1/ Tables SF-5 and SF-6 summarize State receipts and disbursements applicable to local roads and streets not under State control. Data for local roads under State control are included in Tables SF-3 and SF-4. See Table SF-21 for general note on SF table series. This table is compiled from reports of State authorities.
 2/ Any differences between beginning balances and the ending balances on last year's Table SF-6 are the result of accounting adjustments, inclusion of funds not previously reported, etc.
 3/ Amounts shown represent only those highway-user revenues expended on local roads. See

Table DF for the full amount of and disposition of highway-user revenues.
 4/ Gross general fund appropriations for highways were reduced by the amount of highway-user revenues placed in the State General Fund. See Tables SF-1 and DF.
 5/ Includes sales and use taxes, severance taxes, and other State taxes.
 6/ This State did not report 2006 data; the table displays 2005 data.
