

## **Criminal Background Information**

1. **CRIMINAL HISTORY** – Certain convictions DISQUALIFY you from being certified and you will not be allowed to work as a private security provider, under Oregon law. The attached criminal disqualifier list is provided for you to determine whether or not you want to apply. If you apply for certification or licensure and your criminal background check shows that you have been convicted of any of the below listed crimes or equivalent crimes in other jurisdictions your application will be disqualified. Please call DPSST at 503 378-8531 if you have any questions. NOTE: If you have history that you believe should have been “expunged” or removed from your record, but you do not **know** (proof in hand) that it was expunged or removed; you should verify your belief prior to applying. A crime is not removed from your record until you go through the formal process to have it removed. Believing a conviction was removed, or forgetting a conviction existed, is not a valid defense and your application for certification or licensure may be denied
