Victim Information & Notification Everyday

What will VINE do for me?

VINE will tell you if an offender is in the custody of the Oregon Department of Corrections, Oregon Youth Authority or a county jail and will give you other important custody and/or probation and parole information. VINE will also let you leave a phone number where you want to be called automatically when that offender is released, transferred, escapes, dies, or has a change in parole or probation status.

What do I need to do?

1

Call 1-877-OR-4-VINE from a touch-tone phone and follow the directions.

2

If the offender **is** in the custody of the agencies listed above, you can leave your phone number to be called when their custody or probation status changes. Enter the phone number where you want to be reached, including area code, followed by the pound (#) key.

3

When VINE asks, make up and enter a four-digit Personal Identification Number (PIN) that will be easy for you to remember. Write it on the back of this brochure. VINE will ask for the PIN when it calls you.

4

When VINE calls, listen to the message, then enter your PIN when asked. Entering the PIN lets VINE know that **you** got the call, and will stop the service from calling you again.
