D. Petitions for the Designation of Water Management Areas

- **Surface Water Management Area, Ahupuaa of Punaluu** - On January 20, 1994, the Punaluu Community Association (PCA) filed a petition "in order to protect surface water including stream flow, to guarantee the statutory rights of kuleana land owners as well as the riparian and appurtenant rights of others and also to preserve and protect the agricultural base and natural habitats which depend on such surface water." Moreover, PCA alleges ongoing "serious disputes". On March 16, 1994, the Commission approved continuing the designation process to investigate and determine the need for designation.
- **Surface Water Management Area, Na Wai Eha** - On December 6, 2006, Earthjustice, representing Hui o Na Wai Eha and Maui Tomorrow Foundation, Inc. filed a petition requesting that the Commission either: (1) recognize the watersheds of Waihee, Waiehu, Iao, and Waikapu Streams (collectively, Na Wai Eha) as part of the existing Iao Ground Water Management Area, or (2) designate the Na Wai Eha Surface-Water Hydrologic Units as a surface water management area. The chairperson consulted with the County of Maui's mayor, council, and water department prior to making a recommendation to the Commission regarding the proposed designation. The Commission, on February 21, 2007 approved the chairperson's recommendation to continue the designation process, which includes publicizing and holding a public hearing, initiating and completing investigations, completing findings of fact, further consultation with the Mayor, County Council, and the Department of Water Supply, and final Commission action. Notice was published and a public hearing was held at the J. Walter Cameron Center in Wailuku on April 26, 2007, to hear public testimonies regarding the proposed designation. A draft Findings of Fact was completed and there was further consultation with the County. The Commission, on March 13, 2008, designated the Waihee, Waiehu, Iao, and Waikapu Surface Water Hydrologic Units as surface water management areas. A public notice setting the starting date to submit water use permit applications was issued on April 30, 2008. Existing users have one (1) year to file to continue their existing use status.
