

# Put A Salmon On Your

Purchase a salmon license plate and join thousands of Oregonians who display their support for abundant salmon populations, clean water and state park salmon projects.

## Do your part for Oregon streams.

## *The Oregon Plan for Salmon and Watersheds*

**When you purchase a salmon license plate**, half the extra \$30 two-year fee goes directly to fix road-related impacts to streams. The Oregon Parks and Recreation Department invests the other half in **salmon habitat projects in state parks.**

**Select a salmon plate** when you purchase a vehicle. You pay \$30 on top of other registration fees plus a one-time \$5 plate fee. (If you have a salmon plate, transfer it to your new vehicle — \$6 fee.)

**Don't wait — switch now!** Pay \$30 extra plus a one-time \$15 plate and replacement fee.

- AND -

**Consider the salmon plate for your personal plate** — the design nicely highlights your personal message.
