[FHWA Docket No. FHWA-97-2514; 96-8]

RIN 2125-AD78

Mitigation of Impacts to Wetlands and Natural Habitat

AGENCY: Federal Highway Administration (FHWA), DOT.

ACTION: Final rule; delay of effective date.

SUMMARY: The Federal Highway Administration (FHWA) is delaying the effective date of the final rule it published on December 29, 2000 (65 FR 82913), concerning the mitigation of impacts to wetlands and natural habitat. The original effective date of this final rule was January 29, 2001. The new effective date of this rule is March 30, 2001. The delayed effective date will provide the Administration an opportunity to review this final rule.

DATES: The effective date of the rule amending 23 CFR part 777 published at 65 FR 82913, December 29, 2001, is delayed from January 29, 2001 until March 30, 2001.

FOR FURTHER INFORMATION CONTACT: Mr. Paul Garrett, Office of Natural Environment, (303) 969-5772, ext. 332, email address:

paul.garrett@fhwa.dot.gov; FHWA 555 Zang Street; Lakewood, CO 80228 office hours are from 8 a.m. to 5 p.m., m.t., Monday through Friday, except Federal holidays; or Mr. Robert Black, Office of the Chief Counsel, HCC-30, (202) 366-1359, email address:

robert.black@fhwa.dot.gov, 400 Seventh Street, SW., Washington, DC 20590-0001, Office hours are from 7:45 a.m. to 4:15 p.m., e.t., Monday through Friday, except Federal holidays.

SUPPLEMENTARY INFORMATION: The FHWA believes good cause exists to publish this rule delaying the effective date of the FHWA's December 29 final rule on Mitigation of Impacts to Wetlands and Natural Habitat, and making such delay effective upon publication of this rule. Because the December 29 published final rule would have gone into effect on January 29, 2001, it would be impracticable to provide prior notice and opportunity for public comment. In addition it would be contrary to the public interest to permit the rule to go into effect as previously scheduled without giving the Administration an opportunity to review the rule in accordance with the memorandum of January 20, 2001, from the Assistant to the President and Chief of Staff, entitled "Regulatory Review Plan," published in the **Federal Register** on January 24, 2001.

Issued on: January 25, 2001.

Anthony R. Kane,

Executive Director.

Petition by American Samoa for Exemption From Anti-Dumping Requirements for Conventional Gasoline: Delay of Effective Date

AGENCY: Environmental Protection Agency.

ACTION: Final rule; delay of effective date.

SUMMARY: In accordance with the memorandum of January 20, 2001, from the Assistant to the President and Chief of Staff, entitled "Regulatory Review Plan," published in the **Federal Register** on January 24, 2001, this action temporarily delays for 60 days the effective date of the rule entitled Petition by American Samoa for Exemption from Anti-Dumping Requirements for Conventional Gasoline, published in the **Federal Register** on November 29, 2000, 65 FR 71067. That rule grants a petition by the Territory of American Samoa for exemption from the Clean Air Act's anti-dumping requirements for gasoline sold in the United States after January 1, 1995. To the extent that 5 U.S.C. 553 or 42 U.S.C. 7607(d) applies to this action, it is exempt from notice and comment because it constitutes a rule of procedure under 5 U.S.C. 553(b)(A). Alternatively, the Agency's implementation of this rule without opportunity for public comment, effective immediately upon publication today in the **Federal Register**, is based on the good cause exceptions in 5 U.S.C. 553(b)(B) and 553(d)(3), in that seeking public comment is impracticable, unnecessary and contrary to the public interest. The temporary 60-day delay in effective date is necessary to give Agency officials the opportunity for further review and consideration of new regulations, consistent with the Assistant to the President's memorandum of January 20, 2001. Given the imminence of the effective date, seeking prior public comment on

this temporary delay would have been impractical, as well as contrary to the public interest in the orderly promulgation and implementation of regulations.

DATES: The effective date of the rule titled Petition by American Samoa for Exemption from Anti-Dumping Requirements for Conventional Gasoline, published in the **Federal Register** on November 29, 2000, at 65 FR 71067, is delayed for 60 days, from January 29, 2001 to a new effective date of March 30, 2001.

Georgia: Final Authorization of State Hazardous Waste Management Program Revision: Delay of Effective Date

AGENCY: Environmental Protection Agency.

ACTION: Final rule; delay of effective date.

SUMMARY: In accordance with the memorandum of January 20, 2001, from the Assistant to the President and Chief of Staff, entitled "Regulatory Review Plan," published in the **Federal Register** on January 24, 2001, this action temporarily delays for 60 days the effective date of the rule entitled Georgia: Final Authorization of State Hazardous Waste Management Program Revision, published in the **Federal Register** on November 28, 2000, 65 FR 70804. Georgia has applied to the Environmental Protection Agency (EPA or the Agency) for final authorization of the changes to its hazardous waste program under the Resource Conservation and Recovery Act (RCRA). EPA has determined that these changes satisfy all requirements needed to qualify for final authorization, and that rule authorizes the State's changes. To the extent that 5 U.S.C. 553 applies to this action, it is exempt from notice and comment because it constitutes a rule of procedure under 5 U.S.C. 553(b)(A).

Alternatively, the Agency's implementation of this rule without opportunity for public comment, effective immediately upon publication today in the **Federal Register**, is based on the good cause exceptions in 5 U.S.C. 553(b)(B) and 553(d)(3), in that seeking public comment is impracticable, unnecessary and contrary to the public interest. The temporary 60-day delay in effective date is necessary to give Agency officials the opportunity for further review and consideration of new regulations, consistent with the Assistant to the President's memorandum of January 20, 2001. Given the imminence of the effective date, seeking prior public comment on this temporary delay would have been impractical, as well as contrary to the public interest in the orderly promulgation and implementation of regulations.

DATES: The effective date of the rule titled Georgia: Final Authorization of State Hazardous Waste Management Program Revision, published in the **Federal Register** on November 28, 2000, at 65 FR 70804, is delayed for 60 days, from January 29, 2001 to a new effective date of March 30, 2001.

FEDERAL COMMUNICATIONS COMMISSION

47 CFR Part 0

[FCC 00-450]

Formalized Structure and Responsibilities of the Local and State Government Advisory Committee

AGENCY: Federal Communications Commission.

ACTION: Final rule.

SUMMARY: This document formalizes the structure and responsibilities of the Local and State Government Advisory Committee (LSGAC). The LSGAC currently is comprised of 15 elected and appointed officers of municipal, county, state, and tribal governments.

DATES: Effective January 29, 2001.

FOR FURTHER INFORMATION CONTACT: Emily Hoffnar, FCC Liaison to the LSGAC, Common Carrier Bureau, (202) 418-1500.

SUPPLEMENTARY INFORMATION: This is a summary of a Commission's Order released on January 8, 2001. The full text of this document is available for public inspection during regular business hours in the FCC Reference Center, Room CY-A257, 445 Twelfth Street, SW., Washington, DC 20554.

1. In this Order, we formalize the structure and responsibilities of the Local and State Government Advisory Committee (LSGAC) by adopting a new Subpart G, § 0.701 of the Commission's rules. The LSGAC currently is comprised of 15 elected and appointed officers of municipal, county, state, and tribal governments. Since its inception in 1997, the LSGAC has provided advice and information to the Commission on key issues relevant to the LSGAC, including public rights-of-way, facilities siting, universal service, removal of barriers to competitive entry, public safety communications, and various issues regarding implementation of the Telecommunications Act of 1996. Meetings held between the LSGAC and the Commission concern the management or implementation of Commission programs that explicitly or inherently share intergovernmental responsibilities or administration with local, county, state, or tribal governments.

2. We expect the LSGAC will continue to facilitate intergovernmental communication between local and state governments and the Commission. We therefore believe it is appropriate to recognize in our rules the important role that the LSGAC plays and to formalize its structure and duties. The new rules therefore specify the number of LSGAC members, as well as membership categories, to ensure that the LSGAC continues to reflect a diverse representation of municipal, county, state and tribal governments. Consistent with its current structure, the new rules states that there shall be 15 members of the LSGAC, comprised as follows: six elected municipal officials (city mayors and city council members); three elected county officials (county commissioners or council members); one elected or appointed local government attorney; one elected state executive (governor or lieutenant governor); two elected state legislators; one elected or appointed public utilities or public service commissioner, and one elected or appointed Native American tribal representative. The LSGAC members shall select two members, a Chair and
