EHS 155 ~ Building Emergency Team Seminars

Course Syllabus

Subject Category: Building Emergency Team
Course Length: 2.0 hours
Delivery Mode: Class
Schedule: Quarterly
Location/Time: Bldg. 48-109, 9-11 a.m.

Course Prerequisite: EHS 154; EHS 116; EHS 530
Medical Approval: No

Course Purpose: This course is designed for Lab employees who have been assigned as members of Building Emergency Teams (BETs) and have received the basic training required (EHS 154, EHS 116, EHS 530). These seminars will update and refresh the skills already learned, i.e.: responsibilities of fire department; utility turn off switches; rescue boxes; first aid triage, etc.

Course Objectives:

- To update BET members on skills learned in initial training.
- To familiarize BET member with the additional emergency response skills.

Course Instructional Materials:

- PowerPoint slide presentation
- Tapes and other material will vary with presentation.

Instructors:

Valerie Quigley, x7032 - primary

Training Compliance Requirements: 8CCR 3220(e), 3221(d)

Course Hand-outs: As appropriate to material.

Participant Evaluation: Written evaluations regarding the effectiveness of the trainer, the training and the visual aids.

Written or Practical Exam: No

Retraining/Recertification: No

Web Resource: Guidance documents available on Emergency Services web page: <http://www.lbl.gov/ehs/ep>
