

## **PART Measures Appeal and Recommendation Form**

**Instructions.** This form is to be used to appeal PART questions related to measures only, specifically questions 2.1, 2.2, 2.3, 2.4, 3.4, 4.1, 4.2, and 4.3. Agencies should complete a separate form for each PART question appealed. See PART guidance 2006-05 at [omb.gov/part](http://omb.gov/part) for further guidance.

### **Section 1. Agency Information**

**Department or Agency:**

**Program Name:**

**Program Code:**

### **Section 2. Agency Appeal**

**PART Question Number:**

**PART Question Text:**

**Appeal Answer:**

**Appeal Issue:** Define succinctly and clearly the nature of the Appeal. For example, “The program believes that performance data justifies changing the answer from Small Extent to Large Extent.”

**Appeal Discussion:** Provide a brief discussion of the agency’s perspective on the issue. The appeal should delineate what the agency seeks to change, and provide evidence that this revision is warranted. Appeals must be consistent with guidance; that is, appeals must show how the agency has addressed all requirements and provided sufficient evidence consistent with the PART Guidance. There is no need to resubmit evidence already provided to RMOs. Maximum 3000 characters.

**Section 3. PART as Drafted**

**PART Question Number:**

**PART Question Text:**

**Current Answer:**

**Explanation:** *Enter the explanation from the current version of the PART. Maximum 4000 characters.*

**Evidence:** *Enter the evidence from the current version of the PART. Maximum 2500 characters.*

***Current Measure(s) listed in PARTWeb:***

*List only the measures and/or targets currently in PARTWeb that are being appealed. For example, if the appeal concerns an assessment of performance on an efficiency measure (i.e., the response to Question 4.3) and the program has only one efficiency measure, complete only a single block below.*

<i>Measure</i>	<i>Year</i>	<i>Target</i>	<i>Actual</i>
----------------	-------------	---------------	---------------

***Proposed Measure(s):***

*List only the proposed measures and/or targets that the agency is requesting be considered in the appeal. For example, if the appeal concerns an assessment of performance on an efficiency measure (i.e., the response to Question 4.3) and the program is revising only one efficiency measure, complete only a single block below.*

<i>Measure</i>	<i>Year</i>	<i>Target</i>	<i>Actual</i>
----------------	-------------	---------------	---------------

**Section 4. RMO Response and Recommendation:** *The RMO should use this space to provide a brief response to the agency appeal, and explain its recommendation to accept, reject, or accept with modification.*

**RMO Recommendation:**                      Accept Appeal                      Reject Appeal                      Accept Appeal With Modification

**Section 5. PET Appeals Team Recommendation:** *The PET Appeals Team should use this space to explain its recommendation to accept or reject the appeal. If the PET Team recommendation is to reject, describe fully the reasons.*
