This program is most beneficial to your patients when used as a part of therapy year round. This is where the therapy really occurs, on a daily basis in a clinical setting with creative arts therapists, recreation and occupational therapists, craft care specialists and other healthcare professionals using the arts as an avenue toward achievement of restorative related goals.

The competitions and Festival serve as methods by which veterans can receive recognition for their creative accomplishments. A great deal of this recognition is received at their local VA facility and all of you who participate in this process are to be congratulated.

The following are competition rules, information and tips for making your participation easier in the midst of your very busy schedule. If you have further questions or need assistance in any way, you may contact the national chairpersons or me at any time.

First place ties in a category at the local competition **MUST** be rejudged at the local level as only **one entry for each category** will be accepted **from each VA facility**. ## National RULES - The Festival

---

1. Following the national judging, all of the first place-winning videotaped entries from the national competition in the creative writing, dance, drama and music divisions will advance for viewing and **possible** selection for inclusion in the 2007 Festival stage show performance. **SOME** of these first place-winning contestants will be invited to attend the National Veterans Creative Arts Festival to be hosted by the St. Louis VA Medical Center October 22-29, 2007. In addition, some of the second and third place entries from the creative writing, dance, drama and music divisions may also be considered for possible inclusion and invitation to participate in the stage show performance. Those invited to attend will be notified by June 30, 2007.

All national first place-winning contestants from the **art division** will automatically be invited to attend the Festival and will be notified via their VA contact staff person by June 30, 2007.

2. **For the art division:** Veterans who have received a gold medal in the same category from the art division for two consecutive years must enter a different category the third year in order to be invited to the Festival. Failure to comply with this rule will result in disqualification. **For the performing arts divisions:** Veterans may only be invited to the Festival in the same category for two consecutive years. Veterans attending the Festival in the same category in 2005 and 2006 must be a winner in a different category in 2007 to be invited to the Festival. The stage show selection committee reserves the right to make exceptions to this rule. Medals, ribbons, and plaques may be won in any category for any number of years.

Failure to comply with this rule will result in disqualification of the entry. Additionally, veterans should be encouraged to enter new material each year rather than repeat entries.
4. Funding support and arrangements for travel to and from the National Veterans Creative Arts Festival for those invited veterans should be the responsibility of the local medical center. Housing, meals, ground transportation and other routine expenses during the Festival will be provided through national Festival funds. These expenses will be provided for up to 15 eligible veterans per group.
5. Those invited to participate in the National Veterans Creative Arts Festival will be notified via email to the VA contact staff person listed on the entry form, no later than June 30, 2007. Invited participants must decline or submit all required forms for participation in the Festival no later than August 15, 2007.
6. This includes lyrics for music, dance, and words/narration for all drama and creative writing pieces. Emails can be sent to [Suzanne.Anderson4@med.va.gov](mailto:Suzanne.Anderson4@med.va.gov).
7. Performance costumes for winning acts invited to the Festival will be the responsibility of the participant(s). All participants will be requested to bring black pants or skirts and white long sleeved collared shirts, but other production number costumes such as vests, hats, ties, etc., will be provided by the National Committee.

### ***Tips for taking BETTER VIDEOS: Creative Writing, Dance, Drama and Music Entries***

---

- Please take a few extra minutes preparing a video correctly in order to give your veteran the best chance possible during the judging process and to save HOURS of time with the judging process for our judges who donate their time.
- **Focus on the performer**, not the accompanists. Avoid taping from the back of the room. Stage presence cannot be judged if you cannot clearly see the performer.
- In the case of videotaping dance acts, be sure to focus on the feet. Whole-body videotaping for dance entries is highly recommended.
- **Sound control** is important! Clear audio makes a performance much easier (and enjoyable) to judge. Make sure your sound is good and balanced.
- **Don't tape your entire show and then just go back and erase those acts that are not going forward to the national level.** Consider holding your local competition and then videotaping ONLY the first place acts that will be sent forward to national.
- **Creative writing, dance, and drama entries** must be submitted on one single  $\frac{1}{2}$ " VHS videotape for each division in the order that the categories are listed in this book. *Videotapes that are not in correct order will be disqualified.*
- **Vocal music entries** must be submitted on one single  $\frac{1}{2}$ " VHS videotape in the order that the categories are listed in this book. *Videotapes that are not in correct order will be disqualified.*
- **Instrumental music entries** must be submitted on one single  $\frac{1}{2}$ " VHS videotape in the order that the categories are listed in this book. *Videotapes that are not in correct order will be disqualified.*
- Check your tape before you mail it and **make sure every act you intend to be on there is in fact there.** Every year there are facilities that have unintentionally left someone's act off the tape. **Label your tape according to the instructions given in Rule #3, page 4 - The Competition Phase.**
- **Be sure to make a copy of your final videotapes for your own file/library in the event of lost or damaged videotapes.**

### ***Tips for taking BETTER DIGITAL IMAGES: Art Entries***

---

- **The art piece should fill the photo** - get as close as possible so the piece fills the viewfinder of the camera.
- **Include the framing and matting of pictures** - these are part of the total presentation. Pedestals or bases that are part of the artwork should also be included in the slide.
- **Use soft pastel backgrounds rather than white backgrounds** - this can reduce glare.
- **Three-dimensional pieces may submit two images** - each image should show a different angle of the piece.
- **Watch for shadows on the background** - move the item being photographed away from the background to eliminate shadows.
- **Be alert for glare** - try changing the direction and location of the lighting or softening the light by bouncing it off a wall or screen.

## Art Division Rules

---

1. All artwork entered (except for the Military Combat Experience category #17) must have been completed after **March 1, 2006**.
2. Each Medical Center can submit **ONLY ONE (1) ENTRY IN EACH ART CATEGORY** to the National level of the Art Competition.
3. Complete the art entry form *with as much detail about medium or materials used as possible*. This information is shared with the Phase 1 judges while they are scoring each entry.
4. Artwork completed by **groups** of veterans (two or more people) **will not qualify** for entry into the National Art Competition.
5. Sets in the fine arts and applied arts can contain **NO MORE** than three (3) pieces. The pieces must relate to one another in an obvious way to the judges in order to be classified as a set. **NO SETS** are allowed in the kit categories, unless a single kit contains a set such as a set of suncatcher Christmas ornaments.
6. If an entry contains a craft kit, it must go into a craft kit category unless otherwise stated in the category definitions (i.e., soapstone carving kits go into the carving category).

7. **ARTWORK SIZE RESTRICTIONS** - Each National Art entry must be able to fit into **ONE box**. The box can be up to 150 lbs, up to 165 inches in length and girth combined. Length cannot exceed 108 inches. To measure packages use the following formula:

$$\text{Length} + 2x \text{ Width} + 2x \text{ Height}$$

**Step 1.** Determining Length - Measure the longest side of the package, rounding to the nearest inch. This is your length.

**Step 2.** Determining Girth (2x Width + 2x Height). Measure the width of the package, rounding to the nearest inch. Multiply this number by 2. Measure the height of the package, rounding to the nearest inch. Multiply this number by 2. Add these two numbers together. This is your girth.

**Step 3.** Add the length and the girth together. This is your package measurement.

8. Entries that require assembling after unpacking and items shipped by freight will be **DISQUALIFIED**.
9. **GUNS** and **KNIVES** will **not** be accepted. Items with a blade-like form, such as a letter opener, with blades measuring 3 inches or more, will **not** be accepted due to VA regulations banning these items from VA facilities.

15. VA contact staff persons: Please explain to the veterans entering the art division competition that their artwork will be required to be available through the local and national competition process (February through May). All art entries that are selected as top three scoring entries in the first phase of the national competition in April will need to be shipped in May to St Louis, MO for the second phase of the national judging in June.

---

### ***Art Division Phase One Process***

---

Retain each of your facility's first place winning entries and store them in a secure place. Explain to your veterans that the first phase of the National Art Competition will use ***electronic digital image files in jpeg format***. The top three scoring entries in each category will be chosen before the end of May. The contact staff person listed on the entry form of each top placing entry will be notified. They will then be given information about shipping the actual art pieces and the deadlines for the final phase of the competition. All gold medal winners from the National Art Division Competition will be invited to participate in the Festival. ---

## ***Visual Arts Special Recognition Categories***

---

The **Special Recognition** category of the visual arts division has been divided into two separate **categories**. The intent of these categories is to reinforce the concept of the arts as therapy, where an individual uses artistic expression to facilitate successful treatment outcomes. Entries and their accompanying written statements from the veteran's VA contact staff person should focus on how the arts are used by the individual(s) to rise above severe limitations. Entries submitted into the Art Special Recognition categories could be in the Fine Arts, Applied Arts or Kits division but should be sent to ***Katy Ryan, National Art Chairperson, VAMC Minneapolis.***

---

## *Veterans Day Poster Submissions*

---

The Veterans Day Poster is *no longer* a category within the National Veterans Creative Arts competition. However, veterans who wish to submit electronic jpeg images for consideration of the 2007 Veterans Day Poster should submit the jpeg image, art entry form (page 17), and signed consent for release of picture and/or voice form (page 18) to:

Katy Ryan, National Art Chairperson (135)  
VA Medical Center  
One Veterans Drive  
Minneapolis, MN 55417  
E-mail Address: [Katharina.Ryan@med.va.gov](mailto:Katharina.Ryan@med.va.gov)

The criteria for submitting an electronic digital jpeg image of artwork for consideration as the Veterans Day Poster is as follows:

- The medium used must be a **fine art** or **applied art** medium.
- Artwork that satisfies diversity considerations and gives equal visibility to all branches of the military. If one ethnic group is depicted, then it is important to depict all ethnic groups. If one branch of the military is represented, then it is advised to include all branches.
- The artwork should convey the message "honoring all who served," as Veterans Day includes everyone who ever served in the military. Depicting **active duty** members in uniform would not be a correct representation of veterans.
- Patriotic imagery that conveys the "honoring all who served" theme is appropriate. This would include the old standbys such as flags and eagles, though adding to this concept is encouraged.

\*Please note that the Veterans Day National Committee will also be reviewing artwork from other artist sources and that it is not guaranteed that submissions via the National Veterans Creative Arts Program will be the one selected as the 2007 poster. The committee will review and select the artwork for the poster in May, 2007.

\*\*If chosen, the artist agrees to relinquish any and all rights to the poster. The poster will become public domain and will be used for Veterans Day purposes.

\*\*\*To view Veterans Day Posters from previous years, please visit the Veterans Day website at: <http://www.va.gov/vetsday> and click on "Veterans Day Posters."

## Music Division Rules

---

The music division has been divided into two sub-divisions, vocal and instrumental. All vocal music entries and accompanying paperwork should be sent to Jennifer Lewis, National Music Chairperson from Temple, TX. All Special Recognition entries and Local Level Participation paperwork should also be sent to Jennifer Lewis. All instrumental music entries and accompanying paperwork should be sent to Veronica Andreassen, National Music Division Assistant from Durham, NC.

1. Eligible veteran inpatients and outpatients **may submit no more than three(3) solos in any one division.** (example: Three music solos, three dance solos or three drama solos, all in different categories.)
2. Music entries will be **three(3) minutes or less.** Entries reaching national competition which are longer will be disqualified.
3. **Only one entry in any category may be submitted from each veteran facility.** If more than one eligible veteran enters a category at the veteran facility, there must be a process for selecting the one entry to advance to national competition for that category from that facility.
4. **Once an entry has placed first in the music division at the national level of competition, it is not eligible to be entered again.** (Example: if a veteran or group places first with a music selection in a category one year at the national level, the veteran or group may not enter that specific music selection again in the competition but he may enter that category again with a different music selection.) **Music that has not placed first at the national level of competition should not be entered more than two consecutive years.**
5. No restrictions or qualifications shall be placed on accompanists or conductors for musicians. However, **accompanists may only accompany and not take instrumental leads or solos.** There is no limit in the number of accompanists that may be utilized in an entry, as long as they are only accompanying. A band of musicians may accompany a vocal solo, vocal group, instrumental solo or instrumental group. (Example: an instrumental group consisting of eligible veteran inpatients or outpatients taking leads on saxophone, trumpet and guitar accompanied by non-lead staff or volunteers on piano, drums and bass.)
6. **The addition of staff, volunteer, veterans who are not current inpatients or outpatients to any entry other than as accompanists or conductors will result in disqualification.**
7. It should be noted that although the National Veterans Creative Arts Program recognizes the therapeutic value of participation of staff, volunteers and ineligible veterans in groups, it is essential in keeping with the fairness of the competition that **only eligible veteran inpatients or outpatients** are competing against each other.
8. The **lead sheets** of the music division entries are **required to be attached to each music entry form** in order for the entry to be considered for possible inclusion in the Festival show, should the entry place first in the national competition. However, an entry may win a first place without music attached, it will just not be eligible to be considered for the Festival show. In order to continue to provide the quality orchestra arrangements for the show, as in the past, this rule has become a necessity. Thank you for your compliance with this rule.

---

### ***Music Division Rules (continued)***

---

9. Only one voice may be present to be considered a solo. Once a second voice is added the **entry becomes a group entry and singers must meet eligibility requirements**. If back-up voices are present, they must be eligible veteran inpatients or outpatients and their inclusion would make the entry a **Vocal Group**. Back-up singing by staff, volunteers, ineligible veterans or karaoke will result in disqualification. Karaoke tapes must not include back-up singing but must be instrumental accompaniment only. **The presence of any vocal in a musical number will eliminate that number from competing in the instrumental area.**
10. Judges reserve the right to move an entry to the appropriate category or disqualify the entry if rules are not followed.
11. An original composition can be placed in categories other than original, but will be judged with criteria as stated on page 59.

*Note: VA contact staff will be notified via email with the 2007 competition results.*

## ***Vocal Group Categories***

---

**\*Note:** Music categories have been renumbered. All vocal music entries (solo and group) should be sent to Jennifer Lewis, National Music Chairperson from Temple, TX.

To meet the intent of the categories for **Vocal Group**, the group must have **more than one eligible veteran inpatient or outpatient singing**. (Example: One eligible veteran being accompanied on instruments by other eligible veterans does not meet the definition of a vocal group. Instead, that would be a vocal solo with accompanists.)

12. **Vocal Group Country/Folk/Bluegrass**

13. **Vocal Group Pop**

14. **Vocal Group Jazz/Rhythm & Blues**

15. **Vocal Group Classical** - Same as #4, but with more than one veteran.

16. **Vocal Group Broadway** - Same as #5, but with more than one veteran.

17. **Vocal Group Rock**

18. **Vocal Group Comedy** - Same as #7, but with more than one veteran.

19. **Vocal Group Patriotic**

20. **Vocal Group Religious**

21. **Vocal Group Song with Dance** - Vocal group with choreographed dance movements, not merely gestures.

## ***SENIOR Vocal Music Categories - Solo and Group***

---

The purpose of the senior categories is to allow veterans who may have experienced diminished physical functioning an opportunity to compete in a category with persons who are at a similar level and age. **Categories 22-23 are special categories for our senior eligible veterans age 65 and older**. Entries may be any type music. Group members must all be eligible veteran inpatients and outpatients 65 years of age or older. As with all other group categories, groups may not be expanded with staff, volunteers or ineligible veterans. There are not restrictions on accompanists or conductors. Seniors are not limited to these categories but may also enter any of the other categories.

22. **Senior Vocal Solo**

23. **Senior Vocal Group**

---

## ***Special Recognition Solo and Special Recognition Group Categories***

---

*New*

**Note: All Special Recognition Solo and Group entries should be submitted to Jennifer Lewis, National Music Chairperson from Temple, TX. This includes vocal and instrumental entries for these categories.**

These categories are for music entries that recognize individuals who exhibit creative expression through the use of music while possessing significant physical or psychological limitations. The intent of this category is to reinforce the concept of the arts as therapy, where an individual uses artistic expression to facilitate successful treatment outcomes. Entries and their accompanying written statements from the veteran's VA contact staff person should focus on how the arts are used by the individual(s) to rise above severe limitations.

**24. Special Recognition Solo**

**25. Special Recognition Group**

Entries in these categories **MUST** include:

- **a written statement by the veteran(s)' VA contact staff person explaining the veteran(s)' condition and specific talent**
- **a Consent for Release of Medical Information form signed by each veteran allowing us to reveal his/her diagnosis (page 23)**
- **Solo or Group Entry form**
- **a Consent for Picture and/or Voice form(s) (page 20,22) signed by the veteran**

36. Original Instrumental - Instrumental solo or group. Original compositions will be judged solely on the merit of the composition. A performer or group other than the composer may perform the work, but the composer should be shown on the videotape.

---

To meet the intent of the categories for **Instrumental Group**, the group must have **more than one eligible veteran inpatient or outpatient performing solos/leads or make other essential contributions musically to the entry other than just accompanying**. There are no limits to the number of accompanists in the group but care should be taken that non-eligible veteran inpatients or outpatients (i.e., staff, volunteers, veterans who are not current inpatients or outpatients) are not performing solos/leads. **The presence of any vocal in a musical number will eliminate it from competing in an instrumental category.**

37. Instrumental Group Country/Folk/Bluegrass/Jazz/Rhythm & Blues/Rock

## ***Tips for Organizing Local Competitions***

---

**Set the date** for your local competition to occur between January 1 to March 10 each year. Since the deadline for submission of entries to the national level of competition is April 1, this will allow some time in March to complete the entry forms and prepare the art digital images on CD's and creative writing, dance, drama and music video tapes for mailing.

**Attempt to set a date that is open on your Facility Director's calendar.** Send a written invitation to the Director, Associate Director, Chief of Staff, and Coordinator of Voluntary Service.

**Request to appear on the agenda for VAVS quarterly meetings.** At this meeting you can inform volunteers of your local program and the possibility of the medical center having a winner or winners who may need assistance to participate in the Festival. This will give them an opportunity to attend your local competition and perhaps encourage them to assist you in getting your "winner" to the Festival.

**Publicity - One to one contact** still remains the most satisfactory means of being sure all the veterans are aware of the program. If each Creative Arts and Recreation VA contact staff person informs their own patients, the word will reach almost everyone. A **news release** could also be prepared with a request to your Public Affairs Officer to submit it to your local news media to reach more outpatients. **A sample press release is included in this booklet on page 62.** Use the posters included in your packet, or make several **posters** announcing your local entry procedure (who, where and when entries are accepted), competition date, time and place. Produce a simple brochure with the rules and other pertinent information. Sample **brochures** follow. These can be customized to your Medical Center by filling in information specific to your competition and copies made as needed. Display your brochures by the posters. Place the posters in prominent in-patient and out-patient areas. Start displaying your posters and brochures about one month before the date you will start accepting entries. If your Medical Center has a monthly newsletter, submit an **article** about your local show and ask that all staff encourage your veterans to participate. Send brochures and posters to satellite VA clinics affiliated with your Medical Center.

**Decide what you will give the winners in recognition of their accomplishment.** Also plan a certificate or other means of recognition for every veteran who enters. Ribbons have been enthusiastically received. Certificates are always good for all participants and are inexpensive if made in-house. Artwork should be awarded ribbons before public showing.

**Secure a minimum of five judges for the performing arts and five for the visual arts.** These may be Medical Center staff, but patients often feel more secure that the judging is fair if members of the community judge.

**If you or another member of the staff does not play the piano or another accompanying instrument, contact Voluntary Service for possible volunteers.** Other sources may be the Chaplain Service musician, local music teachers, local church musicians or the American Federation of Musicians. Veterans will usually perform better with an accompanist. A local drama teacher or a member of a community theater group may assist those participating in drama. Local dance teachers are frequently willing to assist your dancers and teachers and other community members who are versed in writing poetry, essays, etc. would be useful in judging the creative writing entries. Do not forget your Nursing staff, Psychology staff and other staff. Many of them have a variety of talents and experiences in the arts and are very happy to work with their patients in a modality different from their regular routine.

---

## ***Tips for Organizing Local Competitions (continued)***

---

**Work very closely with the coordinator of Voluntary Service** from the beginning so he/she is well aware of your potential needs. When possible it is helpful if sources of funding can be identified before the national judging is completed.

If artwork can be judged the day before the performance competitions, displaying those pieces can add to the festive atmosphere and give credit to veterans participating in all five areas of the arts.

**Request that each veteran complete and sign the entry and consent forms.** Use the information from the completed entry form to make the judges score sheets, arrange the order of the program, etc. When all participant forms have been completed, **double check to assure they are accurate AND READABLE.**

**Complete the LOCAL LEVEL PARTICIPATION sheet** before the show begins. It will then be ready to duplicate and mail to the National Chairperson with the tape and other required paperwork.

**As it is a rule at the national level, it is recommended that no one veteran be allowed to enter more than three (3) categories of any one division.** This would not include groups of which he/she is a member.

**If you do not have an auditorium, shows may be held in a gym, a dining hall, a ward day room, or many other places in your medial center. Some may even be held outdoors.**

**Have everything ready for the judges.** Make one set of the judges score sheets (one for each entry), then duplicate enough sets for all judges. Have one person tally the scores as the judges finish scoring each entry. Give your judges special recognition for their work.

Contact your gold medal winners within two days to complete any missing paperwork. You may also re-tape the creative writing, dance, drama and music winners if you wish, to give them some extra attention and opportunity to further polish their number before the national judging tape is submitted.

**Entries for creative writing, dance, drama, vocal music and vocal instrumental music will be submitted on one single ½" VHS videotape per division (2 videotapes for the music division) in the order that the categories are listed in this packet. The entire competition video SHOULD NOT be sent. SEND ONLY THE FIRST PLACE WINNERS FROM YOUR COMPETITION. ONLY ONE FOR EACH CATEGORY WILL BE ACCEPTED.**

**REVIEW YOUR ENTRY TAPE AND MAKE A COPY BEFORE MAILING.** Make copies of all important paperwork that may be difficult to secure later. Label the tape itself with a list **IN ORDER** of the acts appearing. Also include the enclosed list of entries completed with name, title and category **IN ORDER.**

**Take digital images of the local first place art.** Retain each of the first place art pieces in a secure place. If a piece is ranked in the top three of its category after the first phase of national competition, then the actual art piece will need to be shipped to the final phase of the national competition.

**LOCAL VETERANS ART SHOW**

Artwork by veterans will be on display to the public at the *(Facility Location)* on *(Date)* from *(Time)*. It is estimated that over *(#)* pieces of art from among *(#)* different categories will be exhibited. Categories consist of fine art such as painting, drawing, sculpture and photography; applied art that includes ceramics, woodcarving, needlework and leatherwork; and craft kits such as string art, poster art and fabric art. Local artists will judge the artwork earlier in the day to determine first, second and third place in each category. The first place winning pieces will advance on to the national level where they will compete with entries submitted by veterans from other VA facilities around the country.

The competition is an annual event that provides veterans receiving treatment at VA facilities the opportunity to participate in creative self-expression in art, creative writing, dance, drama and music as part of their therapy, and to gain recognition for these artistic accomplishments. First place winners from the national competition will be invited to attend the National Veterans Creative Arts Festival, hosted this year by the St. Louis VA Medical Center in St. Louis MO, the week of October 22-29 with the art exhibit and stage show performance on Sunday, October 28.
