

AGENCY: ENVIRONMENTAL PROTECTION AGENCY

TITLE: Community Action for a Renewed Environment (CARE)

ACTION: Request for Proposals (RFP) – Amendment No. 002

RFP No.: EPA/OAR/IO 06-01

CATALOG OF FEDERAL DOMESTIC ASSISTANCE (CFDA) NO.: 66.035

SUMMARY: This notice provides technical correction.

Technical Correction

1. EPA mistakenly included the following information, which conflicts with material elsewhere in the RFP, at the end of Section B (III) of Appendix A. These materials are to be removed from the RFP.

“The maximum page length shall include any pieces that may be submitted by a third party (e.g., references or letters confirming commitments). All application materials must be completed in English to be considered for award under this solicitation. The minimum acceptable font size for application materials, excluding the SF-424a, shall be 12 pitch.”

As a result of this amendment there is no longer a conflict with the other material in RFP. The minimum font size is 10 point and references or letters of support or other such material do not count toward the 10 page limit of the Narrative Proposal.

2. Except as provided herein, all other terms and conditions remain unchanged.
