KEY:			
Part B* =Physicians' Services	C =Covered		
Part D** =Point of Sale-(POS)	E =Excluded		
DMAP/FCHP*** =covered drugs after 12/31/05	L =Limited or few covered		
COB =DMAP covers all Part B drugs as the secondary payer, but NOT Part D drugs.			
RX =Drug will NOT be paid for unless there is a covered diagnosis and drug criteria is met.			
Retail =Must be dispensed at retail to be covered under Part B, Part D, or by DMAP/FCHP.			
LTC (long term care) =Must be dispensed by LTC pharmacy to be covered under Part B, Part D, or by DMAP/FCHP.			
711 Drug =Any drug on the 711 list that is a Part D exclusion will still be carved out.			
If a Part B drug has a non-covered diagnosis, then bill Part D.			
DMAP will NOT cover any Medicare Part D covered drugs or copayments.
