“Ready for Reuse” Determination Announced

The U.S. Environmental Protection Agency (EPA) Region 6 and the Arkansas Department of Environmental Quality (ADEQ) will issue a “ready for reuse” determination to the former Emerson Specialty Motor Division Facility in Rogers, Arkansas. The “ready for reuse” determination verifies that the conditions on this property are protective of human health and the environment based on its current use and anticipated future use as a commercial/industrial operation.

WHO: Mayor Richard Greene, EPA Regional Administrator
Mr. Marcus C. Devine, ADEQ Director
Mr. Steve Womack, Mayor, City of Rogers
Mr. Randal Wiseman, Director, Environmental and Safety, Emerson Motor Company
Mr. Ben Israel, Partner, P.I.M., LLC

WHERE: Former Emerson Specialty Motor Division Facility
1315 N. 13th Street
Rogers, Arkansas 72756

WHEN: 9:30 a.m., Tuesday
July 29, 2003
