Summary of Analysis

The dual request is for a site development plan for building permit amendment for Lots 1, 2, 3, 4, 5 & 7, West Bluff Center, a site of 34 acres zoned SU-1 for C-2 and C-2, located on Coors Blvd. NW between I-40 and Quail Road, and a text amendment to the Coors Corridor Plan. The applicant proposes to build two free-standing signs near the west property line of the site, that would be higher and have larger sign face areas than the previously approved signs at these locations. The text amendment would allow 150 sf free-standing or projecting signs within 200' of the elevated section of Coors Blvd. between I-40 and Quail Road.

At the January 17th hearing, the EPC directed the applicant to modify the proposal in consultation with the affected neighborhood associations. The applicant seeks a further 30-day deferral to finish that process.
