*Rates per 1,000 average population

**Total population change includes residual - see State and County Terms & Definitions at <http://www.census.gov/popest/topics/terms/states.html>

***Net international migration includes the international migration of both native and foreign-born populations. Specifically, it includes: (a) the net international migration of the foreign born, (b) the net migration between the United States and Puerto Rico, (c) the emigration of natives from the United States, and (d) the net overseas movement of the Armed Forces population.

Note: Dash (-) represents zero or rounds to zero. See Geographic Terms and Definitions at <http://www.census.gov/popest/geographic/> for a list of the states that are included in each region.
