RACO West is an annual one-day conference on Federal records management issues and is hosted by the National Archives and Records Administration (NARA). Each year NARA picks one of its Regional Offices to host this annual event. The Southwest Region in Fort Worth has been chosen for 2009.

The Annual E-Records Forum sponsored by NARA-SW Region, Texas State Library and Archives Commission, University of Texas at Austin School of Information, National Association of Government Archives and Records Administrators, and the Society of Southwest Archivists is a unique conference focusing on current issues in Electronic Records.

These two events will be combined in 2009 to bring you the best of both.
Event will be held at the OMNI Hotel in Downtown Austin, Texas
A complete program will be posted in early 2009
