

Oregon Vaccine Requirements for School and Children's Facilities

**Quick Summary**

Revised January 26, 2006

**School Year 2006-2007**

This document is a summary only. Oregon's vaccine requirements vary by the age of the child, the child's previous vaccination history and by the grade level of the child. All of Oregon's requirements are made in accordance with the recommendations of the Advisory Committee on Immunization Practices. For more information, contact your local county health department, or the DHS, Immunization Program at 971-673-0300.

Children must have at least one dose of each vaccine required for their age and grade level to begin child care, Head Start or school attendance. Oregon also recognizes medical and religious exemptions. Each year, immunization records are reviewed. Children whose records show they are behind on their shots may receive an exclusion order. An exclusion order denies school or daycare attendance if needed vaccines are not received by a specific date.

Vaccine	Age/Grade	Comments
Diphtheria/Tetanus	Child Care Head Start Preschool	4 doses, or age appropriate.
	Grades K-12	5 doses, unless the 4th dose was received after age 4 years, then 4 doses.
Pertussis (whooping cough)	Not Required	
Hepatitis A	Not Required	
Hepatitis B	Child Care Head Start Preschool	3 doses, or age appropriate.
	Grades K-6	3 doses
	Grades 7-12	3 doses, unless provider is using 2-dose formulation.

Vaccine	Age/Grade	Comments
<i>Haemophilus Influenzae</i> Type B (Hib)	Child Care Head Start Preschool	Age appropriate.
Influenza (Flu)	Not Required	
Measles*	Child Care Head Start Preschool	1 dose, on or after 1st birthday.
	Grades K-12	2 doses, both after 1st birthday and 1 month apart.
Mumps, Rubella*	Child Care Head Start Preschool	1 dose, on or after 1st birthday.
	Grades K-12	1 dose, on or after 1st birthday.
Meningococcal	Not Required	
Pneumococcal	Not Required	
Polio	Child Care Head Start Preschool	3 doses, or age appropriate.
	Grades K-12	4 doses, unless 3rd dose given after 4th birthday, then 3 doses.
Varicella (chickenpox)	Child Care Head Start Preschool Grades K-12	1 dose, on or after 1st birthday.

\*Most providers in Oregon give measles, mumps and rubella together in one shot called MMR. Two doses of MMR will fulfill the two-dose measles requirement.
