Certain Softwood Lumber Products From Canada: Notice of Partial Rescission of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (the Department) is conducting an administrative review of the antidumping duty order on certain softwood lumber products from Canada for the period *May 22, 2002, through April 30, 2003*. We are now rescinding this review with respect to 48 companies for which the requests for an administrative review have been withdrawn.

EFFECTIVE DATE: September 11, 2003.

FOR FURTHER INFORMATION CONTACT: Amber Musser or Constance Handley, at (202) 482-1777 or (202) 482-0631, respectively; AD/CVD Enforcement, Office 5, Group II, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street & Constitution Avenue, NW., Washington, DC 20230.

SUPPLEMENTARY INFORMATION:

Background

On May 1, 2003, the Department published a notice of opportunity to request the first administrative review of this order. *See Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation; Opportunity to Request Administrative Review*, 68 FR 23281 (May 1, 2003). On May 30, 2003, in accordance with 19 CFR 351.213(b), the Coalition for Fair Lumber Imports Executive Committee (the petitioner) requested a review of 192 producers/exporters of certain

softwood lumber products. Also, between the dates of May 7, 2003, and June 2, 2003, 338 Canadian producers requested a review on their own behalf or had a review of their company requested by a U.S. importer. Taking into consideration the overlap in the three aforementioned categories, the total number of companies currently under review is 422.

On July 1, 2003, the Department published a notice of initiation of this antidumping duty administrative review, covering the period May 22, 2002, through April 30, 2003. *See Initiation of Antidumping Administrative Review*, 68 FR 39059 (July 1, 2003). The initiation, and subsequent correction, covered 422 companies.¹

On July 18, 2003, the petitioner withdrew its review request for 63 companies. On August 4, 2003, the petitioner withdrew its request for two additional companies. Of these 65 companies, eight had either requested their own review or had a review of their company requested by a U.S. importer. Accordingly, the Department has not rescinded the review with respect to these eight companies.

In addition, two of the companies for which the petitioner withdrew its request for a review, Lakeland Mills Ltd. and The Pas Lumber Co. Ltd., are affiliated with Canfor Corporation. Two of the companies, Excel Forest Products and Produits Forestiers Temrex Usine St. Alphonse, Inc., are affiliated with Tembec Inc. Two of the companies, Fraser, Inc. and Norbord Industries, Inc., are affiliated with Nexfor Inc. One of the companies, Groupe Cedrico, is affiliated with Bois d'oeuvre Cedrico Inc. And, one of the companies, Max Meilleur & Fils Ltee, is affiliated with Cobodex, Inc.² Therefore, because Canfor Corporation, Tembec Inc., Nexfor Inc., Bois d'oeuvre Cedrico Inc., and Cobodex, Inc. made timely requests for review the Department has not rescinded the review with respect to their affiliates.

Finally, the Department has not rescinded the review with respect to Leggett Wood because it is an operating division and registered trade name for

¹ Buchanan Lumber, a distinct entity from Buchanan Lumber Sales Inc., was inadvertently omitted from the original initiation notice. *See Initiation of Antidumping and Countervailing Duty Administrative Reviews, Requests for Revocation in Part and Deferral of Administrative Reviews*, 68 FR 44253 (July 29, 2003).

² See Kaye Scholer LLP's July 16, 2003, submission, Baker & Hostetler's July 16, 2003, submission, Howrey Simon Arnold & White's August 5, 2003, submission, and Wilmer, Cutler, & Pickering's August 20, 2003, submissions.

Leggett and Platt, which has also requested its own review.
