

p. *Proposed Scope of Studies Under Permit*—A preliminary permit, if issued, does not authorize construction. The term of the proposed preliminary permit would be 36 months. The work proposed under the preliminary permit would include economic analysis, preparation of preliminary engineering plans, and a study of environmental impacts. Based on the results of these studies, the Applicant would decide whether to proceed with the preparation of a development application to construct and operate the project.

q. *Comments, Protests, or Motions to Intervene*—Anyone may submit comments, a protest, or a motion to intervene in accordance with the requirements of rules of practice and procedure, 18 CFR 385.210, .211, .214. In determining the appropriate action to take, the Commission will consider all protests or other comments filed, but only those who file a motion to intervene in accordance with the Commission's rules may become a party to the proceeding. Any comments, protests, or motions to intervene must be received on or before the specified comment date for the particular application.

r. *Filing and Service of Responsive Documents*—Any filings must bear in all capital letters the title "COMMENTS", "NOTICE OF INTENT TO FILE COMPETING APPLICATION", "COMPETING APPLICATION", "PROTEST", or "MOTION TO INTERVENE", as applicable, and the Project Number of the particular application to which the filing refers. Any of the above-named documents must be filed by providing the original and eight copies to: Magalie R. Salas, Secretary, Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426. An additional copy must be sent to Director, Division of Hydropower Administration and Compliance, Federal Energy Regulatory Commission, at the above-mentioned address. A copy of any notice of intent, competing application or motion to intervene must also be served upon each representative of the Applicant specified in the particular application.

Comments, protests and interventions may be filed electronically via the Internet in lieu of paper; see 18 CFR 385.2001(a)(1)(iii) and the instructions on the Commission's Web site under the "e-Filing" link. The Commission strongly encourages electronic filings.

s. *Agency Comments*: Federal, State, and local agencies are invited to file comments on the described application. A copy of the application may be obtained by agencies directly from the Applicant. If an agency does not file

comments within the time specified for filing comments, it will be presumed to have no comments. One copy of an agency's comments must also be sent to the Applicant's representatives.

Linda Mitry,

Acting Secretary.

[Docket Nos. RM01-12-000 and RT01-67-000]

#### Remedying Undue Discrimination Through Open Access Transmission Service and Standard Electricity Market Design, GridFlorida, LLC; Notice of Technical Conference

June 18, 2003.

Take notice that a technical conference will be held on September 15, 2003, from approximately 9:30 a.m. to 3:30 p.m. at the Florida Public Service Commission, 2540 Shumard Oak Boulevard, Gerald Gunter Building, Tallahassee, Florida. Members of the Commission will attend and participate in the discussion. An agenda will be issued at a later time.

This conference is one in a series of regional technical conferences announced in the White Paper issued in Docket No. RM01-12-000 on April 28, 2003. The purpose of the conference is to discuss wholesale market platform and RTO issues related to the proposed GridFlorida RTO/ISO. The Commission intends to use these conferences to discuss with states and market participants in each region reasonable timetables for addressing wholesale market design issues and to explore ways to provide the flexibility the region may need to meet the requirements of the final rule in this proceeding. In particular, the meeting will focus on issues related to the proposed GridFlorida RTO/ISO.

The conference is open for the public to attend, and registration is not required; however, in-person attendees are asked to register for the conference on-line at <http://www.ferc.gov/home/conferences.asp>. Transcripts of the conference will be immediately available from Ace Reporting Company (202-347-3700 or 1-800-336-6646) for a fee. They will be available for the public on the Commission's FERRIS system seven calendar days after FERC receives the transcript. Additionally, Capitol Connection offers the opportunity to remotely listen to the conference via the Internet or a Phone Bridge Connection for a fee. Interested

persons should make arrangements as soon as possible by visiting the Capitol Connection Web site at <http://www.capitolconnection.gmu.edu> and clicking on "FERC." If you have any questions contact David Reininger or Julia Morelli at the Capitol Connection (703-993-3100). Questions about the conference program should be directed to:
