

# OREGON MINIMUM WAGE

**MINIMUM WAGE**

**\$7.95**

per hour beginning January 1, 2008  
through December 31, 2008

All employers must comply with state laws regulating payment of minimum wage, overtime and general working conditions.

### General Working Conditions

- ▶ **Overtime:** Employees must be paid time and one-half the regular rate of pay for any time worked over 40 hours a week.
- ▶ **Tips:** Employers may not use tips as credit toward minimum wages owed to an employee.
- ▶ **Deductions:** Employers may make deductions for the fair market value of meals or lodging provided for the private benefit of the employee as well as those deductions which are required by law or provided for in a collective bargaining agreement. An itemized statement of deductions made from wages must be provided with each paycheck.
- ▶ **Time and payroll records** must be kept for at least two years.
- ▶ **Regular paydays** must be established and maintained. A pay period may not exceed 35 days.
- ▶ **Meal periods** of 30 minutes must be provided if the workday is six hours or longer. The employee must be relieved of all duty during this time. If the employee cannot be relieved due to the nature or circumstances of the work, then the meal period must be paid. The scheduling of meal periods is flexible and depends on the length of the workday.
- ▶ **Paid rest periods** of at least 10 minutes for adults (15 minutes for minors) must be provided during each four-hour work period or major part of four hours worked. (There are narrow exemptions for adult employees working alone in retail/service establishments.)

Meal and rest periods may not be waived or used to adjust working hours; however, meal and rest period provisions may be modified by the terms of a collective bargaining agreement.

- ▶ **Final paychecks:** If an employee is fired, the final paycheck is due no later than the end of the first business day after the discharge. If an employee quits with 48 hours or more notice, wages are due the last working day (excluding Saturdays, Sundays and holidays). If an employee quits without at least 48 hours notice, wages are due in five days (excluding Saturdays, Sundays and holidays) or on the next payday, whichever occurs first. (There are some exceptions. Contact the nearest Bureau of Labor and Industries office for information.)

### Employment of Minors

- ▶ Employers must have an Employment Certificate, validated by the Bureau of Labor and Industries, before they hire minors.
- ▶ An employer must post the validated certificate in a conspicuous place where all employees can readily see it.

Sixteen and 17-year-old employees may work during a meal period if the nature or circumstances of the job require it, but must be paid for their time.
