

About the Forum

This seminar-styled forum provides education and information on current project delivery trends, strategies, methods, best practices, issues, and updates.

The forum is sponsored by the Project Delivery Leadership Team, and is open to leadership staff and key business line staff responsible for project delivery, as well as key organizational partners.

Don't miss this excellent opportunity to meet your peers and partners, network at a statewide level, and receive the latest information on ODOT Project Delivery initiatives.

We look forward to seeing you there!

Registration

There is no registration fee to attend the Business Line Forum; however, participants will need to charge crew EA's for any applicable lodging, meals and other travel related expenses. Please see the ODOT Travel Handbook at the Financial Services Intranet website for current travel rules.

SEATING IS LIMITED! You must register online at: <http://s-salemrev-69/stc/student/psciis.dll?class=student&loc=0000054767> by Wednesday, October 15, 2008 in order to reserve a seat and be included in the lunch. Click on the Course Description link for additional information.

If you have any problems registering or have questions regarding the forum, please contact Lissa Willis at Lissa.Willis@odot.state.or.us or (503) 986-3893.
