

## State Epidemiological Data System (SEDS)

| <b>Alcohol Consequences</b>      |  |               |
|----------------------------------|--|---------------|
| <b>Construct</b>                 | <b>Measure</b>   | <b>Source</b> |
| <b>Alcohol-related mortality</b> | <a href="#"><u>Number of deaths from chronic liver disease per 1000 population</u></a>   | NVSS          |
|                                  | <a href="#"><u>Number of deaths from suicide per 1000 population</u></a>   | NVSS          |
|                                  | <a href="#"><u>Number of deaths from homicide per 1000 population</u></a>  | NVSS          |
| <b>Motor vehicle crashes</b>     | <a href="#"><u>Percentage of fatal motor vehicle crashes for which at least one driver, pedestrian, or cyclist had been drinking</u></a>     | FARS          |
|                                  | <a href="#"><u>Number of vehicle deaths in which at least one driver, pedestrian, or cyclist had been drinking per 1000 population</u></a>   | FARS          |
|                                  | <a href="#"><u>Percent of drivers involved in fatal crashes who used alcohol</u></a>   | FARS          |
| <b>Crime</b>                     | <a href="#"><u>Number of violent crimes (aggravated assaults, sexual assaults, and robberies) reported to police per 1000 population</u></a> | UCR           |
| <b>Dependence or abuse</b>       | <a href="#"><u>Percent of persons aged 12 and older meeting DSM-IV criteria for alcohol abuse or dependence</u></a>                          | NSDUH         |

| <b>Alcohol Consumption</b> |  |               |
|----------------------------|--|---------------|
| <b>Construct</b>           | <b>Measure</b>   | <b>Source</b> |
| <b>Current use</b>         | <a href="#"><u>Percent of persons aged 12 and older reporting any use of alcohol in the 30 days</u></a>            | NSDUH         |
|                            | <a href="#"><u>Percent of students in grades 9 through 12 reporting any use of alcohol in the past 30 days</u></a> | YRBSS (OHT)   |
|                            | <a href="#"><u>Percent of persons aged 18 and over reporting any use of alcohol in the past 30 days</u></a>        | BRFSS         |

## State Epidemiological Data System (SEDS)

|  |   |             |
|--|---|-------------|
| <b>Current binge drinking</b>                  | <a href="#">Percent of persons aged 12 and older reporting having five or more drinks on at least one occasion in the past 30 days</a>                                | NSDUH       |
|  | <a href="#">Percent of students in grades 9 through 12 reporting having five or more drinks on at least one occasion in the past 30 days</a>                          | YRBSS (OHT) |
|  | <a href="#">Percent of persons aged 18 and older reporting having five or more drinks on at least one occasion in the past 30 days</a>                                | BRFSS       |
| <b>Heavy drinking</b>                          | <a href="#">Percent of adults aged 18 and older reporting average daily alcohol consumption greater than 2 drinks (male) or greater than 1 drink (female) per day</a> | BRFSS       |
| <b>Age of initial use</b>                      | <a href="#">Percent of students in grades 9 through 12 who report first using alcohol before age 13</a>   | YRBSS (OHT) |
| <b>Drinking and driving</b>                    | <a href="#">Percent of adults aged 18 and older reporting driving after having "perhaps too much to drink" in past 30 days</a>  | BRFSS       |
|  | <a href="#">Percent of students in grades 9 through 12 reporting driving when they had been drinking alcohol</a>  | YRBSS (OHT) |
|  | <a href="#">Percent of students in grades 9 through 12 who report riding in a car driven by someone who has been drinking</a>   | YRBSS (OHT) |
| <b>Apparent per capita ethanol consumption</b> | <a href="#">Total sales of ethanol (as estimated in gallons) in beer, wine, and spirits per capita aged 14 and over</a>   | AEDS        |

## State Epidemiological Data System (SEDS)

| <b>Tobacco Consequences</b> |   |               |
|-----------------------------|---|---------------|
| <b>Construct</b>            | <b>Measure</b>  | <b>Source</b> |
|                             | <a href="#"><u>Number of deaths from lung cancer per 1000 population</u></a>            | NVSS          |
|                             | <a href="#"><u>Number of deaths from COPD and emphysema per 1000 population</u></a>     | NVSS          |
|                             | <a href="#"><u>Number of deaths from cardiovascular disease per 1000 population</u></a> | NVSS          |

| <b>Tobacco Consumption</b> |   |               |
|----------------------------|---|---------------|
| <b>Construct</b>           | <b>Measure</b>  | <b>Source</b> |
| <b>Current use</b>         | <a href="#"><u>Percent of persons aged 12 and older reporting any use of cigarettes in the past 30 days</u></a>   | NSDUH         |
|                            | <a href="#"><u>Percent of persons aged 18 and older who report smoking 100 or more cigarettes in their lifetime and now smoke cigarettes either every day or on some days</u></a> | BRFSS         |
|                            | <a href="#"><u>Percent of students in grades 9 through 12 reporting any use of cigarettes in the past 30 days</u></a>   | YRBSS (OHT)   |
|                            | <a href="#"><u>Percent of students in grades 9 through 12 reporting any use of smokeless tobacco in the past 30 days</u></a>  | YRBSS (OHT)   |
| <b>Daily use</b>           | <a href="#"><u>Percent of adults aged 18 and older who report smoking 100 cigarettes in their lifetime and now smoke every day</u></a>  | BRFSS         |
|                            | <a href="#"><u>Percent of students in grades 9 through 12 who report smoking cigarettes on 20 or more days within the past 30 days</u></a>  | YRBSS (OHT)   |

## State Epidemiological Data System (SEDS)

| <b>Drug Consequences</b>                |   |               |
|---|---|---------------|
| <b>Construct</b>                        | <b>Measure</b>  | <b>Source</b> |
| <b>Drug-related mortality</b>           | <a href="#"><u>Number of deaths from illicit drug use per 1000 population</u></a>   | NVSS          |
| <b>Crime</b>                            | <a href="#"><u>Number of property crimes (larceny, burglary, motor vehicle theft) reports to police per 1000 population</u></a> | UCR           |
| <b>Illicit drug dependence or abuse</b> | <a href="#"><u>Percent of persons aged 12 and over meeting DSM-IV criteria for drug abuse or dependence</u></a>                 | NSDUH         |

| <b>Illicit Drug Consumption</b> |  |               |
|---------------------------------|--|---------------|
| <b>Construct</b>                | <b>Measure</b>   | <b>Source</b> |
| <b>Current use</b>              | <a href="#"><u>Percent of persons aged 12 and older reporting any use of marijuana in the past 30 days</u></a>   | NSDUH         |
|                                 | <a href="#"><u>Percent of students in grades 9 through 12 reporting any use of marijuana in the past 30 days</u></a>   | YRBSS (OHT)   |
|                                 | <a href="#"><u>Percent of persons aged 12 and older reporting use of any illicit drug other than marijuana, or an abusable product that can be obtained legally, in the past 30 days</u></a> | NSDUH         |
|                                 | <a href="#"><u>Percent of students in grades 9 through 12 reporting the use of cocaine in the past 30 days</u></a>   | YRBSS (OHT)   |
|                                 | <a href="#"><u>Percent of students in grades 9 through 12 reporting the use of inhalants in the past 30 days</u></a>   | YRBSS (OHT)   |
| <b>Lifetime use</b>             | <a href="#"><u>Percent of students in grades 9 through 12 reporting any use of specific classes of illicit drugs in their lifetime</u></a>   | YRBSS (OHT)   |
| <b>Age of initial use</b>       | <a href="#"><u>Percent of students in grades 9 through 12 reporting first use of marijuana before age 13</u></a>   | YRBSS (OHT)   |
