DEPARTMENT OF LABOR

Bureau of Labor Statistics

Proposed Collection; Comment Request

ACTION: Notice.

SUMMARY: The Department of Labor, as part of its continuing effort to reduce paperwork and respondent burden, conducts a pre-clearance consultation program to provide the general public and Federal agencies with an opportunity to comment on proposed and/or continuing collections of information in accordance with the Paperwork Reduction Act of 1995 (PRA95) (44 U.S.C. 3506(c) (2)(A)). This program helps to ensure that requested data can be provided in the desired format, reporting burden (time and financial resources) is minimized, collection instruments are clearly understood, and the impact of collection requirements on respondents can be properly assessed. Currently, the Bureau

of Labor Statistics (BLS) is soliciting comments concerning the proposed extension of the "Current Population Survey (CPS) Volunteer Supplement." A copy of the proposed information collection request (ICR) can be obtained by contacting the individual listed below in the **ADDRESSES** section of this notice.

DATES: Written comments must be submitted to the office listed in the **ADDRESSES** section of this notice on or before January 5, 2004.

ADDRESSES: Send comments to Amy A. Hobby, BLS Clearance Officer, Division of Management Systems, Bureau of Labor Statistics, Room 4080, 2 Massachusetts Avenue, NE., Washington, DC 20212, telephone number 202-691-7628 (this is not a toll free number).

FOR FURTHER INFORMATION CONTACT: Amy A. Hobby, BLS Clearance Officer, telephone number 202-691-7628. (See **ADDRESSES** section).

SUPPLEMENTARY INFORMATION:

I. Background

The September 2004 CPS Volunteer Supplement will be conducted at the request of the USA Freedom Corps. The Volunteer Supplement will provide information on the total number of individuals in the U.S. involved in unpaid volunteer activities, factors that motivate volunteerism, measures of the frequency or intensity with which individuals volunteer, types of organizations that facilitate volunteerism, and activities in which volunteers participate.

Because the Volunteer Supplement is part of the CPS, the same detailed demographic information collected in the CPS will be available on respondents to the Supplement. Comparisons of volunteer activities will be possible across characteristics such as sex, race, age, and educational attainment of the respondent. It is intended that the Supplement will be conducted annually, if resources permit, in order to gauge changes in volunteerism.

II. Desired Focus of Comments

The Bureau of Labor Statistics is particularly interested in comments that:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information,

including the validity of the methodology and assumptions used;

- Enhance the quality, utility, and clarity of the information to be collected; and

- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submissions of responses.
