Thank you for your interest in our publications that we publish throughout the year. I hope you find them informative and useful. We wish to continue to provide information to you about Ohio agriculture, but we have to make some changes.

This is to inform our subscribers that we will no longer mail out our releases with the exception of our Annual Ohio Agricultural Statistics Bulletin. **Only return this letter if you wish to receive a printed copy of the Ohio Annual Agricultural Statistics bulletin.** There is a \$5.00 fee for non-farmers. Mail your check or money order, and this form to the address below. Ohio reports are listed below.

Available on-line or Internet Subscription:

OHIO FARM INCOME: Annual bulletin containing State and county estimates of cash receipts from commodity marketings by farmers. Distribution of new edition begins about January 1 each year. This report is **only available on line** at <http://www.nass.usda.gov/oh>

CROP WEATHER: A weekly progress report issued each Monday from April through November covering planting and harvesting activities, crop development, and weather data. This report is **available on line** at <http://www.nass.usda.gov/oh>, or by on-line subscription.

OHIO FARM REPORT: A four page report issued twice each month containing the most recent agricultural statistics. Included are topics such as crop production, grain stocks, supply and demand, cropping practices, crop varieties, tobacco, fruit, vegetables, hogs and pigs, cattle and calves, sheep and lambs, wool, livestock slaughter, dairy and chickens and eggs. Prices paid and received by farmers, number of farms and land in farms, land value, cash rent, farm labor and cold storage statistics are also included. This report is **available on line** at <http://www.nass.usda.gov/oh>, or by on-line subscription.

FARM REAL ESTATE: Annual report of land values. This report is **available on line** at <http://www.nass.usda.gov/oh>, or by on-line subscription.
