ARTICLE 1.0 GENERAL PROVISIONS

ARTICLE 1.1 RECOGNITION

Management hereby recognizes the Engineers and Architects Association (EAA), as the exclusive representative of the employees in the Technical Unit, for which EAA was certified as the majority representative by the Employee Relations Board on March 21, 1973. EAA shall be the exclusive representative of employees in the Technical Unit, subject to the right of each employee to represent himself/herself. The term "employee", as used herein, shall refer only to employees in the classifications listed in Appendices A through F, Salaries, as well as such classes as may be added hereafter to the Unit by the Employee Relations Board.

ARTICLE 1.2 PARTIES TO MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (hereinafter referred to as "MOU") is entered into on June 2nd, 2003 by the City Administrative Officer, as authorized management representative of the City Council, and the authorized management representatives of the Departments of Los Angeles World Airports, Animal Services, Los Angeles Department of Building and Safety, City Clerk, Community Development, Cultural Affairs, Fire, General Services, Harbor, Housing, Information Technology Agency, Library, Personnel, City Planning, Police, Public Works, Recreation and Parks, Transportation, (hereinafter referred to as "Management"), and authorized representatives of the Engineers and Architects Association (hereinafter referred to as "Union") as the exclusive recognized employee organization for the Technical Unit.

ARTICLE 1.3 IMPLEMENTATION OF MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding constitutes a joint recommendation of Management and the Union. It shall not be binding in whole or in part on the parties listed below unless and until:

- a. The Union has notified the City Administrative Officer in writing that it has approved this Memorandum of Understanding in its entirety, and the City Administrative Officer has notified the Union in writing that the heads of those departments, offices or bureaus represented herein have approved this Memorandum of Understanding in its entirety in the manner required by law; and
- b. The City Council has approved this Memorandum of Understanding in its entirety. Where resolutions, ordinances or amendments to applicable codes are required, this Memorandum of Understanding shall not be binding, in whole or in part, until all such resolutions, ordinances, or amendments become effective.

ARTICLE 1.4 FULL UNDERSTANDING

Management and the Union acknowledge that during the meet and confer process, each had the unlimited right and the opportunity to make demands and proposals on any subject within the scope of representation and that this MOU constitutes the full and entire understanding of the parties regarding all such demands and proposals. The parties mutually understand that any prior or existing understandings or agreements by the parties, whether formal or informal, are hereby superseded or terminated.

The parties mutually agree that this MOU may not be opened at any time during its term for any reason, except by mutual consent of the parties hereto.

It is mutually understood that any changes mutually agreed to shall not be binding upon the parties unless and until they have been implemented in accordance with Article 1.3.

The waiver or breach of any term or condition of this MOU by any party hereto, shall not constitute a precedent in the future enforcement of any of its terms and provisions.

ARTICLE 1.5 TERM

The term of this MOU shall commence on the date when the terms and conditions for its effectiveness, as set forth in Article 1.3, Implementation of Memorandum of Understanding, are fully met, but in no event shall said MOU become effective prior to 12:01 a.m. on July 1, 2001. This MOU shall expire and otherwise be fully terminated at 11:59 p.m. on June 30, 2004.

ARTICLE 1.6 CALENDAR FOR SUCCESSOR MEMORANDUM OF UNDERSTANDING

In the event the Union or Management desires a successor MOU, said party shall serve upon the other no later than March 1, 2004, its written proposals including proposals for fringe benefits for such successor MOU. The Union's salary proposals may be presented to Management subsequent to the presentation of the rest of the proposals, but not later than April 1, 2004. Meet and confer sessions shall begin no later than thirty (30) calendar days following the receipt of the Union's proposals including the salary proposal.

ARTICLE 1.7 OBLIGATION TO SUPPORT

During the period of time the proposed MOU is being considered by the Mayor, City Council, Council Committees, or the Commissions of those departments where the Commission is the Department head, neither the Union nor Management, nor their authorized representatives, will appear before the Mayor, City Council, Council

Committees, or said Commissions, nor meet with the members of the City Council or said Commissioners individually to advocate any addition or deletion to the terms and conditions of this MOU. However, this Article shall not preclude the parties from appearing before the Mayor, City Council, Council Committees or said Commissions, nor meeting with individual members of the City Council or said Commissioners to advocate or urge the adoption of this MOU.

ARTICLE 1.8 SAVINGS CLAUSE

If any term or provision of this MOU is found to be in conflict with any City, State or Federal law, the parties agree to meet promptly, and as often as necessary, to expeditiously renegotiate this term or provision.

All other terms and provisions of this MOU shall remain in full force and effect during the period of such renegotiations and thereafter until their normal expiration date.

The parties understand that many of the employees covered by this MOU may also be covered by the Fair Labor Standards Act of 1938, as amended, 29 U.S.C. Section 210 et seq. (FLSA). To the extent that any provision herein conflicts with the FLSA, employees covered by the FLSA shall receive benefits required thereunder and any additional benefits set forth herein if compatible with the FLSA.

ARTICLE 1.9 MANAGEMENT RIGHTS

As the responsibility for the management of the City and direction of its work force is vested exclusively in its City officials and department heads whose powers and duties are specified by law, it is mutually understood that except as specifically set forth herein no provisions in this MOU shall be deemed to limit or curtail the City officials and department heads in any way in the exercise of the rights, powers and authority which they had prior to the effective date of this MOU. The Union recognizes that these rights, powers, and authority include but are not limited to, the right to determine the mission of its constituent departments, offices and boards, set standards of services to be offered to the public, exercise control and discretion over the City's organization and operations, take disciplinary action for proper cause, relieve City employees from duty because of lack of work, lack of funds or other legitimate reasons, determine the methods, means and personnel by which the City's operations are to be conducted, take all necessary actions to maintain uninterrupted service to the community and carry out its mission in emergencies; provided, however, that the exercise of these rights does not preclude employees and their representatives from consulting or raising grievances about the practical consequences that decisions on these matters may have on wages, hours, and other terms and conditions of employment.

ARTICLE 1.10 CITY-UNION RELATIONSHIP

A. Continuity of Service to the Public

The City of Los Angeles is engaged in public services requiring continuous operations that are necessary to maintain the health and safety of all citizens. The obligation to maintain these public services is imposed both upon the City and the Union during the term of this MOU and the certification of the Union as the exclusive representative of the employees in this representation unit.

B. Mutual Pledge of Accord

Inherent in the relationship between the City and its employees is the obligation of the City to deal justly and fairly with its employees and of the employees to cooperate with their fellow employees and the City in the performance of their public service obligation.

It is the purpose of this Memorandum to promote and ensure harmonious relations, cooperation and understanding between the City and the employees represented by the Union and to establish and maintain proper standards of wages, hours and other terms or conditions of employment.

C. No Strike-No Lockout

In consideration of the mutual desire of the parties to promote and ensure harmonious relations and in consideration of the Mutual Pledge of Accord, the City agrees that there shall be no lockout or the equivalent of members of the Union, and the Union and its members agree that there shall be no strike or other concerted action resulting in the withholding of service by the members during the term of this MOU. Should such a strike or action by Union members occur, the Union shall immediately instruct its members to return to work. It is mutually understood and agreed that the City has the absolute right to impose discipline and, in that regard, shall have the right to take disciplinary action, including discharge, against any employee who participates in any manner in any strike or slowdown, withholding of services, picketing in support of a strike or other concerted action. The curtailing of operations by the City in whole or part for operational or economic reasons shall not be construed as a lockout.

The provisions of this Paragraph C shall not detract in any way from any restrictions imposed by law on strikes and other types of work stoppages by public employees.

ARTICLE 1.11 RELEASE TIME

The appointing authority may grant to elected officers or appointed representatives of the Engineers and Architects Association time off for employee organization representation activities. No more than one employee in a Department or Bureau of the Department Public Works, and no more than six employees for all bargaining units, shall be allowed release time under this Article.

- A. The employee shall submit the request for release at least 21 calendar days prior to the effective release date, specifying the starting and ending dates of release.
- B. The employee shall be paid the employee's current salary by the City while the employee is performing these duties for EAA.
- C. Employees shall retain all of their existing benefits, including, but not limited to medical, dental, deferred compensation plan, retirement benefits, and seniority accrual in their civil service class.
- D. The EAA shall reimburse the City for all documented actual salary and benefits costs incurred as a result of release time, including but not limited to, vacation, sick leave, compensated time off, retirement, short-term disability, life insurance, medical, dental, and workers' compensation. The benefits costs shall be based on the benefits rates established by the City Administrative Officer as contained in the City Budget in effect during the period of release time, and the cost of other benefits approved by the Joint Labor Management Benefits Committee that become effective during this period.
- E. Payment of any overtime worked while on release time shall be the responsibility of the EAA.
- F. The EAA shall make quarterly payments to the Controller of all reimbursable costs identified in Section D above.
- G. Employees on release time shall submit weekly timesheets (signed by the employee and the EAA Executive Director or Assistant Executive Director) to their respective Departmental Personnel Officer specifying the number of hours worked, and use of any sick leave, vacation time or compensated time off.
- H. Should an employee incur a work-related injury while on release time, he/she shall remain on release time with the EAA during the period of injury-on-duty (IOD), or until the release time has ended, and shall continue to be counted in determining the six employee maximum, as provided for above.

- I. When the employee returns from release time, he/she shall return to his/her civil service classification and pay grade at the time of release.
- J. Release time shall be granted for a maximum of 12 months in any three-year period. Additional release time shall be permitted only with management's approval.
- K. The employee must have passed probation in his/her current class to be eligible for release time.
- L. The EAA shall indemnify, defend and hold the City and its officers and employees harmless against any and all claims, suits, demands or other forms of liability that might arise out of or result from any action taken by an employee in the service of the EAA.
- M. The City Administrative Officer shall maintain a list of employees who have been approved for release time and the approved duration.

ARTICLE 1.12 AMENDMENT OF MOU TO INCLUDE NEW CLASSES

ARTICLE 2.0 UNION SECURITY

Said representative shall request authorization for such visit by contracting the designated representative of the head of the department, office or bureau of the facility that the representative desires to visit. In the event immediate access cannot be authorized, the Association staff representative shall be informed as to the time when access can be granted.

The Union shall give to all heads of departments, offices or bureaus represented herein and to the City Administrative Officer a written list of its full-time Union Staff Representatives, which shall be kept current by the Union.

This Article shall not be construed as a limitation on the power of the head of a department, office or bureau to restrict access to areas designated as security or confidential.

ARTICLE 2.4 USE OF CITY FACILITIES

The Union shall be permitted to use City facilities on prior approval for the purpose of holding meetings to the extent that such facilities are available to the public, and to the extent that such use of the facility will not interfere with normal departmental operations. Participating employees will attend said meetings on their own time.

If the use of a facility normally requires a fee for rental or special set-up, security, and/or cleanup service, the Union will provide or assume the cost of such service(s) or facility.

It is further agreed that the Union representative shall place a removal date on all materials to be posted.

ARTICLE 2.6 ACTIONS BY EMPLOYEE RELATIONS BOARD

If any action(s) by the Employee Relations Board prior to the expiration of this MOU result in any significant changes to the composition of this representational unit, the parties to this

MOU will meet as soon as possible thereafter to consider any revisions or amendments thereto that may be required.

ARTICLE 2.7 EMPLOYMENT OPPORTUNITIES

The Personnel Department will mail to the Union copies of all recruitment bulletins. Tentative examination bulletins approved by the Head of the Selection Services Division of the Personnel Department will be mailed two (2) calendar days prior to the date that said bulletins are scheduled to be approved by the Civil Service Commission.

ARTICLE 2.8 LEGISLATIVE CHECK-OFF

During the term of this MOU, a payroll deduction will be established by the Union for the purpose of allowing employees in this unit to contribute towards the Union's federal legislative activities.

Said contributions shall be deducted by the Controller from twenty-four (24) biweekly payroll checks of each employee in this unit who voluntarily consents to said contribution by submitting a payroll deduction card signed by the individual employee. Remittance of the amount of said deductions shall be sent to the Union by the Controller within thirty (30) working days after the conclusion of the month in which said deductions were deducted.

A fee of nine cents (\$.09) per deduction shall be assessed by the Controller for the processing of each payroll deduction taken. The Controller will deduct the aggregate amount of said fees on a biweekly basis.

Contributions shall be made payable as directed by the Union to the Federal Legislative Action Committee of the Union.

It is agreed that neither any employee nor the Union shall have any claim against the City for any deductions made or not made, as the case may be, unless a claim of error is made in writing to the Controller within thirty (30) calendar days after the date such deductions were or should have been made.

ARTICLE 2.9 AGENCY SHOP

The following agency shop provisions shall continue during the term of the MOU.

A. DUES/FEES

1. a. Each permanent employee* in this unit (who is not on a leave of absence) shall, as a condition of continued employment, become a

member of the certified representative of this unit, or pay the Union a service fee in an amount not to exceed periodic dues and general assessments of the Union for the term of this MOU, or a period of three (3) years from the operative date of this Article, whichever comes first. Such amounts shall be determined by the Union and implemented by Management in the first payroll period, which starts 30 days after written notice of the new amount is received by the Controller.

(*A permanent employee is defined as one who has completed six continuous months of City service from his/her original date of appointment and who is a member of the City Employees' Retirement System.)

- b. Notwithstanding any provisions of Article 2, Section 4.203 of the Los Angeles Administrative Code to the contrary, during the term of this MOU, payroll deductions requested by employees in this Unit for the purpose of becoming a member and/or to obtain benefits offered by any qualified organization other than the Union will not be accepted by the Controller. For the purpose of this provision qualified organization means any organization of employees whose responsibility or goal is to represent employees in the City's meet and confer process.
2. The CAO and the Union shall jointly notify all members of the representation unit that they are required to pay dues or a service fee as a condition of continued employment and that such amounts will be automatically deducted from their paychecks. The religious exclusion will also be explained. The cost of this communication and the responsibility for its distribution shall be borne by the City.

B. EXCEPTIONS

1. Management, Supervisory or Confidential Employees

In accordance with Section 3502.5(c) of the Government Code, the provisions of this Article shall not apply to management, confidential or supervisory employees.

- a. Management and confidential employees shall be as defined in Section 4.801 and designated in accordance with Section 4.830d of the Los Angeles Administrative Code.

- b. Supervisory employees shall be defined as follows:

"Supervisory employee" means any individual, regardless of the job description or title, having authority, in the interest of the employer, to hire, transfer suspend, lay off, recall, promote, discharge, assign, reward, or discipline other employees, or responsibility to direct them, or to adjust their grievances, or effectively to recommend such action, if, in connection with the foregoing, the exercise of such authority is not of a merely routine or clerical nature, but requires the use of independent judgement. Employees whose duties are substantially similar to those of their subordinates shall not be considered to be supervisory employees.

Management shall designate supervisory employees. Said designation or claim shall be reviewed jointly by Management and the Union. Any dispute shall be referred to the Employee Relations Board for resolution.

2. Religious Objections

Any employee who is a member of a bonafide religion, body, or sect which has historically held conscientious objections to joining or financially supporting public employee organizations shall not be required to join or financially support the organization. Such employee shall, in lieu of periodic dues or agency shop fees, pay sums equal to said amounts to a non-religious, non-labor charitable fund exempt from taxation under Section 501(c)(3) of the Internal Revenue Code, which has been selected by the employee from a list of such funds designated by the parties hereto in a separate agreement. Such payments shall be made by payroll deduction as a condition of continued exemption from the requirements of financial support to the Union and as a condition of continued employment.

C. MANAGEMENT RESPONSIBILITIES

1. The Controller shall cause the amount of the dues or service fee to be deducted from twenty-four (24) biweekly payroll checks of each employee in this unit as specified by the Union under the terms contained herein. "Dues," as distinct from "service fee," shall be the result of voluntary consent in the form of a payroll deduction card signed by the individual employee.
 - a. Remittance of the aggregate amount of all dues, fees and other proper deductions made from the salaries of employees hereunder shall be made to the Union by the Controller within thirty (30) working days after the conclusion of the month in which said dues, fees and/or deductions were deducted.

- b. A fee of nine cents (\$.09) per deduction shall be assessed by the City Controller for the processing of each payroll deduction taken. The City Controller will deduct the aggregate amount of said fees on a biweekly basis.
2. The Controller shall also apply this provision to every permanent employee who, following the operative date of this Article, becomes a member of this representation unit, within sixty (60) calendar days of such reassignment or transfer. Such deduction shall be a condition of continued employment.
3. Management will provide the Union with the name, home address, and employee number of each permanent employee.
4. The Controller shall provide the organization, at least monthly, a status report showing all changes in the employment status of employees in this unit which affect the applicability of the provisions of this Article to those employees.
5. Information detailed above shall be provided either in the form of a computer tape or in a printed report as requested by the Union.

D. UNION RESPONSIBILITIES

1. The organization shall keep an adequate itemized record of its financial transactions and shall make available annually to the City Clerk, and to all unit employees, within sixty (60) calendar days after the end of its fiscal year, a detailed written financial report thereof in the form of a balance sheet and an operating statement, certified as to its accuracy by its president and the treasurer or corresponding principal officer, or by a certified public accountant.
2. The Union certifies to the City that it has adopted, implemented and will maintain constitutionally acceptable procedures to enable non-member agency shop service fee payers to meaningfully challenge the propriety of the uses to which service funds are put; and that those procedures are in accordance with the decision of the United States Supreme Court in Chicago Teachers Union, Local No. 1, AFT, AFL-CIO, et al. v. Hudson, 106 S. Ct. 1066 (1986).
3. The Union agrees to indemnify and hold harmless the City for any loss or damage arising from the operation of this article. It is also agreed that neither any employee nor the Union shall have any claim against the City for any deductions made or not made, as the case may be, unless a claim of error is made in writing to the

Controller within thirty (30) calendar days after the date such deductions were or should have been made.

E. RESCISSION

The agency shop provisions herein may be rescinded in accordance with the procedures contained in Rule 12 of the Employee Relations Board adopted January 11, 1982.

In the event that this Article is overturned by employees in this representation unit, all other articles of the MOU shall remain in full force and the prior agreement, rules, regulations and past practices relating to organizational dues deductions authorizations shall be reinstated until a successor MOU or amendment shall have been approved.

ARTICLE 3.0 GRIEVANCES

ARTICLE 3.1 GRIEVANCE PROCEDURE

Section I - Definition

A grievance is defined as any dispute concerning the interpretation or application of this written MOU or departmental rules and regulations governing personnel practices or working conditions applicable to employees covered by this MOU. An impasse in meeting and conferring upon the terms of a proposed MOU is not a grievance.

Section II - Responsibilities and Rights

- a. Nothing in this grievance procedure shall be construed to apply to matters for which an administrative remedy is provided before the Civil Service Commission. Where a matter within the scope of this grievance procedure is alleged to be both a grievance and an unfair labor practice under the jurisdiction of the Employee Relations Board, the employee may elect to pursue the matter under either the grievance procedure herein provided, or by action before the Employee Relations Board. The employee's election of either procedure shall constitute a binding election of the remedy chosen and a waiver of the alternative remedy.
- b. No grievant shall lose the right to process a grievance because of Management-imposed limitations in scheduling meetings.
- c. The grievant has the responsibility to discuss the grievance informally with the immediate supervisor. The immediate supervisor will, upon request of a grievant,

discuss the grievance with the employee at a mutually satisfactory time. The grievant may be represented by a representative of the grievant's choice in the informal discussion with the immediate supervisor and in all formal review levels and in arbitration. Operative the effective date of the MOU, when more than one employee in a department is aggrieved, and the facts and issues of the alleged grievance are the same, and if affected employees agree to waive their right to discuss the grievance with their immediate supervisor, a single immediate supervisor will be designated by department Management to discuss the grievance at the informal level with one affected employee designated to represent the grievance and the employees' representative. Such grievance will be processed as a single grievance through all formal levels of review. All affected employees involved in the action must waive their respective rights to file an individual grievance on the same issue and to discuss the grievance at the informal level with the respective immediate supervisors on a form provided by Management prior to the discussion with the designated supervisor.

Operative the effective date of the MOU, in instances where more than one employee in a department is aggrieved, the Association may elect to file the grievance on behalf of the employees. The facts and issues of the alleged grievance must be the same. Such grievance must contain the names of all grievants and the specific facts pertaining to each grievant. At the time of filing the grievance, the Association may request that the first level of review be at a level higher than Step 1 and shall provide justification for such request. A single supervisor will be designated by department Management to discuss the grievance at each level with one affected employee designated to represent the grievance and the Association. Such grievance will be processed as a single grievance through all formal levels of review. All affected employees involved in the action must waive their respective rights to file an individual grievance on the same issue and to discuss the grievance at the informal level with their respective immediate supervisors on a form provided by Management prior to the discussion with the designated supervisor. Such form shall also include a statement that the employee understands that he/she is party to a grievance filed by the Association.

- d. The time limits between steps of the grievance procedure provided herein may be extended by mutual agreement, or by mutual agreement, the grievant and Management may waive one or more levels of review from this grievance procedure.
- e. Management shall notify the Union of any formal grievance filed that involves the interpretation and/or application of the provisions of this MOU, and a paid Union Staff Representative shall have the right to be present and participate in the discussion at any formal grievance meeting concerning such a grievance. The paid

Staff Representative who elects to attend the grievance meeting shall inform the head of the department, office or bureau.

The Union is to be notified of the resolution of all formal grievances.

Section III - Procedure

The grievance procedure for employees covered by this MOU shall be as follows:

Step 1 - Informal Discussion

The grievant shall discuss the grievance with the immediate supervisor on an informal basis in an effort to resolve the grievance and said grievance shall be considered waived if not so presented to the immediate supervisor within ten (10) calendar days following the day during which the event upon which the grievance is based occurred.

The immediate supervisor shall respond within five (5) calendar days following the meeting with the grievant. Failure of the immediate supervisor to respond within such time limit shall entitle the grievant to process the grievance at the next step.

Step 2 - First Level of Review

If the grievance is not settled at Step 1, the grievant may serve written notice of the grievance on a form provided by the department, office or bureau upon the person designated to review the grievance at Step 2 within seven (7) calendar days of receipt of the grievance response at Step 1. Failure of the grievant to serve such written notice shall constitute a waiver of the grievance.

If such written notice is served, said person shall meet with the grievant, and a written decision or statement of the facts and issues shall be rendered to the grievant and the representative, if any, within fifteen (15) calendar days from the date of service. Failure of Management to respond within such time limit shall entitle the grievant to process the grievance at the next level of review.

Step 3 - Second Level of Review

If the grievance is not settled at Step 2, the grievant may serve written notice of the grievance on a form provided by the department, office or bureau upon the person designated to review the grievance at Step 3 within seven (7) calendar days of receipt of the Step 2 grievance response. Failure of the grievant to serve such written notice shall constitute a waiver of the grievance.

If such written notice is served, said person shall meet with the grievant, and a written decision or statement of the facts and issues shall be rendered to the grievant and the representative, if any, within fifteen (15) calendar days from the date of service. Failure of Management to respond within such time limit shall entitle the grievant to process the grievance at the next level of review.

Step 4 - General Manager/Commission Review (Third Level of Review)

If the grievance is not settled at Step 3, the grievant may serve written notice of the grievance on said form upon the General Manager or designee within seven (7) calendar days following receipt of the grievance response at Step 3. Failure of the grievant to serve such notice shall constitute a waiver of the grievance.

If such notice is served, the grievance shall be heard by the General Manager or a designee, or in the case of the departments under the administrative control of a board of commissioners, by the Commission or the General Manager or their designee, as shall be determined by the head of the department involved. The General Manager/Commission or their designee will afford the parties an opportunity to present oral and/or written arguments on the merits of the grievance. Said person shall meet with the grievant and a written decision or statement of facts and issues shall be rendered to the grievant and the representative, if any, within one hundred and twenty (120) calendar days from the date of service. Failure of Management to respond within such time limit shall entitle the grievant to process the grievance at Step 5 (Mediation) and/or Step 6 (Arbitration).

Step 5 - Mediation

If the grievance is not settled at Step 4, within ten (10) calendar days of receiving the Step 4 response the Union and Management may mutually agree to request mediation. Either the Union or Management will notify the Employee Relations Board of such request by letter. The Employee Relations Board shall first attempt to obtain the services of a mediator from the State Mediation and Conciliation Service. The fees, if any, of such mediator shall be shared equally, by the Union and Management.

The primary effort of the mediator should be to assist the parties in settling the grievance in a mutually satisfactory fashion. The mediation procedure shall be informal. Court reporters shall not be allowed to be present, the rules of evidence shall not apply and no record shall be made. The mediator shall determine whether witnesses are necessary in the conduct of the proceedings.

If settlement is not possible, the mediator may be requested to provide the parties with an immediate oral opinion as to how the grievance would be decided if it went to arbitration. Such opinion shall be advisory only. Upon mutual agreement of the parties, the mediator

may be requested to furnish such opinion in writing, along with a brief statement of the reasons for the opinion. Such opinion, as well as anything said by the parties during mediation, shall not be used during any subsequent arbitration. Notwithstanding the above and Section 4.865 of the Employee Relations Ordinance, the parties may, upon mutual agreement, agree to accept the opinion of the mediator as binding, in lieu of arbitration.

Step 6 - Arbitration

If the written decision at Step 4 does not settle the grievance, or if Step 5 is waived or does not settle the grievance, the grievant and the Union jointly may serve upon the head of the department, office or bureau a written notice that a written request for arbitration has been filed with the Employee Relations Board. The request for arbitration must be filed with the Employee Relations Board within fifteen (15) calendar days following the date of service of the written decision of the General Manager/Commission or their designee at Step 4, or the date of the mediator's opinion in Step 5. Failure of the grievant and the Union jointly to serve a written request for arbitration with the Employee Relations Board within said period shall constitute a waiver of the grievance.

If such written notice is served, the parties shall meet for the purpose of selecting an arbitrator from a list of seven (7) arbitrators furnished by the Employee Relations Board, within seven (7) calendar days following receipt of said list.

- a. Arbitration of a grievance hereunder shall be limited to the formal grievance originally filed by the employee to the extent that said grievance has not been satisfactorily resolved. The proceedings shall be conducted in accordance with applicable rules and procedures adopted or specified by the Employee Relations Board, unless the parties hereto agree to other rules or procedures for the conduct of such arbitration. The fees and expenses of the arbitrator shall be shared equally by the parties involved, it being mutually understood that all other expenses including, but not limited to, fees for witnesses, transcripts, and similar costs incurred by the parties during such arbitration, will be the responsibility of the individual party incurring same.
- b. The decision of an arbitrator resulting from any arbitration of a grievance hereunder shall be binding upon the parties concerned, except for grievances involving the Departments of Harbor, Library, and Pensions, which shall be advisory only.
- c. The decision of an arbitrator resulting from any arbitration of grievances hereunder shall not add to, subtract from, or otherwise modify the terms and conditions of this MOU.

ARTICLE 3.2 GRIEVANCE REPRESENTATION

The Union may designate a reasonable number of grievance representatives who must be members of the Unit, and shall provide all departments, offices or bureaus with a written list of employees who have been so designated. Management will semi-annually accept changes to the list presented by the Union. A grievance representative, if so requested, may represent a grievant at all levels of the grievance procedure.

The grievant and the representative may have a reasonable amount of paid time off for the purpose of presenting grievances. However, said representative will receive paid time off only if a member of the Union; is in the same Unit as the grievant; is employed by the same department, office or bureau as the grievant; and is employed within a reasonable distance from the work location of the grievant.

The grievant's supervisor must concur regarding the necessary time off for presenting the grievance at the appropriate level. The grievant shall notify the representative of the meeting arrangements.

If a grievance representative must leave the work location to represent a grievant, permission shall first be obtained from the representative's supervisor on a form provided for such purpose. Permission to leave will be granted unless such absence would cause an unreasonable interruption of work. If such permission cannot be granted promptly, the grievance representative will be informed when time can be made available. Such time will not be more than forty-eight (48) hours, excluding scheduled days off and/or legal holidays, after the time of the grievance representative's request unless otherwise mutually agreed to. Denial of permission to leave at the time requested will, upon mutual agreement, constitute an extension of time limits provided in the grievance procedure equal to the amount of the delay.

Time spent on grievances outside of regular working hours of the employee or the representative shall not be counted as work time for any purpose. Whenever a grievance is to be presented during the working hours of the grievant and/or the representative, only that amount of time necessary to bring about a prompt disposition of the grievance will be allowed.

ARTICLE 3.3 GRIEVANCES REGARDING SUSPENSIONS

Grievances involving suspensions of five (5) days or less in the aggregate during a twelve month period may be filed, by mutual agreement, at any Step of the Grievance Procedure, but at no Step lower than Step 2.

ARTICLE 4.0 ON THE JOB

ARTICLE 4.1 SAFETY

Section I

Safety clothing and devices currently provided by Management shall continue to be provided, as long as the need exists. The Union will encourage all members of the Unit to utilize said safety clothing and devices to the fullest extent possible.

Section II

Management will make every reasonable effort to provide safe working conditions. The Union will encourage all members in the Unit to perform their work in a safe manner. Each employee should be alert to unsafe practices, equipment and conditions, and should report any hazardous condition promptly to his/her immediate supervisor. Said Supervisor should:

- a. Correct or eliminate the hazardous condition if correction or elimination thereof is within the authority and capability of the supervisor; or
- b. Safeguard a hazardous condition in such a manner as to preclude injury to personnel and/or property damage, and promptly report the nature and location of the hazardous condition to the next level of supervision designated by departmental management for said purpose, if elimination of the hazardous condition is not within the immediate supervisor's capability.
- c. If elimination of the hazardous condition is not within the capability of the second level of supervision to correct, he/she shall promptly report the problem to the next designated level of supervision or inform the Departmental Safety Coordinator about the problem.

Section III

If the procedures for handling a reported hazardous condition are not initiated, or if initiated, fail to effect a satisfactory solution of the problem within a reasonable time, the employee or his/her representative may call the City Occupational Safety Office and report such hazard.

Unresolved complaints hereunder may be referred to the State Safety Engineer for processing under the CAL/OSHA rules and regulations.

ARTICLE 4.2 PERSONNEL FOLDERS

An employee shall be entitled to review the contents of any of his/her departmental personnel folder(s) at reasonable intervals, upon request, during hours when his/her personnel office is normally open for business. Such review shall not interfere with the normal business of the department, office or bureau.

No evaluatory or disciplinary document may be placed in an employee's personnel file without his/her review and a copy of the document presented to him/her for his/her records. The employee shall acknowledge that he/she has reviewed and received a copy of the document by signing it with the understanding that such signature does not necessarily indicate agreement with its contents.

A written reprimand or "Notice to Correct Deficiencies" will be sealed upon the written request of an affected employee if he/she has not been involved in any subsequent related incidents that resulted in written corrective counseling or other Management action for a period of five (5) years from the date the most recent notice was issued or Management action taken.

Pursuant to the above paragraph, those documents, either removed from the personnel file or sealed, shall be available upon subpoena or other appropriate legal request

ARTICLE 4.3 OUT-OF-CLASS ASSIGNMENT

Section I - Definition

It is the intent of Management to avoid working an employee on an out-of-class assignment. An out-of-class assignment is defined as any assignment requiring substantial work in a higher level position which is not usually included within the scope of the duties and responsibilities as defined by the class specifications for the class to which the assigned employee's regular position is allocated.

Section II - Waivers and Exceptions

- a. Nothing in this Article shall be construed as limiting Management's authority to make temporary assignments of qualified personnel during emergencies or unusual operating conditions. However, such assignments shall not be extended beyond the period of emergency or unusual operating conditions.
- b. Whenever an employee performs duties outside of the normal duties of his/her position for the purpose of training or providing experience, written confirmation of such performance will be placed in the employee's personnel file upon request by

the employee. Management shall designate a knowledgeable person to supervise said training or experience.

Section III - Rate of Pay

An employee temporarily assigned higher level duties under the provisions of Section IIa will continue to receive the rate of pay for his/her regular classification and pay grade, unless or until he has been appointed to a higher classification or pay grade, except as provided for in Article 6.14. In the event that said assignment exceeds thirty (30) consecutive calendar days, Management will initiate a request to provide the higher level position authority, or initiate action to appoint a qualified employee to said position.

ARTICLE 4.4 REST PERIOD

Each employee shall be granted a minimum fifteen (15) minute rest period in each four (4) hour period; provided, however, that no such rest period shall be taken during the first or last hour of any employee's working day nor in excess of fifteen (15) minutes without the express consent of the designated supervisor.

Management reserves the right to suspend the rest period or any portion thereof during an emergency. Any rest period so suspended or not taken at the time permitted shall not be accumulated or carried over from one day to any subsequent day, or compensated for in any form.

Persons employed in the class of Photographer, Code 1793, in the Police Department shall receive an allowance of \$10.00 biweekly for the acquisition and maintenance of uniform items approved by the Department.

Management shall also make available smocks for employees in the Scientific Investigation Division, Police Department, who require such clothing as a normal part of their job duties.

ARTICLE 4.7 TELECOMMUTING

The Engineers and Architects Association and Management acknowledge the City of Los Angeles Telecommuting Program (C.F. #93-225), and that employees of this Unit may be considered for eligibility by management of their respective departments/bureaus in accordance with the Telecommuting Action Plan.

Both parties agree to comply with this Plan, the provisions of which shall be superseded by any modifications adopted by the Joint Labor/Management Committee on Employee Parking and Transportation Options, or other body so authorized to make such modifications.

ARTICLE 4.8 VDT ACCESSORIES

Any employee in this Unit who is a frequent operator of VDT equipment may request that Management provide applicable accessories for his/her work station, e.g., copy holder, separate lamp, no-reflective glare filter and/or a hood to be attached to the display unit screen. Management will evaluate the request and will provide the necessary item(s) for the workstation, subject to availability of the item(s) requested and budgeted funds for this purpose.

ARTICLE 5.0 WORK SCHEDULES

ARTICLE 5.1 WORK SCHEDULES

Pursuant to the Fair Labor Standards Act (FLSA), employees shall have a fixed workweek that consists of a regular recurring period of 168 consecutive hours (seven 24-hour periods) which can begin and end on any day of the week and at any time of the day. The

designated workweek for an employee may be changed only if the change is intended to be permanent and not designed to evade overtime requirements of the FLSA. Management may assign employees to work a four/ten, five/forty, nine/eighty or other work schedule. The Union will be entitled to consult with Management on the matter prior to the proposed action. The Union will also be entitled, upon request, to consult with Management if Management intends to deny a change in schedule to an employee. Management may require employees to change their work schedules (working hours or change days off, except the split day) within the same FLSA workweek, providing that the change is not arbitrary, capricious or discriminatory. In the event Management's actions are shown to be arbitrary, capricious, or discriminatory before an arbitrator, the award of the arbitrator shall be to reverse the action of Management. However, the decision of the arbitrator shall be binding or advisory in accordance with Article 3.1. No employee shall be required to work a four/ten schedule against his or her will.

It is further agreed that Management shall retain the right to refuse an employee's request to work a four/ten, nine/eighty or other work schedule, and to require the reversion to a five/forty work schedule, providing that the exercise of such right is not arbitrary, capricious, or discriminatory. In the event Management's actions are shown to be arbitrary, capricious, or discriminatory before an arbitrator, the award of the arbitrator shall be to reverse the action of Management. However, the decision of the arbitrator shall be binding or advisory, in accordance with Article 3.1.

Employees on a nine/eighty modified work schedule shall have designated a regular day off (also known as 9/80 day off) which shall remain fixed. Temporary changes to the designated 9/80 day off at the request of Management or the employee are prohibited unless it is intended for the employee to work additional hours (overtime).

Employees on a four/ten work schedule shall work ten hours per day for a four day work week (or twelve hours per day for a three day work week in the Information Technology Agency only) exclusive of lunch periods. Employees shall be entitled to rest periods in accordance with the provisions of Article 4.4. Employees shall be compensated for 40 hours per week at the regular hourly rate for their class and pay grade.

EAA agrees that it is a management right to require employees who work on a four/ten, nine/eighty or three/twelve work schedule to work overtime on Saturday rather than on their day off which falls within the week. Employees who work on a schedule other than five/forty shall have their sick leave, vacation and holiday credits accrued at the same hourly rate as an employee on the five/forty schedule.

The City reserves the right to develop 26-week/1040 or 52-week/2080 hours' work periods under FLSA Section 7(b) [29 USC §207(b)(1) and (2)] during the term of this MOU for the purpose of increasing scheduling flexibility. Implementation of this work schedule is subject

to agreement by the parties and certification of the Association as bona fide by the National Labor Relations Board (NLRB).

ARTICLE 5.2 DEPLOYMENT PERIOD (POLICE DEPARTMENT)

Notwithstanding the provisions of Sections 4.108 (Regular Hours of Work) and 4.113 (Overtime) of the Los Angeles Administrative Code to the contrary, employees in this Unit who are employed in the Police Department shall have a work schedule consisting of twenty (20) days of work in each twenty-eight (28) day deployment period. Such day may be eight (8) hours, seven and one-half (7½) hours, or seven (7) hours as determined by the Chief of Police.

Said twenty (20) days of work or the equivalent number of days for an alternate work schedule may be scheduled at such time during two (2) biweekly pay periods as the Chief of Police may direct.

This Article shall not be construed to prohibit the implementation of flexible work schedules.

ARTICLE 5.3 HOURS OF WORK FOR POLYGRAPH EXAMINERS

All Polygraph Examiners will work an eight (8) hour shift, regardless as to whether they are assigned to work day, swing or graveyard.

ARTICLE 5.4 72-HOUR WORK SCHEDULE

Notwithstanding Section 4.108(a) of the Los Angeles Administrative Code, whenever a full-time employee voluntarily reduces the number of his/her biweekly regular work hours from eighty (80) to a number not less than seventy-two (72) at the request of, or with the permission of, his/her appointing authority, such employee shall be credited with all rights and benefits as though he/she worked eighty (80) hours in the payroll period. The employee shall not be credited for overtime worked until more than forty (40) hours have been worked in the workweek. Compensation received under this Article shall be considered full compensation for all employees participating in the voluntary work hour reduction.

ARTICLE 6.0 COMPENSATION

ARTICLE 6.1 SALARIES

A. The parties hereby agree that the salary ranges set forth in Appendix A will be operative on July 1, 2001.

- B. The parties hereby agree that the salary ranges set forth in Appendix B will be operative on January 1, 2002.
- C. The parties hereby agree that the salary ranges set forth in Appendix C will be operative on July 1, 2002.
- D. The parties hereby agree that the salary ranges set forth in Appendix D will be operative on January 1, 2003.
- E. The parties hereby agree that the salary ranges set forth in Appendix E will be operative on July 1, 2003.
- F. The parties hereby agree that the salary ranges set forth in Appendix E will be operative on January 1, 2004.

ARTICLE 6.2 OVERTIME

Section I - Distribution of Overtime

Management will attempt to assign overtime work as equitably as possible among all qualified employees in the same classification in the same organizational unit and work location. However, Management may consider special skills required to perform particular work. No employee shall work overtime without prior approval from his or her supervisor. FLSA non-exempt employees may not work outside of scheduled working hours, or during unpaid meal periods, without the prior approval of a supervisor, consistent with department policy. Failure to secure prior approval may result in discipline. Working and not recording the time is similarly prohibited

Section II - Non-emergency Overtime

Whenever Management deems it necessary to perform non-emergency work on an overtime basis, employees required to work will be given at least forty-eight (48) hours notice.

Section III - Rate and Methods of Compensation-FLSA Non-Exempt Employees

Compensation for overtime worked by employees in classifications listed in Appendices A through F, herein, shall be for all hours worked in excess of 40 hours in a workweek, including all absences with pay authorized by law. Management shall have the discretion to determine whether overtime compensation shall be in cash or time-off. Overtime compensation shall be in time off at the rate of one-and-one-half (1½) hours for each hour

of overtime worked, or in cash at the rate of one-and-one-half (1½) times the employee's regular rate of pay.

Section IV - Compensatory Time Off

Employees may, subject to Management discretion, be permitted to accumulate up to 80 hours of compensatory time off (CTO). Occasionally, employees may accumulate CTO in excess of 80 hours for a temporary period of time, not to exceed an additional fiscal year.

If an employee does not schedule and take CTO over 80 hours prior to the end of the fiscal year in which the overtime was worked, Management may require employees to use CTO prior to the end of the fiscal year; require employees to use such time in lieu of vacation (unless the mandatory use of CTO would result in the loss of vacation accumulation) or other leave time; or authorize cash payment. In the event sufficient funds are not available to provide cash compensation for all or a portion of the CTO hours in excess of 80, Management may extend the time limit for a period not to exceed one additional fiscal year. Notwithstanding the above, departments may exceed the overtime limits specified above during the term of the MOU only; departments must be in full compliance with these provisions by June 30, 2004.

In accordance with FLSA, no employee shall lose CTO. Employees shall be permitted to take CTO for overtime worked upon request unless granting of such time would unduly disrupt the operations of the City department. This standard does not apply to non-FLSA overtime (i.e., overtime earned pursuant to this agreement that does not meet the FLSA definition of overtime).

Under no circumstances shall compensated time off in excess of 240 hours be accumulated.

ARTICLE 6.3 SHIFT DIFFERENTIAL

Notwithstanding the provisions of Note N of Schedule A of Section 4.61 of the Los Angeles Administrative Code, any employee, when required to work 50% or more of his/her time during his/her regular shift on any one day between the hours of 5:00 p.m. and 8:00 a.m., shall receive for each such day worked, salary at the second premium level rate above the appropriate step rate of the salary range prescribed for his/her classification. The procedure for the payment of adjusted compensation for work performed under the provisions of this Article shall be in accordance with Sections 4.72, 4.74, and 4.75 of the Los Angeles Administrative Code.

ARTICLE 6.4 BILINGUAL DIFFERENTIAL

Whenever an appointing authority determines that it is necessary or desirable that a position be filled by a person able to converse fluently in a language other than English, or write and interpret a language other than English, the appointing authority shall transmit

to the Controller a written statement approving payment of a bilingual premium, as provided by this Article to the person occupying such a position and possessing such bilingual skills.

After authorizing payment of a bilingual premium, the appointing authority shall certify to the Controller the name of an employee eligible for a bilingual premium and the Personnel Department shall certify to the Controller that the employee has qualified under its standards of fluency and proficiency for said language.

Persons certified as being qualified by the Personnel Department shall receive a bilingual premium of one premium level rate (2.75%) for duties requiring that they converse fluently in a language other than English, or of two premium level rates (5.5%) for duties requiring that they interpret a language other than English, in addition to conversing fluently in that other language.

Compensation provided for in this Article shall be retroactive to the employee's first day in a bilingual position.

ARTICLE 6.5 SIGN LANGUAGE PREMIUM

Any qualified employee covered by the provisions of the MOU who is requested by the deaf-mute assistance center to utilize sign language shall receive compensation equal to 2¾ percent of their salary or wages for each business day the skill is utilized. Such practices of additional compensation shall be in accordance with Section 4.84.1 of the Los Angeles Administrative Code.

ARTICLE 6.6 COURT APPEARANCES

Section I

The following court provisions will apply to all employees in the Unit, except those in the Police Department.

When an employee is required to appear in the Superior or Municipal Court in and for the County of Los Angeles outside of his/her normal duty hours, but on a matter arising within the scope of his/her employment, said employee shall be entitled to receive a minimum of one hour at 1½ times his/her regular rate of pay. Time spent in excess of the one-hour minimum guarantee shall also be at the rate of 1½ times the employee's regular rate of pay, payable in six (6) minute increments. No compensation shall be paid for the first forty-five (45) minutes of the Court's noon recess, provided, however, that no such compensation shall be allowed unless such employee is in actual attendance in court.

Such compensation for court appearances may be in either time off or cash. Call back provisions are not applicable to court appearances.

Section II

The following court provisions shall apply to employees in the Police Department and Transportation Investigators (Code 4271) and Senior Transportation Investigators (Code 4273) in the Department of Transportation. These provisions apply only for the payment of overtime for court appearances outside of the normal duty hours of employees. Call back provisions are not applicable to court appearances.

A. Basic Compensation

Police Department Employees

An employee, at the employee's option, may report to court when subpoenaed or remain on call. If the employee elects to appear in court, the division supervisor must be notified, at the latest, one administrative day prior to the scheduled court appearance. If the employee wishes to remain on call, the employee must be able to appear in court not more than one hour after being notified that the employee's appearance is required in court. To appear in court more than an hour after having been notified will void the employee's right to on-call compensation. An employee need not remain at home, but must be available for telephonic notification at a location where the supervisor knows the employee can be reached.

Transportation Department Employees

Department Management shall determine if an employee reports to court or remains on an on-call status. If the employee is on an on-call status, the employee must be able to appear in court not more than one hour after being notified that the employee's appearance is required in court. To appear in court more than one hour after having been notified will void the employee's right to on-call compensation. An employee need not remain at home, but must be available for telephonic notification at a location where the supervisor knows the employee can be reached.

1. An off-duty employee shall receive a minimum of two (2) hours overtime compensation for any court day he/she is subpoenaed to be on call or required to appear.
2. An off-duty employee shall receive hour-for-hour overtime compensation for each additional hour of actual attendance in excess of the two (2) hour

minimum provided for in paragraph A(1) above, with the following noontime recess exceptions:

<u>Length of Recess</u>	<u>Amount of Compensation</u>
Forty-five (45) minutes or less	None
Forty-six (46) minutes or less	All time over forty-six (46) minutes (in six [6] minute increments).

NOTE: An employee shall not receive court on-call overtime compensation and hour-for-hour overtime compensation for the same time period.

B. Multiple Cases

An off-duty employee who receives morning and afternoon subpoenas for separate cases on a court day shall receive overtime compensation as in paragraph A(1) above, for each case for a total of four (4) hours. In addition, he/she shall receive hour-for-hour overtime compensation for each additional hour of actual court attendance in excess of two (2) hours.

C. Exceptions to the Two Hour Minimum

Management will attempt to adjust an employee's shift to accommodate court appearances or on-call status commencing two hours or less before or after the employee's regularly assigned shift begins or ends. If an employee's shift cannot be adjusted, the employee will be compensated as follows:

1. Court appearances or on-call status commencing two (2) hours or less before the employee's regularly assigned shift begins. Compensation will be for the actual time between the commencement of the court appearance or on-call and the beginning of the employee's assigned shift with the same noon recess provisions as outlined in paragraph A(2) above.
2. Court appearances commencing two (2) hours or less after the employee's regularly assigned shift ends. Compensation will be for the actual time between the end of the employee's assigned shift and the termination of the court appearance with the same noon recess provisions as outlined in paragraph A(2) above.

3. Court appearances or on-call that begin during an employee's regularly assigned shift. Compensation will be for the actual time between the end of the employee's assigned shift and the termination of the appearance or on-call status with the same noon recess provisions as outlined in paragraph A(2) above.

ARTICLE 6.7 CIVIC DUTY

Whenever an employee is served with a subpoena by a court of competent jurisdiction which compels his/her presence as a witness during his/her normal working period, unless he/she is a party to the litigation or an expert witness, such employee shall be granted time off with pay in the amount of the difference between the employee's regular earnings and any amount he/she receives for such appearance. This Article is not applicable to appearances for which the employee receives compensation in excess of his/her regular earnings.

A court of competent jurisdiction is defined as a court within the County in which the employee resides or if outside the county of residence, the place of appearance must be within 150 miles of the employee's residence.

ARTICLE 6.8 JURY SERVICE

Any employee who is duly summoned to attend any court for the purpose of performing jury service or has been nominated and selected to serve on a Grand Jury, shall, for those days during which jury service is actually performed and those days necessary to qualify for jury service, receive his/her regular salary. However, any jury attendance fees received by the employee, except for jury service fees received for service on a regular day off or holiday, shall be paid to the City. A prorated portion of jury service fees received by a half-time employee shall be paid to the City when those fees are received for jury service performed on days for which the employee is scheduled to work a portion of a day. The absence of any employee for the purpose of performing jury service shall be deemed to be an authorized absence with pay.

ARTICLE 6.9 MILITARY LEAVE

Every employee who qualifies for and is granted a military leave, whether temporary or otherwise, pursuant to the provisions of the Military and Veterans Code of the State of California, shall, before he/she is paid his/her salary or compensation during such leave, or any part thereof, as provided in said Code, furnish to his/her appointing authority two certified copies of his/her orders, one (1) copy to be filed in the department in which he/she is employed and the other with the Controller. In lieu of the orders, the employee shall furnish to the appointing authority, upon forms provided by the Controller, certified

evidence of his/her entry into active service in the armed forces of the United States and the date thereof. Any certification required by this Article may be made by any commissioned officer of such armed forces. The Controller shall have power at any time to require such additional satisfactory evidence of the entry of such employee into active service in such armed forces and of the actual performance by the employee of ordered military duty during all or any part of such leave.

In determining whether an employee has been in the service of the City for a period of not less than one year immediately prior to the date on which the absence begins, continuous service shall be required.

ARTICLE 6.10 MILEAGE

ARTICLE 7.0 BENEFITS

ARTICLE 7.1 CIVILIAN MODIFIED FLEXIBLE BENEFITS PROGRAM

During the term of this MOU, the City will provide benefits in accordance with the Civilian Modified Flexible Benefits Program (hereinafter Flex Program) and any modifications thereto as recommended by the Joint Labor-Management Benefits Committee and approved by the City Council.

The sections below are intended to reflect the Flex Program approved on July 17, 1996. If there are any discrepancies between the benefits described herein and the Flex Program approved by the Joint Labor-Management Benefits Committee, the Flex Program benefits will take precedence.

Section I - Health Plans

The health plans offered and benefits provided by those plans shall be those approved by the City's Joint Labor-Management Benefits Committee and administered by the Personnel Department in accordance with Los Angeles Administrative Code Section 4.303.

Management agrees to contribute a monthly sum not to exceed \$524.66 per month, effective January 1, 2002, per full-time employee, effective the beginning of the pay period in which the Kaiser yearly premium rate change is implemented, toward the cost of a City-sponsored health plan for employees who are members of LACERS.

Effective January 1, 2002, for each half-time employee, as defined by Section 4.110 of the Los Angeles Administrative Code (LAAC) who becomes a member of LACERS following July 1, 1990, and for each employee who transfers from full-time to half-time status following the July 1, 1990, Management agrees to contribute a monthly subsidy not to exceed \$201.80 per employee.

Management will apply this sum first to the employee's coverage. Any remaining balance will be applied toward the coverage of the employee's dependents under the plan.

During the term of this MOU, Management's monthly subsidy for full-time employees shall increase by the increase in the Kaiser Permanente family rate. For half-time employees, Management's monthly subsidy shall increase by the increase in the Kaiser Permanente Single Party Rate. Increases in the monthly subsidy shall be effective at the beginning of the pay period in which the Kaiser Permanente yearly premium rate change is implemented.

Half-time employees who, prior to July 1, 1990, were receiving the same subsidy as full-time employees shall continue to receive the full-time employee subsidy and shall be eligible to receive any increases applied to that subsidy as provided in this Article.

Employees who transfer from full-time to half-time under the provisions of Article 7.8, Family and Medical Leave, shall continue to receive the same subsidy as full-time employees and shall be subject to any adjustments applied to that subsidy as provided in this Article.

During the term of this MOU, the Joint Labor-Management Benefits Committee will review all rate changes and their impact on the Health Plans.

Section II - Dental Plans

The dental plans offered shall be those approved by the City's Joint Labor-Management Committee and administered by the Personnel Department in accordance with Los Angeles Administrative Code Section 4.303.

Management will expend for full-time employees in the classifications listed in this Unit, who are members of LACERS, the monthly sum necessary to cover the cost of employee only coverage under the City-sponsored Dental Plan Program. Coverage for dependents of eligible employees may be obtained in a City-sponsored plan at the employee's expense, provided that such sufficient enrollment is maintained to continue to make such coverage available.

For each half-time employee, as defined by Section 4.110 of the LAAC, who becomes a member of LACERS and for each employee who transfers from full-time to half-time status following July 1, 1990, Management will expend an amount equivalent to one-half of the cost of the employee only coverage of the most expensive plan under the City-sponsored Dental Program. Half-time employees who, prior to July 1, 1990, were receiving the full employee only subsidy shall continue to receive the full employee only subsidy.

During the term of this MOU, the Joint Labor-Management Benefits Committee will review all rate changes and their impact on the Dental Plans.

Employees may elect to be covered by one of the Union-sponsored dental insurance programs instead of by the City-sponsored dental insurance plan. The amount to be remitted for each employee covered by an Union sponsored plan shall be a maximum of \$15.67 monthly. Enrollment in the Union plans shall be available to all employees regardless of Union membership or affiliation. Employees may not receive a subsidy for more than one of the City-sponsored or Union-sponsored dental plans.

If the monthly rate of any Union sponsored plan increases, the City will adjust its subsidy to the amount necessary to cover the employee only coverage; provided, however, that the monthly amount of the increased subsidy may not exceed the maximum cost of the employee only coverage at that time under the City plan or \$18.00 per month, whichever is greater.

The parties mutually understand that the City will expend the above noted funds only for those employees who enroll in these plans and remain on active payroll status with the City, and that the City retains all rights to any unused funds which may be allocated for the purpose of implementing this Article.

The parties mutually understand that the City will provide the subsidy to the separate EAA dental carriers an aggregate amount equal to the sum of the subsidy paid for those employees enrolled in the Union-sponsored programs who are on the payroll during each payroll period for which the subsidy is paid together with a list of those employees for whom the subsidy was paid during said payroll period. Remittance of this aggregate amount will be made within 30-working days after the conclusion of the payroll period in which the subsidy was paid.

The parties further understand that for those employees enrolled in an Union-sponsored program, who authorized the City Controller to make a payroll deduction to cover any additional costs of said dental insurance plan, the City will remit to the carrier a separate amount and appropriate deduction list.

The parties mutually agree that the City is not responsible for, nor expected to provide, any additional accounting, administrative, bookkeeping, clerical or other services except as provided for in the above paragraphs, and that the Union assumes all responsibility for any services which may arise out of the administration of the Union-sponsored programs.

The Union shall indemnify, defend and hold the City harmless against any and all claims, demands, suits or other forms of liability that shall arise out of or result from any action taken by the City for purposes of complying with this Article, or by failure of the Union or its dental insurance carrier to provide the coverage and services agreed to between the Union and the carrier.

Management will retain all duties and responsibilities it has had for the administration of the City's Dental Plan.

Section III - General Provisions

An open enrollment period of at least 30 days shall be declared by the Personnel Department each year. During this open period, employees may enroll themselves and, at their option, their dependents in the City-sponsored plan. Employees who fail to enroll during this open period will be ineligible to participate in City-sponsored plan unless another open enrollment period is subsequently declared by the Personnel Department. However, employees may enroll in Union-sponsored programs in accordance with the procedures of those programs.

Management will retain all duties and responsibilities it has had for the administration of the City's Health and Dental Plans.

Section V - Subsidy During Family and Medical Leave

For an employee who is on family or medical leave, under the provisions of Article 7.8 of this MOU, Management shall continue the City's medical and dental plan subsidies. In accordance with the Family and Medical Leave Act of 1993 (FMLA), employees on unpaid family or medical leave shall not be required to repay the City subsidy (1) upon return to work, or (2) if they terminate City employment following the leave due to a continuing serious health problem or other extenuating circumstances beyond the control of the employee. Such reimbursement shall be deducted from any compensation owed to the employee upon termination of City employment.

Agreements reached between Management and organizations whereby a majority of the members in the LACERS are affected shall be recommended to the City Council by the City Administrative Officer as affecting the membership of all employees in LACERS. Such modifications need not be included in the MOU in order to be considered appropriately negotiated.

Proposals for minor benefit modifications and technical changes will be considered and reported on as appropriate, but no more than once a year, in a report from the City Administrative Officer to the City Council. Affected organizations shall be given the opportunity to review the proposed minor changes prior to the release of the report, and their views shall be included in the report.

If agreement is not reached between Management and the organizations representing a majority of the members in LACERS as to whether a particular proposal constitutes either a major or a minor modification, the proposal shall be treated as a major modification.
