The following is a list of Independent Commercial Importers (ICIs) who may currently hold valid certificate of conformity from EPA as of the date of this list (it is up to the importer to verify if an ICI is a current certificate holder). This certificate allows the ICI to import certain nonconforming vehicles into the United States until December 31, 2009. **THE MAKES OR MODELS THAT AN ICI CAN IMPORT ARE LIMITED.** You should contact the ICI to determine if he/she is qualified to import your particular vehicle.

EPA DOES NOT ENDORSE OR RECOMMEND ANY PARTICULAR ICI ON THIS LIST. EPA cautions that an ICI's capability to bring a vehicle into conformity with U.S. emission requirement does not guarantee that in individual cases the work will be properly performed. Test documentation for an individual vehicle and other information concerning the quality of modifications will be carefully scrutinized to determine whether such vehicle meets all applicable EPA requirements under the imports regulations.
