

**OFFICE OF THE ASSISTANT SECRETARY OF DEFENSE  
FOR NETWORKS INFORMATION INTEGRATION**

**ACTION MEMO**

September 14, 2006

FOR: ASD(NII) DoD CIO

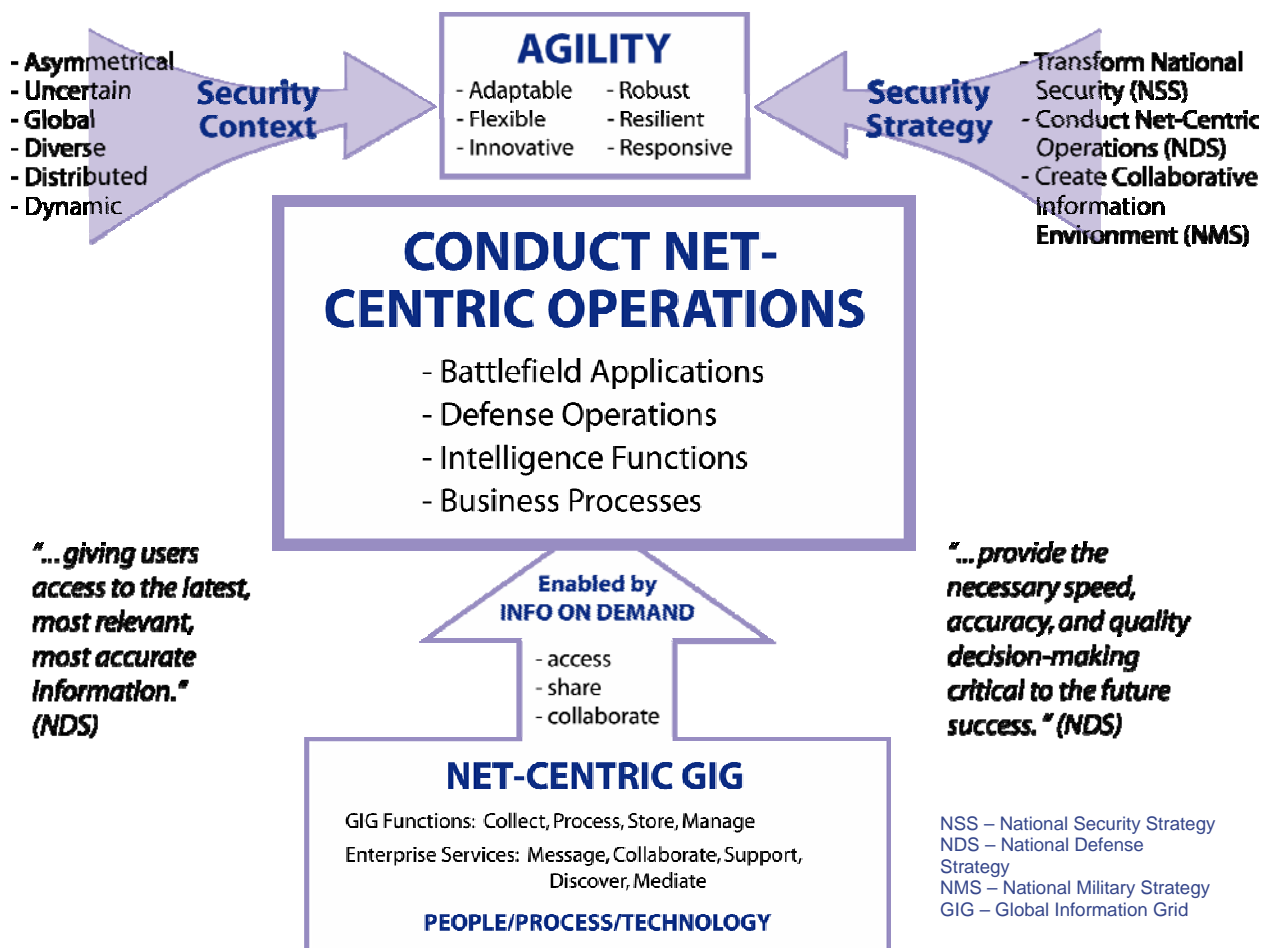

THROUGH: PD DoD CIO

FROM: Director, A&I

SUBJECT: Enabling Net-Centric Operations

The ASD(NII) DoD CIO's mission is to enable Net-Centric Operations by leading the Information Age transformation that enhances the Department of Defense's efficiency and effectiveness. Net-Centric operations is a cornerstone of the ongoing transformation effort at the Department of Defense initiated by Secretary of Defense Donald Rumsfeld.

ASD(NII) DoD CIO's approach to enabling Net-Centric Operations

Prepared by: Thomas Lam, DoD CIO A&I
