Submit a proposal to present at the 10th Annual LED Partnership Workshop dedicated to professional development and networking for Labor Market Information directors, analysts, federal agencies, nonprofit organizations, businesses and other data users.

Selected presenters will participate in a 90-minute panel discussion during prime time at this popular learning event. **The Census Bureau will provide paid travel and two nights lodging for the selected presenters to attend the workshop.**

Panel presentation topics might include but are not limited to:

Policy-making
Training programs
Disaster recovery
Transportation planning
Impacts of plant closures

Programmatic planning
Emergency preparedness
Site selection
Recruitment
Economic development

ONLINE SUBMISSION:

All presentations must be submitted via the [online form](#). Please provide the following information:

- Your name and contact information
- Brief bio
- Proposed title
- Brief abstract of the presentation (3 sentences/50-60 words)
- 200-300 word description of the presentation
- Audio/visual needs (Conference management will supply PC, digital projector, and high-speed internet)

Proposals must include all requested information and must be received by **Tuesday, December 2, 2008**. You will receive an email confirmation upon receipt of your submission.

SELECTION PROCESS:

The LED Partnership seeks presentations that reflect:

- Case studies, innovations, best practices using LED data, including OnTheMap, QWI, VRDC data download
- Integration of LED data with other sources
- LED-based programs and initiatives that demonstrate measurable impact and results
- Outstanding success stories

The Workshop Planning Team is responsible for reviewing the presentations submitted, as well as creating a meaningful and well-balanced workshop program. Proposals will be judged on the following criteria:

- Relevance
 - Usefulness to other data users
 - Informing decision-making and/or problem solving
- Presentation proposals are eligible for inclusion in the Poster Session (see Poster Session Information).

NOTIFICATION:

Submitters will be notified of selection status via e-mail by mid-December 2008. The decision of the committee is final. Once selected, presenters must confirm their ability to present **NO LATER** than Friday, January 9, 2009.

POLICIES AND PROCEDURES:

1. Presentations must *feature* the use of Local Employment Dynamics data, alone or in combination with other data sources
2. Visual representations (PowerPoint, maps, graphs, online demonstrations) are strongly encouraged
3. Uses/applications of the LED data must be substantially new and should not have been featured in previous LED Partnership workshops
4. Presentations may be posted to the LED Partnership website and used in promotional materials
5. The LED Partnership reserves the right to edit all submitted presentations for publication on the web site and in the workshop program
6. The Workshop Program Team will determine the day and times for the presentation panel
7. Proposed presentations should be of **30 minutes in duration**, with an additional 10 minutes for questions and answer; a discussant will moderate and encourage discussion of potential/similar uses of the LED data in the selected presentations
8. The Census Bureau will provide two nights lodging and domestic airfare/travel (using Government contract carrier) for the two selected presenters. Other costs will be at the expense of the selected presenters.
9. No staff of the LEHD Program at the U.S. Census Bureau may submit proposals.
