### AMENDMENT NOTICE NO. 2 COMPETITIVE OIL AND GAS LEASE SALE NOVEMBER 4, 2008

We listed parcels 11-08-20, 11-08-26, and 11-08-30 in Mountrail County, North Dakota, on the sale notice as having 50% US mineral interest. After further review, we determined that **the United States holds 100% mineral interest in all or part of these parcels as reflected below.** If we receive a bid at the sale for Parcels 11-08-20 and 11-08-30, we will segregate each of those parcels into two parcels to facilitate the collection of royalty upon establishment of production.

There is no change in the stipulations.
