SUPPLEMENTARY INFORMATION: On July 6, 2004, the Commission determined that it should proceed to full reviews in the subject five-year reviews pursuant to section 751(c)(5) of the Act. With regard to subject stainless steel plate from Belgium and Korea, the Commission found that both the domestic interested party group responses and the respondent interested party group responses to its notice of institution (69 FR 17235, April 1, 2004) were adequate and voted to conduct full reviews. With regard to subject stainless steel plate from Canada, Italy, South Africa, and Taiwan, the Commission found that the domestic interested party group responses were adequate and the respondent interested party group responses were inadequate. Although the Commission did not receive a response from any respondent interested parties in the reviews concerning subject imports from Canada, Italy, South Africa, or Taiwan, it determined to conduct full reviews to promote administrative efficiency in light of its decision to conduct full reviews with respect to the reviews concerning subject imports from Belgium and Korea. A record of the Commissioners' votes, the Commission's statement on adequacy, and any individual Commissioner's statements will be available from the Office of the Secretary and at the Commission's Web site.
