TRAINING AND EMPLOYMENT GUIDANCE LETTER NO. 11-06

TO: ALL SENIOR COMMUNITY SERVICE EMPLOYMENT PROGRAM GRANTEEES

FROM: EMILY STOVER DeROCCO /s/

SUBJECT: Exemption of SCSEP Wages from Income Eligibility Determinations for Federal Housing Programs and/or Food Stamps

1. **Purpose.** To provide Senior Community Service Employment Program (SCSEP) grantees with information about the statutory exemption of SCSEP wages for purposes of determining income eligibility for Federal housing programs and Food Stamps.
2. **References.** 42 U.S.C. 3056(g); Older Americans Act (OAA) Amendments of 2006, Public Law 109-365; OAA Amendments of 2000, Public Law 106-501.
3. **Background.** Congress has exempted SCSEP wages from income eligibility determinations for Federal housing programs and food stamps through the OAA Amendments of 2000 and 2006 (42 U.S.C. 3056(g)). It has come to our attention that grantees are in need of information about the exemption. Many grantees have advised us that local officials are often unaware of this exemption and treat SCSEP wages as regular earned income when determining eligibility for these federally funded programs. Grantees have requested Department of Labor documentation of the exemption to provide to participants. It is anticipated that participants will in turn provide this documentation to local officials. Therefore, in order to assist in the efficient and effective administration of the SCSEP program, we are providing documentation of the exemption through this notice.
4. **Advisory.** SCSEP is authorized by title V of the OAA, as amended by the OAA Amendments of 2000 (Public Law 106-501). Section 509 of title V, which is codified at 42 U.S.C. § 3056g, specifies that the wages individuals receive as SCSEP participants are not to be included in income eligibility determinations for federally subsidized housing and/or Food Stamps. The same exemption for SCSEP wages appears in the OAA Amendments of 2006, which take effect July 1, 2007 (Public Law 109-365).
