A wildfire burned about 700 acres at the Illinois Beach State Park near Zion in Lake county Illinois. The fire started Sunday night and was declared out around Noon Monday the 28th. Over 150 firefighters battled the blaze. Another wildfire near Antioch burned 40 acres on Tuesday the 29th. On Monday, 106 acres burned at the Waterfall Glen Forest Preserve near Darien in Dupage county. No injuries or damage were reported with any of these fires. Conditions across northern Illinois were extremely dry during April 2003.

A wave of thunderstorms moved across northern Illinois during the afternoon hours of April 30th producing severe hail. A second	Dwigut			moved acres	ce northern I	U Illinois duris	-	arnoon hou	re of April 1		` ′

A wave of thunderstorms moved across northern Illinois during the afternoon hours of April 30th producing severe hail. A second wave of Thunderstorms developed over eastern Iowa and west central Illinois and moved east across northern Illinois late in the evening of April 30th. A supercell moved east toward La Salle county producing a funnel cloud near La Salle. The storm eventually merged with additional storms forming a squall line which produced hail and wind damage. A TV antenna and small limbs were blown down in Cedar Point in La Salle county. Power lines were blown down in Dwight. Numerous power outages were reported

INDIANA, Northwest

Jasper County Tefft	04	1725CST	0	0	Thunderstorm Wind (G55)
Benton County Fowler to 2 N Oxford	04	1825EST 1830EST	0	0	Hail(1.00)
Newton County Kentland	04	1950CST	0	0	Hail(0.75)

Thunderstorms which formed across northern Illinois during the afternoon hours of April 4th moved across northwest Indiana during the late afternoon and evening hours. Hail was reported across parts of Benton and Newton counties with some small branches reported down in Benton county. A roof was blown off a building in Jasper county at State Road 10 and county road 400E just south of Tefft.
