica, Peru [Feeding habits of *Arctocephalus australis* and *Otaria byronia* in Punta San Juan de Marcona, Ica, Peru]. M.S. Universidad Nacional Agraria la Molina, Lima, Peru. 1995. In Spanish. 130p. THESIS V-6

VERSAGGI, Charles Samuel

Studies on the internal structure, development, and function of bone in pinnipeds and the sea otter. Ph.D., University of California, Santa Barbara, 1981. 271p. THESIS V-1

VISSER, Ingrid N.

Orca (*Orcinus orca*) in New Zealand waters. Ph.D., University of Auckland, New Zealand, 2000. 193p. +appendices. THESIS V-5

VOGELBEIN, Wolfgang K.

Parasites as stock indicators in eight species of Antarctic whales. M.S., California State University, Long Beach, 1981. 82p. THESIS V-2

VON ELLING, Rosemary

Culture change in six Alaskan Eskimo communities. M.A., Washington State University, 1965. 140p. THESIS V-3

VON SZALAY, Paul G.

The feasibility of using single beam seabed classification systems to identify and quantify slope rockfish habitat in the Gulf of Alaska. M.S., University of Washington, 1998. 158p. THESIS V-4

VOS, Daniel J.

Cook Inlet beluga age and growth. M.S., Alaska Pacific University, 2003. 69p. THESIS V-7

WADE, Paul R.

Abundance and population dynamics of two eastern Pacific dolphins, *Stenella attenuata* and *Stenella longirostris orientalis*. Ph.D., University of California, San Diego, 1994. 255p. THESIS W-19

WAITE, Janice Marie

Alloparental care in killer whales (*Orcinus orca*). M.S., University of California, Santa Cruz, 1988. 65p. THESIS W-12

WAITE, Jason Neil

Three-dimensional photogrammetry as a tool for assessing morphometrics and estimating body mass of Steller sea lions. M.S., Texas A & M University, 2000. 59p. THESIS W-25

WALKER, Brian G.

Mass changes and behaviour of subadult and adult male harbor seals, *Phoca vitulina*, during the breeding season. M.S., Dalhousie University, 1992. 72p. THESIS W-15

WALLACE, Richard L.

Marine mammal recovery: the human dimensions. Ph.D., Yale University, 2000. 556p. THESIS W-28

WALLENIUS, Kenneth Ted.

Biased sampling: the noncentral hypergeometric probability distribution. Ph.D., Stanford University, 1964. 53p. THESIS W-32

WALLINE, Paul Douglas

Growth of larval and juvenile walleye pollock related to year-class strength. Ph.D., University of Washington, 1983. 145p. THESIS W-26

WALTERS, Gary Ellis

Ecological aspects of larval and juvenile pacific cod (*Gadus macrocephalus*), walleye pollock (*Theragra chalcogramma*), pacific tomcod (*Microgadus proximus*) in Port Townsend, Washington. M.S., University of Washington, 1984. 129p. THESIS W-33

WANG, John Yu-Chao

Mitochondrial DNA analysis of the harbour porpoise, *Phocoena phocoena* (L.). M.S., University of Guelph, 1993. 140p. THESIS W-14

WATSON, Alan P.

The diurnal behaviour of the harbour porpoise (*Phocoena phocoena* L.) in the coastal waters of the western Bay of Fundy. M.S., University of Guelph, 1976. 94p. THESIS W-10

WATSON, Jane Catherine

The effects of sea otter (*Enhydra lutris*) foraging on shallow rocky communities off northwestern Vancouver Island, British Columbia. Ph.D., University of California, Santa Cruz, 1993. 169p. THESIS W-18

WATTS, Peter

Hauling out behaviour of harbour seals (*Phoca vitulina richardsi*), with particular attention to thermal constraints. Ph.D., University of British Columbia, 1991. 192p. THESIS W-7

WEBB, Paul Maurice

Heart rate and oxygen consumption in northern elephant seals diving in the laboratory. M.S., University of California, Santa Cruz, 1994. 52p. THESIS W-16

WESPESTAD, Vidar George

Pacific herring population dynamics, early life history, and recruitment variation relative to eastern Bering Sea oceanographic factors. Ph.D., University of Washington, 1991. 237p. THESIS W-17

WHITE, Paula Allene

Social organization and activity patterns of the Arctic fox (*Alopex lagopus pribilofensis*) on St. Paul Island, Alaska. M.S., University of California, Berkeley, 1992. 139p. THESIS W-8

WHITE, Stephen B.

Population and behavioral patterns of gray whales wintering in Scammon Lagoon. M.S., Colorado State University, 1975. 44p. THESIS W-2

WICKHAM, Lori Lee

Physiological and ecological implications of hemorheological variations in marine and terrestrial mammals. Ph.D., University of Alaska, Fairbanks, 1988. 170p. THESIS W-6

WILKINSON, Ian Stewart

Factors affecting reproductive success of southern elephant seals, *Mirounga leonina*, at Marion Island. Ph.D., University of Pretoria. 1992. 185p. THESIS W-27

WILLIAMS, Amy Sierra

Prey selection by harbor seals in relation to fish taken by the Gulf of Maine sink gillnet fishery. M.S., University of Maine, 1999. 62p. THESIS W-23

WILLIAMS, Jeannine Denise

Fasting and lactation in female northern elephant seals (*Mirounga angustirostris*): reconciling conflicting energetic and nutritional demands. Ph.D., University of California, Santa Cruz, 1995. 108p. THESIS W-20

WILLIAMS, Robert Michael

Behavioural responses of killer whales to whale-watching: opportunistic observations and experimental approaches. M.S., University of British Columbia, 1999. 61p. THESIS W-21

WILLIS, Kate

Thermoregulation in Steller Sea Lions: an experimental approach. M.S., Texas A&M University, 2004. 138p. THESIS W-34.

WILLIS, Pamela M.

Mating system dynamics and hybridization of Dall's (*Phocoenoides dalli*) and harbour porpoise (*Phocoena phocoena*). M.S., Simon Fraser University, 2001. 120p. THESIS W-30

WILSON, Graham J.

Distribution, abundance and population characteristics of the New Zealand fur seal (*Arctocephalus forsteri*). M.S., University of Canterbury, 1974. 204p. THESIS W-1

WILSON, Kenneth Ray

Capture-recapture population estimation in continuous time. Ph.D., Colorado State University, 1991. 160p. THESIS W-9

WILSON, Michael Turner

The seasonal movements and abundance dynamics of the Pacific harbor seal (*Phoca vitulina richardsi*) along the southern Oregon coast. M.S., University of Oregon, 1993. 92p. THESIS W-13

WILSON, Terrance Michael

Behavior and husbandry methods for captive northern fur seal pups. M.S., Cornell University, 1966. 38p. THESIS W-3

WINSHIP, Arliss J.

Growth and bioenergetic models for Steller sea lions (*Eumetopias jubatus*) in Alaska. M.S., University of British Columbia, 2000. 160p. THESIS W-22

WITHROW, David Earl

Using aerial surveys, ground truth methodology, and haul out behavior to census Steller sea lions, *Eumetopias jubatus*. M.S., University of Washington, 1982. 102p. THESIS W-4

WITTEVEEN, Briana Harmony

Abundance and feeding ecology of humpback whales (*Megaptera novaeangliae*) in Kodiak, Alaska. M.S. University of Alaska, Fairbanks, 2003. 109p. THESIS W-31

WO, Catherine Kuen Wei

The nutritional status of Alaskan Eskimos with respect to fatty acids, Vitamin A and Vitamin E. Ph.D., University of Illinois, Urbana-Champaign, 1973. 111p. THESIS W-5

WOLF, Nicholas

Finding behavioral mechanisms and ecological patterns in sparse and noisy data. Ph.D., University of Bergen, 2006. 43p. THESIS W-36

WOLFF, Gary A.

A study of feeding relationships in tuna and porpoise through the application of cephalopod beak analysis. Ph.D., Texas A & M University, 1982. 232p. THESIS W-24

WOMBLE, Jamie Neil

Seasonal distribution of Steller sea lions (*Eumetopias jubatus*) in relation to high-quality ephemeral prey species in southeastern Alaska. M.S., University of Alaska, Fairbanks, 2003. 54p. THESIS W-35

WOODLEY, Thomas H.

A characterization of North Atlantic right (*Eubalaena glacialis glacialis*) and finback (*Balaenoptera physalus*) whale habitat in the lower Bay of Fundy, Canada. M.S., University of Guelph, 1992. 104p. THESIS W-11

WOSHNER, Victoria M

Concentrations and interactions of selected elements in tissues of four marine mammal species harvested by Inuit hunters in Arctic Alaska, with an intensive histologic assessment, emphasizing the beluga whale. Ph.D., University of Illinois, Urbana-Champaign, 2000. 302p. THESIS W-29

WYLLIE-ECHEVERRIA, T.

Seasonal sea ice, the cold pool, and gadic distribution on the Bering Sea shelf. Ph.D., University of Alaska, 1995. 281p. THESIS W-37

YAMANAKA, Masami

Developmental phases and distribution characteristics of Steller sea lions (*Eumetopias jubatus* Schreber) that visit Hokkaido coastal waters. M.S., Institute of Northern Marine Resources, 1987. 78p. In Japanese with English title and handwritten summary. THESIS Y-7

YARBOROUGH, Linda Finn.

Prehistoric and early historic subsistence patterns along the north Gulf of Alaska coast. Ph.D., University of Wisconsin, Madison, 2000. 435p. THESIS Y-8

YASUI, William Y.

Morphometrics, hydrodynamics and energetics of locomotion for a small cetacean, *Phocoena phocoena* (L.). M.S., University of Guelph, 1980. 86p. THESIS Y-6

YASUNORI, I.

Reproductive ecology of walleye pollock *Theragra chalcogramma* (Pallas). Ph.D., Hokkaido University. 1982. 178p. Transl. from Japanese by T. Nishida, N.D. Davis, and T. Nishiyama. THESIS Y-3

YASUNORI, I.

Sexual maturity and spawning process of Alaska pollock, *Theragra chalcogramma* (Pallas) in Funka Bay, Hokkaido. M.S., Hokkaido University, 1977. 48p.+tables, figures and plates. Transl. from Japanese by A. Shiga and A.M. Shimada. THESIS Y-2

YIN, Suzanne E.

Movement patterns, behaviors, and whistle sounds of dolphin groups off Kaikoura, New Zealand. M.S., Texas A&M University, 1999. 108p. THESIS Y-9

YOCHEM, Pamela Kay

Haul-out patterns and site fidelity of harbor seals at San Nicholas and San Miguel Islands, California. M.S., San Diego State University, 1987. 89p. THESIS Y-4

YORK, Anne E.

Parameter estimation for the two-parameter negative-binomial distribution. M.S., University of Washington, 1979. 100p. THESIS Y-1

YURICK, Douglas B.

Populations, subpopulations, and zoogeography of the harbour porpoise, *Phocoena phocoena* (L.). M.S., University of Guelph, 1977. 149p. THESIS Y-5

ZAMON, Jeannette Edythe

The influence of tidal currents on plankton densities and energy flow to seals, seabirds, and schooling fishes in San Juan Islands, WA. Ph.D., University of California, Irvine, 2000. 181p. THESIS Z-2

ZHANG, Chang Ik

Biology and population dynamics of Alaska plaice, *Pleuronectes quadrituberculatus*, in the eastern Bering Sea. Ph.D., University of Washington, 1987. 225p. THESIS Z-1

ZHU, Qian.

Studies on the eyes of the bowhead whale (*Balaena mysticetus*), ringed seal (*Phoca hispida*), and caribou (*Rangifer tarandus*). Ph.D., Institute of Oceanology, Chinese Academy of Sciences. 1998. In English. 275p. THESIS Z-3
