Endangered and Threatened Wildlife and Plants; Reopening of Comment Period for the Notice of Intent To Clarify the Role of Habitat in Endangered Species Conservation

AGENCY: Fish and Wildlife Service, Interior.

ACTION: Notice: reopening of comment period.

SUMMARY: We (the U.S. Fish and Wildlife Service) reopen the comment period on our notice of intent to develop policy or guidance and/or to revise regulations, if necessary, to clarify the role of habitat in endangered species conservation. We received several requests to extend or reopen the comment period. We solicit public

comments, and we will analyze and incorporate additional comments received during this comment period, as well as those we received during the previous comment period, into new proposed guidance as appropriate.

DATES: We will accept comments on this guidance until October 29, 1999.

ADDRESSES: Submit your comments regarding this guidance to the Chief, Division of Endangered Species, U.S. Fish and Wildlife Service, 1849 C Street, NW, Mailstop ARLSQ-420, Washington, DC 20240.

FOR FURTHER INFORMATION CONTACT: Nancy Gloman, Chief, Division of Endangered Species, U.S. Fish and Wildlife Service, 703-358-2171 (see **ADDRESSES** section).

SUPPLEMENTARY INFORMATION:

Background

On June 14, 1999 (64 FR 31871), we published a notice of our intent to develop policy or guidance and/or to revise regulations, if necessary, to clarify the role of habitat in endangered species conservation. In that notice, we sought comments relative to the benefits of the designation of critical habitat (beyond that of listing) and what considerations should be included in our prudence determinations. We also requested comments and suggestions relative to how we can effectively streamline the process of determining and designating critical habitat and specifically whether and how our existing regulations might or should be changed to accomplish this. Additionally, we requested comments and suggestions on possible legislative actions that might improve the effectiveness and efficiency of the critical habitat process.

Public Comments Solicited

We reopen the comment period on this notice in order to provide additional time for interested parties to comment on this important issue. We will take into consideration any comments and additional information received and will announce proposed guidance after the close of the public comment period and as promptly as possible after all comments have been reviewed and analyzed. We will make available for your review and comment any guidance, policy, or regulatory changes that are developed.

Authority

The authority for this notice is the Endangered Species Act of 1973, as amended, 16 U.S.C. 1531 *et seq.*

Dated: August 19, 1999.

Draft Environmental Impact Statement for Mountain Goat Management Within Olympic National Park, Washington

ACTION: Suspension of Environmental Impact Statement (EIS) Process.

SUMMARY: This Notice announces the suspension of the environmental impact statement process for mountain goat management within Olympic National Park. In early 1999, the Department of the Interior awarded a contract for a review of existing scientific information

about mountain goats in Olympic National Park. The science review is being conducted by the Conservation Biology Institute of Corvallis, Oregon. A report from this review will be provided to the Secretary and made available to the public in late 1999 or early 2000. Following receipt of this report, the National Park Service will consider any changes or updates needed to the draft EIS, at which point a supplemental draft EIS may be prepared.

DATES: Dates for resumption of the EIS process will be announced in the **Federal Register**.

ADDRESSES: Questions or comments concerning suspension of the Environmental Impact Statement process should be submitted to: Superintendent, Olympic National Park, 600 East Park Avenue, Port Angeles, WA 98362.

SUPPLEMENTARY INFORMATION: The Draft EIS on mountain goat management was made available to the public in March 1995 (FR, Vol. 60, No. 62, p. 16647). This science review responds to a Congressional request prompted by concerns from some constituents regarding research associated with this issue. A review of the science is a key element in responding to public questions and concerns, and will further inform the EIS decision process for mountain goat management at Olympic National Park.
