

DATE: November 16, 2005  
TO: Oregon Transportation Commission  
FROM: Lorna Youngs  
Director  
SUBJECT: Highway Segment Designations

**REQUESTED ACTION:**

Adopt six Special Transportation Areas (STAs) and two Urban Business Areas in seven local jurisdictions. This action is an amendment to the Oregon Highway Plan.

Because this is an amendment to the Oregon Highway Plan it is required that the commission hold a public hearing for those wishing to testify.

**BACKGROUND:** Designation of Special Transportation Areas and Urban Business Areas is enabled by Oregon Highway Plan Policy 1B. Following the designation of 133 highway segments in January of 2004, additional local areas have been recommended for designation. Highway segment designation is an acknowledgment by ODOT and the local government of a commitment to balance state and local needs in the designated area.

**SUMMARY OF CHANGES**

The following highway segments are recommended for designation as Special Transportation Areas (STAs):

**Region 1:**

**Cornelius**, extension of existing **STA**: Request is for extension of the existing STA on OR 8 Couplet; Roadway 1 from Milepoint 16.06 to 16.44 and Roadway 2 from Milepoint 16.07 to 16.44 (Adair and Baseline from 14th to 20th Avenues).

**Region 2:**

**Cloverdale STA**: US 101 from Milepoint 87.35 (easternmost commercial property) to 87.66 (Mill Road).

**Garibaldi STA**: US 101 from Milepoint 55.29 (12<sup>th</sup> Street) to 56.12 (Driftwood Avenue).

**Warrenton STA<sub>1</sub>**: Hwy 104 from Milepoint 3.38 (1<sup>st</sup> Street) to 3.62 (4<sup>th</sup> Street).

**Warrenton STA<sub>2</sub>**: Hwy 104 from Milepoint 0.10 (Ridge Road/Lake Drive) to 0.52 (Heceta Street).

Adopted as Requested

November 16, 2005

**Yachats STA:** US 101 from Milepoint 164.12 (7<sup>th</sup> Street) to 164.46 (Yachats River Road).

The following areas are recommended for designation as Urban Business Areas (UBAs):

**Region 3:**

**Elkton UBA:** OR 38 from Milepoint 36.17 (Third Street) to 36.32 (Main Street).

**Myrtle Point UBA:** OR 40 from Milepoint 20.53 (Ash Street) to 20.80 (Harris Street).

**PRESENTATION:**

Staff will briefly describe the recommended segment designations. The balance of the time is for public comments and Commission discussion.

**Time Needed:** 20 minutes

**Presenter:** Craig Greenleaf, Administrator,  
Transportation Development Division
