Form of Government

The City has a Mayor-Council form of government with a salaried full-time Mayor elected every four years. The nine-member council is elected by district for four-year overlapping terms. The nonpartisan elections are held each October of odd numbered years. The Councilors' remuneration is equivalent to one-tenth the Mayor's salary.

The Charter provides for a Chief Administrative Officer appointed by the Mayor and approved by the Council who is responsible for the administration of the merit system and, subject to the authority of the Mayor, supervises the operations of all departments.
