

# Food, Nutrition and Affiliated Areas State Extension Directory

March 2008

U.S. Department of Agriculture  
Cooperative State Research, Education, and Extension Service  
Families, 4-H, & Nutrition

**Updated: 03-31-2008**

Cooperative State  
Research, Education, and  
Extension Service

Washington,  
20250-2200

TO: Extension Colleagues in Food, Nutrition and Affiliated Areas

SUBJECT: Food, Nutrition and Affiliated Areas State Extension Directory

The Families, 4-H, and Nutrition (F4-HN) Unit, in the Cooperative State Research Education, and Extension Service of the United State Department of Agriculture is pleased to make the **Food, Nutrition and Affiliated Areas State Extension Directory** available. This directory consists of extension professionals with leadership and statewide responsibility at land-grant institutions who are involved in food, nutrition and affiliated or related areas.

The purpose of this directory is to promote communication and networking among extension professionals who work in related areas. Within the listing a key EFNEP contact or coordinator is listed for each university. In addition, we have added a key FSNE contact for each state. Individuals who are listed in this directory have been added to the FNemail listserv maintained by F4-HN (unless they unsubscribe).

I have thoroughly enjoyed working on this project and contacting or visiting with many old friends and new friends. In order to keep this directory as useful as possible, please send changes and comments directly to me, Marilyn Swanson, at [mswanson@bcm.edu](mailto:mswanson@bcm.edu), or phone 713-798-6788 or fax 713-798-7035. The most up-to-date version of the **Food, Nutrition and Affiliated Areas State Extension Directory** can be found on the CSREES Nutrition page [www.csrees.usda.gov/nutrition](http://www.csrees.usda.gov/nutrition).

Your suggestions for improving communications are always welcome.

Sincerely,

Marilyn A. Swanson, PhD, RD, LD  
CSREES National Program Leader Maternal and Child Health  
Families, 4-H and Nutrition  
USDA/ARS Children's Nutrition Research Center  
1100 Bates Street, Room 2062
