- Rounds to zero. NA Not available. <sup>1</sup> U.S. total includes federal prisoners not distributed by state. This total includes all inmates held in public and private adult correctional facilities. <sup>2</sup> Includes both jail and prison inmates (state has combined jail and prison system). <sup>3</sup> Numbers are for custody rather than jurisdiction counts. <sup>4</sup> The transfer of responsibility for sentenced felons from the District of Columbia to the federal system was completed by the year end 2001. <sup>5</sup> The District of Columbia inmates sentenced to more than 1 year are now under the responsibility of the Bureau of Prisons.
