Fatal and Serious Injuries at Virginia Mineral Mines – 1994 - 2004

§ 45.1-161.292:2. Definitions.

"Operator" means any person who operates, controls or supervises a mine or any independent contractor performing services or construction at such mine.

"Licensed operator" means the operator who has obtained the license for a particular mine under § 45.1-161.292:30.

"Independent contractor" means any person that contracts to perform services or construction at a mine.

"Miner" means any individual working in a mineral mine.

§ 45.1-161.292:63. Notices of violations.

A. If the Director or a mine inspector has reasonable cause to believe that a violation of the Act has occurred, he shall with reasonable promptness issue a notice of violation to *the person who is responsible for the violation.*
