Memorandum

Subject: **ACTION:** TIL01-024, Construction
Criteria for Leg Segments VA to CF

Date: July 23, 2001

From: Manager, Flight Procedure Standards
Branch, AFS-420

Reply to
Attn. of:

To: Manager, National Flight Procedures
Office, AVN-100

This TIL is an interim change to the provisions of FAA Order 8260.44A, Civil Utilization of Area Navigation (RNAV) Departure Procedures, and provides design and obstacle clearance criteria for VA to CF leg construction. The attached guidance is effective immediately.

This TIL expires concurrently with the implementation of Order 8260.44A, Change 2. If you have questions, contact Carl Moore, 405-954-4164.

Donald P. Pate
